

QUARTERLY COST OF ATTENDANCE 2014-2015

Cost of Attendance is an estimate of the total amount it will cost you to go to school for an academic period. Cost of attendance includes tuition and fees, room and board or living expenses, allowances for books, supplies and transportation. The cost of attendance is determined by the school using guidelines established by federal regulations.

Doctor of Chiropractic Program (DC)	
Credits Per Quarter	
6 - 11	\$11,202
12 - 18	\$13,241
19 - 25	\$15,482
26 - 31	\$17,506

DC Tuition: \$316 per credit and Quarterly Fee of \$350

PLANNING AND FORECASTING THE NUMBERS:

To figure out your tuition and fee charges:

of credits X \$ tuition per credit (by program) = \$ _____

\$ _____ + \$350 quarterly fee = \$ Total tuition and fees for a quarter

Undergraduate (UG)	
Credits Per Quarter	
6 - 11	\$10,060
12 - 18	\$11,411
19 - 25	\$12,909

UG Tuition: \$210 per credit and Quarterly Fee of \$350
Distance Education Classes: \$315 per credit

Master (GR - Non DE)	
Credits Per Quarter	
5 - 8	\$ 9,742
9-13	\$11,208
14-16	\$12,160

GR Tuition: \$238 per credit and Quarterly Fee of \$350

Master (GR - DE)	
Credits Per Quarter	
5 - 8	\$10,911
9-13	\$12,517
14-16	\$13,945

GR Tuition: \$238 per credit and Quarterly Fee of \$350
Distance Education Classes: \$357 per credit
