

POSITION AVAILABLE

Faculty Clinician – Centers for Health and Optimum Performance

The Life University clinic system in Marietta, Georgia, is accepting applications for full time Faculty Clinicians to mentor and teach students while providing patient care and incorporating and contributing to the mission, vision, and proficiencies of Life University. The preferred candidate is enthusiastic about attracting, retaining, and building a practice base, participating in various community events and student mentoring activities.

The qualified candidate must possess:

- Doctor of Chiropractic degree from an accredited program
- a license in the state of Georgia, or be Georgia license eligible
- A Bachelor's degree (or its equivalent) or agree to complete a Bachelor's degree within two years of the first day of employment with the University
- three years of successful practice experience
- CPR certification
- excellent skills related to communication, patient education, assessment, organization, diagnosis, professionalism and adjustment technique

The preferred candidate also has postgraduate training in education, experience in a teaching clinic, and a certificate or Diplomate in a related area of study.

Please submit cover letter, CV, unofficial transcripts of all degree-granting institutions attended (official transcripts required upon hiring) and three current, relevant, letters of recommendation to:
