

QUARTERLY COST OF ATTENDANCE 2016-2017

Cost of Attendance is an estimate of the total amount it will cost you to go to school for an academic period. Cost of attendance includes tuition and fees, room and board or living expenses, allowances for books, supplies and transportation. The cost of attendance is determined by the school using guidelines established by federal regulations. **Amounts effective Fall 2016.**

Doctor of Chiropractic Program (DC)	
Credit Range	Maximum FA Eligibility
6 - 11	\$12,449
12 - 18	\$14,495
19 - 25	\$17,223
26 - 31	\$19,098

DC Tuition: \$341 per credit and Quarterly Fee of \$350

Undergraduate (UG)	
Credit Range	Maximum FA Eligibility
6 - 11	\$11,071
12 - 18	\$12,427
19 - 25	\$14,235

UG Tuition: \$226 per credit and Quarterly Fee of \$350

Master (GR)	
Credit Range	Maximum FA Eligibility
5 - 8	\$11,021
9-13	\$12,177
14-16	\$13,205

GR Tuition: \$257 per credit and Quarterly Fee of \$350

PLANNING AND FORECASTING THE NUMBERS:

To figure out your tuition and fee charges:

of credits X \$ tuition per credit (by program) = \$ _____

\$ _____ + \$350 quarterly fee = \$ Total tuition and fees for a quarter
