Life UniversitySpring 2016 Quarterly SPECIAL ANNOUNCEMENTS

- 1. You may now <u>delete</u> weekend or 2nd 5 week courses up to start date of the class by Friday at 5pm and receive a full tuition refund. Please be advised deleting a course may affect your current quarter's financial aid status if this lowers your credits hours attempted below key financial aid thresholds and you may want to consult with your financial aid adviser prior to deleting a course. After Friday at 5pm of the course's start date you can still <u>drop</u> the course (minus \$25.00 drop charge and tuition forfeiture according to drop course refund chart) and you will receive a grade "W" or "WNP" based upon the date of the drop (this "drop" does not impact the current quarter's financial aid status).
- 2. Effective Spring 2015: Please make sure that you have taken either of the following 5 credit options prior to graduation:
 - a. CPAP 3625 (Introduction to Wellness) = 3 credits and PUBH 1515 (Basic Public Health) or PUBH 3515 (Environmental Health) 2 credits
 - b. CPAP 3625 (Wellness and Spinal Hygiene) 2 credits and CPAP 1525 (Lifestyles for Health: Intro to Wellness) 1 credit = 3 credits and PUBH 1515 (Basic Public Health) or PUBH 3515 (Environmental Health) 2 credits
- 3. Effective Spring 2015: Double Peak has new qualifications see pages 60 and 61.
- 4. Required Academic Records Review for 12th qtr. Students or 3 qtrs. Prior to expected Graduation See page 21 for more information
- 5. Requirements to Participate in the Graduation Ceremonies: Doctor of Chiropractic Students may participate in the graduation ceremonies if they have already completed or are scheduled to complete their requirements in the quarter in which they are graduating.

(Ceremonies are to be held four times a year, March, June, September and December.)

Undergraduate Students may participate in the graduation ceremonies if they have already completed or are scheduled to complete their requirements in the quarter in which they are graduating. For example, March graduates and potential June graduates will be eligible to participate in the June Ceremony and the September graduates and potential December graduates will be eligible to participate in the December Ceremony. (Ceremonies for Undergraduate degrees are to be held twice a year, June & December)

Graduate Students may participate in the graduation ceremonies if they meet the eligibility requirements as set by the Graduate Faculty (Have completed all graduation requirements including having taken comprehensive exams). For example, March graduates and potential June graduates will be eligible to participate in the June Ceremony and the September graduates and potential December graduates will be eligible to participate in the December Ceremony (Ceremonies for Master's degree are to be held twice a year, June & December)

The University reserves the right to alter the minimum requirements to participate in graduation ceremonies

Life University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097: Telephone number 404-679-4501) to award the Doctor of Chiropractic, Master of Science, Bachelor of Science and Associate of Science degrees.

"The Doctor of Chiropractic degree program of Life University's College of Chiropractic is accredited by the Commission on Accreditation of the Council on Chiropractic Education, 8049 North 85th Way, Scottsdale, AZ 85258-4321. Tel: 480-443-8877." Any questions or complaints regarding Life University's compliance with CCE's accrediting criteria should be addressed, telephoned and/or faxed as above.

The Core Life Proficiencies

In conjunction with providing health care degree programs, Life University is committed to delivering an education designed around a set of core proficiencies that advance personal integrity and provide the foundation for professional success, social contribution and cultural change. These proficiencies distinguish a Life University education.

Belief Systems

and Performance

Life University will expose its students to a range of contemporary intellectual approaches and technologies that will help them reach higher levels of performance and success. Students will learn criteria by which to judge the usefulness of certain technologies and their applicability to their learning styles.

Communication and Relationship Theory/Skills

An ability to communicate effectively and the capacity for building relationships with others are critical factors in personal, business and life success. These skills can be developed. Life University will challenge its students to develop and utilize the skills of effective listening, empathy, interpersonal skills and public speaking to create clear communications and foster meaningful professional relationships with members of the public, patients, colleagues and key opinion leaders.

Contemporary Scientific Paradigms

For thousands of years and especially since Sir Isaac Newton, humankind's scientific understanding of the functioning of the universe has been based largely on a mechanistic model. Contemporary quantum physics opens the door to a much more vitalistic understanding of human dynamics. Life University will expose our students to the implications of these models especially as they apply to research in health care.

Integrative Change

Because change is one of the few constants in today's professional environments, an educated person must learn how to evaluate, plan for and effectively use the element of change to impact controlled differences in the world. Life University will expose students to tested theories and concepts and help them evaluate their usefulness. Students will also learn how people integrate and accept new philosophies and skills for communicating new concepts of health care.

Integrity and Citizenship

Integrity provides the underpinning for the responsible exercise of our rights and responsibilities as human beings. Integrity leads to empowerment and excellence, while a lack of integrity results in mediocrity. Life University teaches students how to manage personal integrity and function as valued citizens within the academic, health care and larger communities.

Leadership and Entrepreneurship

Extensive research available today outlines the hallmarks of effective leadership. Life University draws on this body of knowledge and teaches students how to apply it in an entrepreneurial setting to build a successful business or organization.

Learning Theory/Critical Thinking

Life University engages students in critical thinking by teaching them how to gather meaningful data, synthesize new information with existing knowledge, think independently and search for practical application of their knowledge in professional practice and daily life. We exhort our students to not only learn skills, but to become innovators who contribute positively to their communities.

Philosophy of Human Existence and Health Care Policy

Health care systems evolve from health care philosophies. Although our most institutionalized systems today revolve around a mechanistic view of health, Life University sees value in a vitalistic view of human function. With a growing body of evidence to support vitalistic concepts in the health care milieu, Life University will help spearhead changes that will revolutionize our nation's approach to health care. Our faculty will clearly identify these key issues for students and teach them how to evaluate new information and direct professional dialogues that will lead to new health care policy.

LIFE UNIVERSITY HONOR CODE

All members of the Life University community are entrusted with the responsibility of upholding ethical goals and values. Essential to the fundamental purpose of Life University is a personal commitment to the principles of citizenship and integrity.

Integrity provides the underpinning for the responsible exercise of our rights and responsibilities as civil human beings within our community. Integrity leads to empowerment and excellence, while a lack of integrity results in mediocrity. Life University teaches students how to achieve and maintain personal integrity and function as valued citizens within the academic, health care and larger communities.

As individuals and members of the Life University community, we commit ourselves to act with civility, honesty, and responsibility, and above all, with integrity and honor. We are accountable for all that we say, write and do. We are responsible for the academic integrity of our work. We pledge that we will not misrepresent our work, nor give or receive unauthorized aid. We commit ourselves to behave in a manner which demonstrates concern for the personal dignity, rights and freedoms of all members of the community. We are respectful of Life University property and the property of others. We will not tolerate a lack of respect for these values by anyone.

BOARD OF TRUSTEES ANNOUNCEMENTS

As a result of the April meeting of the Life University Board of Trustees, the following tuition will be assessed, effective Summer 2015:

Program	Tuition/Credit	
Undergraduate		\$218.00
Undergraduate Online		\$327.00
Dietetic Internship	(One Year Cost)	\$8000.00
Masters		\$248.00
Masters Online		\$372.00
DC		\$329.00

All students attending LIFE's Marietta campus will be assessed a \$350.00 quarterly student fee.

CLIN 5700 X0, CLIN 5800 X0, CLIN 5823 X0 & PUBH 5545 Practicum costs are raised to \$329.00 each. (Billed as Tuition)

Qualifying International students will receive an International Assistance Award totaling 20% of quarterly tuition charges.

Life University Dis-enrollment Fee

Students who have not paid their tuition & fees in a timely manner may be subject to dis-enrollment from all courses for which tuition is not paid and a dis-enrollment fee of twenty-five percent (25.0%) of the unpaid balance of tuition.

GENERAL INFORMATION

Campus Safety

The safety of every member of the Life University community is our top priority. Life University maintains a well-staffed Campus Safety Department consisting of trained security officers. Our highly motivated and trained staff works diligently to ensure that you are safe and secure.

EMERGENCY ON CAMPUS: (770) 426-2911 NON-EMERGENCY: (770) 426-2681

* Life University Campus Safety is located in **MOD 2** behind the Library*

Campus Safety is charged with responding to all types of emergency and non-emergency events, as well as enforcing University parking regulations. The campus is patrolled 24/7/365, and we work with local emergency response agencies such as Marietta Police Department, Cobb County Sheriff and Marietta Fire Department.

A Life University Campus Safety Department official can be reached 24 hours per day, seven days per week in the event of

an emergency, by dialing x2911 from a University phone or (770) 426-2911 from a cell phone or off-campus landline. It is a good idea to store the Campus Safety emergency phone number on speed dial in your cell phone, so that you can reach an officer quickly and easily. For your safety, there are also emergency call boxes located in various key areas on campus. Emergency call boxes are identified by blue poles and lights, which are illuminated at night, and can be used to immediately contact the Campus Safety.

Life University complies with federal and state laws and does not discriminate on the basis of race, color, gender, religion, national origin, age, sexual orientation, disability, medical condition, pregnancy, citizenship or veteran status. This may require the Department to notify the Office of Student Services and local Police Departments of violations of law that also violate University policy or codes of conduct and vice versa.

Safety Overview

When a campus emergency occurs, contact Campus Safety by dialing "2911" on any campus phone or 770.426.2911. This line is answered seven days a week, 24 hours a day.

The Campus Safety Department will respond to all emergencies and non-emergency incidents on campus and take appropriate action. If the situation requires you to call 911 to get a response from the Fire Department, Ambulance or Police, then do so. Then, call 770.426.2911 to notify Campus Safety, so we can assist on getting the 911 response to the appropriate area quickly.

Procedures for Reporting Criminal Actions and other Emergencies on Campus

The Campus Safety Department monitors activities on campus 24 hours a day. Students and employees with concerns over criminal actions on campus can contact the Campus Safety Department at (770)426-2911. Reports can be made with any department representative. We openly solicit the observations and concerns of our students, staff and all visitors when suspicious or criminal activity is observed on campus. The Campus Safety Department believes with greater awareness we can help each person be better prepared to protect themselves and others from crime. The Department also works closely with other local law enforcement agencies to obtain and monitor criminal reports made to them. Life University complies with federal and state lawn and does not discriminate on the

basis of race, color, gender, religion, national origin, age, sexual orientation, disability, medical condition, pregnancy, citizenship or veteran status. This may require the Department to notify the Office of Student Services of violations of law that also violate University policy or codes of conduct and vice versa.

General Safety Information

Security Procedures and Access to Campus Facilities

The Campus Safety Department monitors all access to campus facilities. The campus is regularly patrolled, and facilities are locked and unlocked at appropriate times. All users of the University facilities are encouraged to express safety concerns they have while on campus by contacting the Campus Safety Department. Remember to have your University ID on you at all times, especially if you need assistance to get into a secured building or space.

Campus Safety Watch Program

Keeping Life University safe takes a community effort. The Campus Safety Watch Program supports this effort by uniting our Life University Campus Safety Department, local law enforcement and safety agencies, and the LIFE community in an active partnership to prevent and reduce crime on the campus of Life University. Campus Safety Watch also sponsors routine programs such as Self Defense Classes. Look for information in LIFE News or stop by Campus Safety to find out dates and times for these events.

Campus Safety Watch reminds everyone to maintain awareness of his or her surroundings when on Campus and to notify Campus Safety if anything appears to be abnormal.

Alcohol Policy

The legal drinking age in Georgia is 21. It is unlawful to purchase or consume alcoholic beverages on this campus under the legal age. It is unlawful to misrepresent age or provide identification to someone else who is under the legal drinking age. Life University Campus Safety enforces all laws pertaining to the serving of alcohol in any manner that induces a person to consume alcohol by contest or challenge.

The Life University Campus Safety Department strongly supports state DUI laws, as defined in Georgia Code 40-6-391 and will partner with local law enforcement agencies to ensure the safety of the LIFE community and adjacent residents and businesses. The Life University Student Handbook defines the rules applied to alcohol service on campus with regard to license holders and locations. All rules and regulations pertaining to alcohol are enforced by the Life University Campus Safety Department and or the Office of Student Conduct.

Firearms and Weapons

Firearms and weapons are not permitted on the campus at any time with the exception of duly authorized state and federal certified law enforcement officers. Any law enforcement officer visiting the campus or attending classes must register with the Campus Safety Department prior to proceeding to their desired location. Offenses involving firearms and weapons will be handled through criminal procedures and/or by the Conduct Review Board or the Executive Director of Student Services.

Solicitation on Campus:

Faculty, Staff, Students, and Visitors of Life University should refrain from soliciting on the Campus. Solicitation for humanitarian causes or with special merit may be conducted with the appropriate approval from the Presidents Office or Vice President of Student Services. Outside agents are not permitted to solicit on Campus. "Solicitation" is interpreted to refer to any door to door residential solicitation of employees or students at their places of work, in study areas, Library or other areas on Campus, including the placing of flyers on vehicle windshields, posting flyers on or in any buildings, or the use of donation receptacles. Any student/group must have its solicitation approved by either the President's Office or the Vice President of Student Services.

Any unauthorized solicitors should be reported immediately to Campus Safety.

Lost & Found

The Campus Safety Department will maintain lost and found items for a minimum of 60 days from the date an item was received by our office. Once the item is recorded, the item will be listed with other items until it is purged. The list of items will be available during the regular office hours between 7:00 a.m.-10:00 p.m. Monday-Friday except Holidays and school closings.

Jump Start Service

Jump start service for vehicles with dead batteries. Campus Safety can only use the Jump Box to start vehicles. Campus Safety cannot use a Patrol Vehicle to directly jump start any vehicle due to liability concerns. Campus Safety Officers are not trained mechanics, so if the vehicle needs assistance beyond the capabilities of the Jump Box, an outside service provider or road side assistance will need to be called.

Notary Services

Notary Republic services are available to all the LIFE University community 07:00am – 03:00pm Monday – Friday (except Holidays). Please remember to bring all documentation and proper ID's.

Sex Offender Registry

The Georgia Bureau of Investigation (GBI), in accordance with federal, state and local codes, is required to act as the repository for registration information concerning those persons convicted of a sex crime who reside within the state of Georgia. Information may be obtained on individuals who are registered as sex offenders by visiting: Georgia Bureau of Investigation Sex Offender Registry.

gbi.georgia.gov/Georgia-sex-offender-registry

Emergency Action Plan

Life University is committed to protecting the health and safety of all students, staff, faculty and visitors at all times.

In conjunction with this commitment is the inherent responsibility for preventing or minimizing any danger to life and/or property resulting from the effects of an emergency. When an emergency occurs, an immediate organized response by University personnel is activated. The Life University Emergency Action Plan (EAP) established the framework within which the University will provide this response. The purpose of this EAP is to define procedures for responding to specific types of emergencies on the LIFE campus.

In the event of a rapidly unfolding campus emergency, Life University has adopted an Emergency Action Plan (EAP), which is available by clicking the link below. The EAP uses a multi-pronged approach to alert all students, faculty and staff of the situation and to advise them on what to do. Notification is supported by Alertus (TM) beacons inside all buildings, SMS text messaging and website posting. Additional information may be communicated via mass email and voicemail, depending on the type of situation. In order to receive emergency notification by SMS text messaging, which is highly recommended, you must make sure that your contact information in Web Advisor is current. Remember to update this information if you get a new cell phone with a different number.

Crime Prevention

Life University Campus Safety Department aims to inform students, employees and visitors of unsafe practices which may contribute to the opportunity for a crime to occur.

These can include theft of property, alcohol or drug abuse, rape, other sexual offenses, stalking and domestic violence. By doing so, students, employees and visitors should be aware of

unsafe practices and exercise due caution in preparing themselves to avoid becoming a victim of any crime.

Jeane Clery Disclosure of Campus Security Police and Campus Crime Statistics Act

In 1990, the U.S. Congress enacted the Crime Awareness and Campus Security Act (Title II of Public Law 101-542), which amended the higher education Act of 1965 (HEA). This Act requires all post-secondary institutions participating in the Title IV student financial aid programs to disclose campus crime statistics and other security information. 1998 Amendments renamed the law: The Jeanne Clery Disclosure of Campus Security Police and Campus Crime Statistics Act.

In compliance with this act, annual statistics of criminal activity occurring on campus are available on the Life University website. The contents of the Students Right to Know information can be found in the Student Handbook.

We publish and make available the yearly Campus Security Report, which summarizes incidents on campus. The contents of the "Student Right to Know" information pamphlet are available to all students and employees, as well as prospective students from the Campus Safety Department; it is also posted on the University website.

The report lists each type incident and frequency. For incidents of concern that occur between the yearly printings of the report, we post interim information in the student publications on campus and post information flyers throughout the campus that inform the students of the incident. Crime prevention is also accomplished by greeting each new group of students during their orientation each quarter. At this time, the students are told of the importance of reporting all incidents that they are involved in. At this meeting, any current areas of concern are explained to them and information is given to them on prevention. The Campus Safety Department also highlights any topic of concern on a quarterly basis. All appropriate offenses are referred out to the local municipal police department for assistance, when needed. In all cases, the University administration is notified of the accused offenses. The procedures for institutional sanctions are defined in the Student Handbook.

The Procedures for Institutional Sanctions

The rules and procedures for all offenses and disciplinary proceedings are defined in the Life University Honor Code, Student Standards of Conduct,

Employee Policies and the Student/Employee Handbooks. It is important to note that both the victim and the accused are afforded certain rights. In cases of domestic violence and sexual offenses, Life University may make reasonable accommodations with regard to class schedules or living arrangements.

Parking

Visitor Parking / Temporary Parking Permits

All visitors to the Life University campus are required to come to the Campus Safety Department upon their arrival to campus. The Campus Safety Department is located in MOD 2 behind the Learning Resources Center. Additionally, any unregistered car on campus (one that does not have a current Life University parking decal) will need to obtain a temporary pass. Temporary parking passes must be displayed on the front dash of the vehicle at all times and must be returned.

If you have a scheduled appointment with a faculty or staff member, you can obtain a visitor's parking pass ahead of time directly from the person you are visiting. This temporary visitor's parking pass will be sent to you via email as a PDF document containing the specific date and time you will be on campus. You will need to print this pass out and display it clearly on your dashboard when you are on campus. If you have any questions, please contact the Campus Safety Department at 770.426.2681.

Life University Vehicle Registration Process

All vehicles on Life University property are required to be registered and display a parking decal or temporary permit in accordance with listed guidelines. The decals or permits can be obtained at the Campus Safety Department office located at Mod 2, Monday through Friday between 7:00 a.m. and 10:00 p.m., excluding holidays and other school closing days. Life University provides parking for vehicles that display a valid parking decal, which must be affixed as prescribed. A valid parking decal should be affixed on the lower left side of the rear window on the outside of the vehicle or on the stationary portion of the fork on motorcycles. Valid temporary decals must be displayed on the dashboard of the vehicle with identification information being clearly visible to the outside. Convertibles or cars with louvers may place the decal on the outside on the front windshield in a place not to block your vision while driving.

Note: Decals must be affixed by Friday of the first week of class for new students.

Decals are issued at the Campus Safety Department. In some cases, a special designation/marking (e.g. car pools, student council officers, student ambassadors, and medical waivers) may be issued to authorized persons. Only one special

designation/marking will be issued for each authorized person. The type of designation will be determined by the Campus Safety Department.

The following information is required:

- Valid Driver's License
- Valid Vehicle Registration
- Life University ID

Parking & Decals

Students during restricted parking hours must park only in areas designated for student parking as indicated below and must have active decals. PARKING IS RESTRICTED MONDAY THROUGH FRIDAY (EXCEPT HOLIDAYS AND SCHOOL BREAKS) 06:00AM-05:00PM. All other times the lots are open parking except for those spaces specifically reserved or blocked off. Failure to comply will result in fines. Parking Lots are designated as follows:

- Faculty and Staff must have a Staff/Faculty Running Eagle decal or hanger and must park in White Lots or the overflow parking lot.
- LIFE Village Retreat Residents must have a Red decal and must park in their assigned reserved space in the parking deck only during restricted hours.
- Commons Residents must have an Orange decal and must park in the reserved spaces in the Commons parking lot only during restricted hours.
- Students not residing in the Village Retreat or Commons must have a Green Decal and must park in the designated lots with yellow parking lines, overflow lots, or non-reserved Red or Orange parking lots.
- Patients, Faculty/Staff parking at the C-HOP parking lot must park in the designated spaces within the lot. Students are not allowed to park in the C-HOP parking areas.
- The Overflow Parking Lot is located across the street from the Human Resources Department (1085 Barclay Circle). This lot is open to students, faculty/staff and visitors.
- Red Carpool Hanger must be displayed and 2
 or more people exiting the vehicle at the time it
 is parked in a Carpool Space. Carpool passes
 can be obtained at the Campus Safety Office.
 Both people must be present at the time the
 carpool pass is issued.
- Blue Decals are designated for off site parking which is at the Harry's Farmers Market off of Roswell Road. Security and Shuttle service is

provided. This parking may also used by staff/faculty/students for overflow.

Accessible Parking

Life University honors valid disability placards and plates from all states. It is our policy to ticket and impound vehicles occupying handicap-parking spaces without displaying the proper placard or plate; the fine is \$100.00. Life University adheres to the requirements for disability parking set forth in the Georgia Code Section 40-6-222. The student must also obtain the proper color decal, which must be affixed to the vehicle in accordance with guidelines. The valid state issued decal/placard and/or plate must be registered with the Campus Safety Department. Note: The decal/placard and/or plate are issued to the person and not the vehicle; therefore, the person using the decal/placard and/or plate must be the same person to whom the decal/placard or plate was issued.

Other Parking Passes

All drivers of vehicles wishing to park on campus must have a pass issued by a department that they are visiting, or they must come to the Campus Safety Department located in Mod 2 to obtain a temporary pass for any of the following reasons.

- Driving an unregistered car on campus (Does not have a current University decal).
- Spouse, girl/boyfriend, acquaintance or patient drives a student owned car on campus, (Failure to obtain a pass may subject the car to being towed). Student Spouse passes are available for the current quarter and maybe used in student parking only.
- Visitors: The permit should be displayed on the front dash of the vehicle at all times while on Life University property.
- Injury Passes: Documentation and an Injury Pass Application are needed in order to obtain an Injury Pass from Campus Safety. The pass allows a person to park in the closest available non-reserve space available in any lot. This pass does not allow anyone to use Handicap Parking. Handicap Parking is by State issue permit only.

Loading and Unloading Zones

Any unattended vehicles in a Loading/Unloading zone will be subject to being towed unless:

- Their flashers are on.
- The Vehicle is not there for more than 10 minutes.
- Or the Vehicle is attended by someone who has access to the keys and is legal to operate the vehicle in case of emergency.

Violations

All Life University parking lots have colored signs and/or markings authorizing particular vehicles to park in their designated lot and/or space.

Please check these signs for any restrictions, which may apply before parking.

Parking & Decal Violations and Fines

Parking in an unauthorized lot, non-designated area or any decal violation shall result in a three step process: **Ticket, Ticket, Tow**, which will not have an appeal process. Fire zone violations will result in immediate tow.

Illegal Parking (first offense) – \$35 Illegal Parking (second offense) – \$50

Illegal Parking (third offense) – \$100 fine and vehicle is towed, Decal changed to Blue which restricts the vehicle AND the driver to Off Site Parking.

Parking in a Handicap Space – **State Imposed Fine** Parking in Unmarked/Unauthorized area – **\$35**, **\$50**, **\$100**

Parking in Fire Zone – \$100

No Decal - \$35, \$50, \$100

Expired Decal – \$35

Improper Decal Display – \$25

Altered/Forged/Stolen Decal – \$50, plus referral to student conduct hearing

Parking in a Reserved Space - \$35, \$50, \$100 ALONG WITH IMMEDIATE TOW FOR FIRST OFFENSE.

Carpool Parking without a Carpool Hanger or not having 2 or more people in vehicle at the time parked. - \$35, \$50, \$100

Moving Violations and Fines

All Life University Campus Safety Department employees are authorized to write and issue tickets for moving violations on University forms, but only Police Officers can write and issue citations for State of Georgia violations.

University tickets will be paid through Life University Accounting Office. State of Georgia citations will be processed through the State Court of Cobb County.

Exceeding Speed Limit on Barclay Circle – **State Imposed Fine**

In areas other than Barclay Circle – \$35
Disregarding Traffic Control Sign – \$35
Reckless Driving – State Imposed Fine
Disregarding Officer Working Traffic – \$70

Moving Barricades or traffic cones – \$70 Any State of Georgia Traffic Violation – **State Imposed Fine**

Driving on Campus:

The speed limit on Barclay Circle is 25 MPH and is strictly enforced. The speed limit on all other roads, driveways and parking lots is 10 MPH and is strictly enforced. Anyone driving on the campus of Life University is required to have a valid driver's license and proof of insurance in their possession at all times in accordance with Georgia Law.

Payments

Payment of University issued citations will be processed through Student Accounting for Students. Unpaid University tickets will result in an Accounting Hold, which will preclude a student from registering, receiving transcripts or graduating until settled with Student Accounting. Employee citations will be paid at the Finance Department or deducted from their payroll if not paid by the next pay cycle.

Once a student and/or employee's vehicle has received two tickets, the vehicle is eligible to be towed at the owner/driver's expense. Repeat violations may result in the driver and/or owner losing their driving and parking privileges on the Life University campus and property.

Vehicles are subject to be towed at owner's expense at any time an officer deems it necessary to maintain the safety or the efficient and effective traffic flow of Life University persons or property. Once the towing service is called, the owner/driver of the vehicle is responsible for any and all charges related to the towing. Life University or officers of Life University's Campus Safety Department are not responsible for damages or loss of property as a result of towing. An incident report is completed on all vehicle tows to document the reasons for tow, condition and location of vehicle.

Students – Payment of Life University issued tickets will be processed through Student Accounting. Unpaid tickets will result in an Accounting Hold, which will preclude the student from registering for classes, receiving transcripts or graduating, until settled with Student Accounting. Once a student's vehicle has received 2 tickets, a 3rd ticket may result in the vehicle being towed at the owner's/driver's expense. Once towed the student will not be able to park back on Life University Campus, they will have to park off property and then use the shuttle service or alternate transportation to get on campus.

Employees – Payment of Life University issued tickets will be processed through the Accounting office. Unpaid tickets will result in garnishment of wages via post-tax automatic deduction from bi-weekly paycheck. Once an employee has received a warning and ticket, the vehicle will be towed at the

owner's/driver's expense. Repeat violations may cause the employee to lose his/her driving privileges on the Life University campus and can affect employment.

Towing

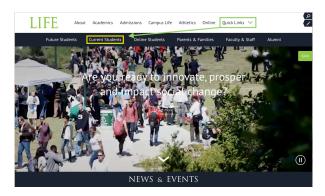

Vehicles are subject to tow at any time if the Campus Safety Officer deems it necessary to maintain the safety of the efficient traffic flow of Life University persons or property. Vehicles may also be towed on the 3rd or subsequent violation of the parking policies.

Once the wrecker service is called, the owner/driver of the vehicle is responsible for any and all charges related to the towing. Neither Life University nor the Campus Safety Department is responsible for damage to, or loss of, property as the result of towing. An incident report is completed on all vehicle tows to document the tow, condition and location of the vehicle.

Vehicles may be towed for any of the following reasons:

- Parking and decal violations
- Having 3 or more tickets.
- Parked in a reserved space.
- Blocking roads, loading docks, dumpsters or driveways
- Parking in clinic patient spaces, visitors spaces or handicap spaces
- Parking on grass or flowerbeds
- Abandoned vehicles
- When it is determined that a vehicle or property poses a safety hazard and the immediate removal of the vehicle is necessary for campus safety reasons

NOTE: It is a violation of the parking rules to leave a vehicle in a University parking lot overnight (with the exception of Village and Commons residents). Students or employees needing to leave a vehicle in a parking lot for an extended specified time frame must obtain identification pass prior to leaving the vehicle, and the pass must be displayed on the dashboard.

Quick Links

Stroll down using mouse or your arrow keys on the page and options will appear at the top. Click on "Quick Links" choose "Current Students". The Current Student panel has links to many of the online services accessed by students. The Current Student panel is reached by clicking on the "Quick Links" drop down menu at the top-center of the homepage (http://www.LIFE.edu/), you will then find it in the drop down menu of the home page.

Several of the Current Student links will be referred to in this manual, including:

Directory (Phone and email directory) http://directory.LIFE.edu/

Blackboard http://blackboard.LIFE.edu

http://blackboard.LIFE.ed

WebAdvisor

Student E-mail http://webmail.student.LIFE.edu/

IT Help Desk https://itsupport.LIFE.edu

Campus Email & Phone Directory

From www.LIFE.edu:

Currents Students > University Resources > Directory

Direct Link: http://directory.LIFE.edu

Use this page to lookup phone numbers and email addresses for employees, department phone/fax numbers and student email addresses.

Default Password for Students (BlackBoard, WebAdvisor & Email)

<u>Username</u>: Your username is everything before the '@' symbol in your email address. For example: john.doe

New Student Default Password: Is the first initial of your first name and the first initial of your last name and the last 4 digits of your Student ID) with two excludmation points. For example: John Doe's Student ID is 0001234, his password would be jd1234!! to change before logging in.

To find your email address:

- Goto http://directory.life.edu
- Enter your Last Name in the Search Student Email box
- Click on the **Search** button. (fig 1)
- This displays your Last Name, First Name and Student Email Address. (fig 2)

Remember: Your Life Student user name is the part preceding @student.life.edu

For example: If your Life Student E-mail address is <u>john.doe@student.life.edu</u>, your WebAdvisor, Student E-mail & BlackBoard user names would be "**john.doe**".

Student Directory			
Last Name	First Name	Quarter	Email
Doe	John	Spring 2012	john.doe@student.life.edu

Your email, WebAdvisor and BlackBoard passwords are the same, and changes to one will affect the others.

Note: The first time you login to any of these systems, you are required to change your password.

Life University Technology Guide for

Students: The complete IT Guide for students is available on BlackBoard in the Academic Quarterly Course.

WebAdvisor

From <u>www.LIFE.edu</u>: **Dashboard** > *Current Student* > *WebAdvisor*

Direct link:

https://webadvisor.LIFE.edu:8443/WebAdvisor/WebAdvisor

You will access WebAdvisor for many purposes, including:

- Financial Aid
- Admissions
- Registration
- Academic Planning

- Reviewing schedule
- Submitting address changes

Wireless Network

Life University maintains a wireless network that can be accessed in most of our buildings and courtyards. In order to access the network your laptop computer, PDA or phone must have an 802.11 b/g compliant adapter.

The following applies to Windows XP Home or XP Professional only.

- Turn on your wireless adapter.
- Right click on the Wireless Icon in your Windows Taskbar
- Click on View Available Wireless Networks

This will display all wireless networks in range.

- Click on the "Life University" option
- · Click on Connect

If all goes well Windows will show Acquiring Network Address and then show Connected. Close out the

Wireless Network Connection Box and open Internet Explorer, Firefox or other browser of your choice.

IT Department

Our office is located in the Administration Building in the hallway that runs between the CC-HOP (Student Clinic) and the Office of Faculty Affairs.

Submitting IT Help Desk Requests

Now it couldn't be easier to submit an IT support ticket!

From Life's homepage, click on "Dashboard" and choose "Current Students" then "IT Help Desk" box, then login with the same username and password that you use for BlackBoard and email. If you are having problems with your password or need to get in touch with someone quicker you may send an email directly to itsupport@LIFE.edu or call (678) 331-4335 to reach one of our helpful agents regarding problems with your password or need to get in touch with someone quicker you may send an email directly to itsupport@LIFE.edu or call (678) 331-4335 to reach one of our helpful agents.

INTERNATIONAL PROGRAMS(IP):

International Programs is responsive to the needs of F-1 students. The department, located within the Office of Admissions, provides counseling, advisement and service in the following areas:

- Entrance requirements and procedures
- Personal, academic and cross-cultural issues
- Adjustment to Life University, the United States and the local area
- Provides a quarterly orientation for new international students
- Advocates for all international student issues
- Address Changes
- Annual Breaks and Reduced Course Loads
- Program extensions
- Changes of status
- Reinstatements
- School transfer notification procedures
- Dependents and spouse (F-2 status)
- Issues I-20's
- · Certifications for overseas travel
- Visa Renewals
- Assists with Off-Campus Work Permission (Economic Hardship and Optional Practical Training)
- Provides advisement of USCIS regulations and issues
- Performs all other Designated School Official (DSO) duties

International Student Fulltime Enrollment Reminders

International students issued I-20's (F-1 status) are required by the Student Exchange Visitor Program (SEVP) to register for a full course load. A full course load is 12 quarter hours for undergraduates, 12 quarter hours for the Doctor of Chiropractic program, and 9 quarter hours for the Masters Program. International students must also maintain appropriate cum GPA levels 2.0 and above for UG & DCP and 3.0 and above for Master's. Taking a reduced course load without prior approval from the Coordinator of International Programs will result in a violation of status and in need of reinstatement. If USCIS does not grant your reinstatement request you will be considered "unlawfully present" and instructed to depart the United States. Please see the Coordinator of International Programs for more information.

International students issued an I-20 for initial attendance, transfer to Life University or move to a different educational level must bring the I-20 issued to them to the Coordinator of International Programs after registration to complete USCIS reporting requirements. The USCIS allows 15 days from registration to complete procedures. (New students bring your passport, I-94, and I-20.)

IMPORTANT NOTE: USCIS holds the student responsible for maintaining his or her immigration status. If you violate the law, USCIS holds you responsible, even if you are not aware of the law.

Please make an appointment with the Coordinator of International Programs, Learning Resource Center 678-331-4330 or matthew.davidson@life.edu

DRS. SID E. AND NELL K. WILLIAMS LIBRARY:

The Williams Library provides a full complement of academic library services including print monographs, periodicals, ebooks, e-journals, on-line resources and databases, print reference resources, audiovisual resources, anatomical models, X-rays, training classes, and a student computer lab serving students, faculty, staff, alumni and the greater healthcare community. The library is located in the Learning Resources Center and is open 77 hours each week:

Hours

Sunday	1:30 p.m11:45 p.m.
Monday-Thursday	7 a.m 11:45 p.m.
Friday	7 a.m. – 6:45 p.m.
Saturday	10:30 a.m 6:45 p.m.

Special hours are scheduled for term breaks and holidays.

General Procedures

University IDs are required for access to the library and to use library resources and services including checking out materials, accessing computers, printing and photocopying., and using study rooms. Group and individual study rooms are available with an ID for a maximum of three hours. Books circulate for four weeks with one renewal. Audiovisual materials circulate for two weeks with two renewals. Library materials may be renewed online using a pin number issued from the library circulation desk. Fines are imposed for failure to return items on time, and an outstanding balance of \$5.00 or more will result in a block placed on the student account preventing registration, access to transcripts, and suspension of library borrowing privileges. Library communication of courtesy notices with patrons, including fines, overdue items, and holds notices, is done through University e-mail accounts. After the third courtesy notice is sent, a block will be placed on a patron's account.

SPORTS AND WELLNESS INFORMATION (Athletics):

Our Club Sports program is open to all Life University students. The goal is to provide competitive activities for our students against other universities around the Southeast. We currently have 10 Club Sport teams competing in events in a variety of sports. The current clubs are listed with the contact person for each one.

THE STUDENT SUCCESS CENTER (SSC):

The Student Success Center (SSC), located in the Center for Chiropractic Education building (CCE), provides the following services free for all currently enrolled Life University students

Academic Support Services

SSC offers a variety of services to support students in achieving their academic goals. In addition to helping students improve their study skills and develop learning strategies to enhance academic achievement, assistance is also made available through these services:

- Tutoring
- Supplemental Instruction (SI)
- College of Chiropractic Open Learning Lab
- Undergraduate Math, Writing, and Science Lab
- Nutrition Learning Lab
- Workshops
- Online Tutoring

Supplemental Instruction

Supplemental Instruction (SI) leaders act as facilitators by helping students develop and strengthen study skills and integrate effective learning strategies that are content specific. All students are encouraged to attend as many SI sessions as possible, as it is a voluntary program. Please see SI schedule for specific times and locations. If SI services are not offered, students will be informed and referred to the appropriate learning lab(s) for assistance and/or encouraged to contact their faculty for further assistance.

Tutoring

Tutors act as facilitators by supporting their peers in strengthening study skills, such as time management, academic goal setting, and note-taking while studying specific course content. Tutoring sessions are drop-in format. Please see the Tutoring schedule for specific times and locations of the tutoring sessions. If tutoring services are not offered, students will be informed and referred to the appropriate learning labs for assistance and /or encouraged to contact their faculty for further assistance.

Online Tutoring

Students may access online tutoring through Smarthinking. The link to access this online tutoring is found on Blackboard in all courses in which the student is enrolled. Students will need to refer to Smarthkinking's schedule for subject availability and the times they are offered.

<u>Workshops</u> are designed to assist students in achieving their academic goals. The workshops focus on helping

students develop effective learning strategies, identify their learning style, and improve their study, goal setting, and time management skills through interactive processes and individual one-on-one appointments. Please refer to the workshop schedule for dates, times, and location.

*Academic support schedules are subject to change throughout the quarter. Students are directed to the **Student Success Center** (SSC) **Blackboard site** regarding the location and times for Supplemental Instruction (SI), tutoring, workshops and the various learning labs. Alternatively a copy can be collected from the SSC in the CCE Bldg.

Make-Up Testing

Make-Up Testing is available on Tuesday, Wednesday and Thursday @ 11:00a.m. during weeks 1 through 10. There is no make-up testing on week 3 Tuesday and week 4 Tuesday and Wednesday due to the OSCE testing. There is no make-up testing during finals week. All testing is conducted in room 152 in the CCE building. Make-up request forms are available outside the lobby of the SSC in the CCE building. They must be filled out and signed by a faculty member prior to the exam. No appointment is needed.

Counseling

Life University is committed to the personal growth and life satisfaction of our students. We offer a variety of services and resources for all enrolled students. Our goal in counseling is to provide an environment where students can learn valuable life and coping skills to take proactive steps in improving their overall well-being. SSC Counseling offers a variety of services which cater to the diverse needs of our students.

Individual/Couples Counseling: Life University offers individual and couples counseling through the Student Assistance Program (SAP). SAP provides 24/7 availability of an off-campus counselor via phone. In addition, students can request face-to-face visits with an off-campus therapist and will be provided with 6 free sessions. This service allows students consistent availability including nights, weekends, and/or holidays with a licensed mental health professional outside of the university. In addition, the service can be utilized by students' dependents which include spouses and/or children. You can contact SAP directly by calling (770)951-8021 or 1(800)869-0276. An SSC Counselor can also assist you in making contact with SAP.

Relaxation Techniques: For relaxation skills, students may stop by the SSC to inquire about relaxation, guided imagery, and mindfulness based exercises which are structured to serve as tools in helping them to manage daily stressors more effectively.

<u>Workshops</u>: Workshops are offered throughout the quarter which targets some of the common concerns facing students today including stress, test anxiety, and concentration difficulties. The workshops facilitated throughout the quarter offer a group educational environment as well as an interactive component to allow students to ask questions specific to their concerns while also practicing the skills so that they become a useful tool for each student to utilize in their daily lives.

To inquire or take advantage of these resources, students can call the SSC at (770) 426-2725 or stop by the office located in the CCE Building. Students will find a current calendar of events each quarter which outline the workshops offered throughout that quarter. In addition, students will find various community resources and can also speak with a counselor who will help them navigate through the process of connecting to the most valuable resource.

Crisis Intervention:

A student in crisis should contact campus security at (770) 426-2911 or 911 immediately. Cobb County also has a 24/7 crisis line at 770.422.0202. All are available 24/7.

SAP – 6 free sessions per year for currently enrolled Life University students, 24/7 phone and online resources; Call (770)426-2725 or stop by SSC for more information

Disability Services

Students with documented disabilities may request reasonable accommodations, which will afford them equal access to all educational programs and activities of the University. Requests for reasonable accommodations must be made to the Student Success Center. The University complies with all state and federal regulations regarding the provision of reasonable accommodations to educational programs and services in accordance with the Americans with Disabilities Act, Section 504 Rehab Act and the ADAA.

ADA Compliance Statement for Student Accommodations

The Student Success Center (SSC) has been designated to coordinate the University's overall compliance with the ADA, ADAA and Section 504 of the Rehabilitation Act, as they apply to students. The Student Success Center maintains the student's Self-Identification form and Plan of Action. SSC helps develop strategies for compliance, coordinates the University's accommodation processes for students and monitors implementation efforts. The SSC also handles

inquiries about compliance and investigates complaints relating to student accommodations and service requests. Additional information may be obtained by contacting Dr. Lisa Rubin, Director of Student Success Center and Compliance Officer at 770-426-2725 or linewidth:red LIFE.edu, or by contacting the Student Success Center at 770-426-2725 or ssc@ LIFE.edu.

Documentation Requirements for Accommodations

A disability is defined as a physical or mental impairment that substantially limits one or more major life activities. The disability must be clearly documented with information confirming that the student is substantially limited by the impairment and that a need exists for the accommodation.

A student will not automatically be provided with accommodations based on a diagnosis alone. Evidence must be presented that the disability is significantly interfering with the student's academic performance. Each accommodation is individualized to the particular student, as supported by the student's documentation.

All students must meet and follow all Life University rules, Student Handbook, Course Catalogs and Technical Standards, with or without approved accommodations. The University will make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate, on the basis of disability, against a qualified student with a disability.

Academic requirements that the University can demonstrate are essential to the instruction being pursued by such student or to any directly related licensing or accreditation requirement will not be regarded as discriminatory. Please check with the Student Success Center if you are declaring, adding, or changing a major or program to determine (a) whether the Student Success Center requires additional documentation or (b) whether other Technical Standards apply to the major or program. **Please review the Technical Standards or refer to the Life University Catalog** Please check with the SSC for the following: (a) If you are declaring a new major or adding or changing a program of study or (b) To determine if documentation is necessary for any updated accommodation requests. Please be aware that Technical Standards may apply to a new program or major.

All students are responsible for providing adequate documentation. Life University is not required to conduct or to pay for any evaluation to document a

disability or need for an academic adjustment. Life University does not provide any evaluations or documentation for disabilities. These documentation requirements should be taken to the student's evaluator and the evaluator is required to make recommendations for academic accommodations in each of the following categories (when applicable): written examinations, technique classes, lab classes/examinations, and clinical experience.

Documentation from an outside independent (non-Life University) licensed professional must be provided to the Student Success Center. Students are responsible for all funding to pay for appropriate professional documentation. Your state vocational rehabilitation agency through the Department of Education Web page may be able to assist:

http://www.ed.gov/parents/needs/speced/resources.html

Documentation must include the following:

1. Be provided by a qualified licensed professional with the ability to diagnose the specific disability and must abide by the Conflict of Interest Policy for Disability Services as stated: Students who request accommodations and provide documentation to the Student Success Center (SSC), must use a qualified licensed professional that is independent of Life University; therefore, the following cannot be utilized: faculty or staff member whether full-time, part-time, adjunct, extension faculty or preceptor. This is to avoid a conflict of interest to the dual role of providing services at the University.

This policy for documentation provided by the licensed professional is for the following but not limited to: 1) the student's use in helping support whether the request for accommodation under the ADA, Section 504 Rehab Act of 1973, or the ADAA should be granted, 2) the purpose of updating documentation or adding accommodation recommendations and 3) documentation for extenuating circumstances related to Disability Services. There is a formal grievance process available through the Grievance Committee (Chair, Dr. Tim Gross at tgross@ LIFE.edu).

2. If the student is 18 years or older, documentation must be current adult based (18 years or older, post high school). Individualized Education Program (IEP), Section 504 plan, and/or a prior history of accommodations are not necessarily sufficient documentation for postsecondary education, since different demands are required and the nature of a disability may have changed due to maturation. (***Note: If you are a Chiropractic student or plan to

go into the Chiropractic program, please review National Board of Chiropractic Examiners documentation requirements at www.NBCE.org ***)

- 3. Be on professional letterhead with address and telephone number.
- 4. Original signature of professional with listed degree and specialty.
- 5. Dated.
- 6. Assessment data must be included. Comprehensively and clearly define the impact of the disability on the student's functioning in daily life. Clearly define the limitations imposed and the support data verifying the impact of the condition. Single sub-tests or checklists are not acceptable as a sole source of documented data. Standard or scaled scores from all tests and sub-tests must be included in your diagnostic report.
- 7. Recommendations for accommodations must be listed with support diagnostic information. Documentation must be specific in listing written practical and exam based ***For accommodations, if appropriate. Chiropractic Students, please see National Board of Chiropractic Examiners website for further details ("Test Accommodation Guidelines")***

Process for Requests for Accommodations

The Director of the Student Success Center or her designee will review the documentation and will meet with the student and others, as needed, to determine the appropriate academic adjustment and/or auxiliary aids and services for the student. Students will be notified, in a timely manner, of all specific adjustments or services that have been agreed to and of any denial of requests adjustments or services and the reason(s) for any denial

If a student requests an accommodation that would modify or eliminate a requirement of the student's academic course/program, before a decision is made on whether the accommodation can be provided to the student, the Director of the Student Success Center or her designee will consult with one or more faculty members and/or administrators who teach and/or administer the academic course/program in question and ask how important the requirement in question is

to the academic course/program, and whether, why and how, in their professional academic judgment, (a) the requirement in question is essential to the particular academic course/program. (b) changing or waiving the requirement would either lower academic standards or require substantial course/program alteration, (c) the individual student requesting demonstrated a need accommodation has accommodation. (d) there are reasonable alternatives to the requirement that are applicable to the individual student. After conferring with the appropriate faculty administrators, the Director of the Student Success Center or her designee will consider the information provided by them and determine, consistent with the recommendations of the faculty members/administrators, whether the requested accommodation should be provided to the student making the request, and if not, whether an appropriate alternative exists that can be offered to the student. The Director of the Student Success Center or her designee will notify the student in writing of his/her determination, including the supporting bases, and that, if the student is dissatisfied with the determination, he/she may file a grievance for consideration by the Grievance Committee, by following the procedures set forth in the Disability Grievance policy.

Disability Grievance

Formal Grievance Process

Anv enrolled Life University student that is registered with Disability Services in the Student Success Center may file a formal grievance of disability-based discrimination or denial of accommodations with the Grievance Committee Chair, Dr. Tim Gross, tgross@life.edu, who is located in the College of Chiropractic Dean's Office (770-794-3092). A written grievance statement must be made in writing within (10) school days of the action giving rise to the grievance, and must be filed with the Grievance Committee Chair on the correct form (which is available from the Grievance Committee Chair or the SSC). The grievance must describe in detail the action or decision the student alleges is in conflict with his or her rights under the ADA, ADAA, or Section 504 of the Rehab Act. A student should also submit other documentation to support his or her grievance. The student will sign a release form stating that he or she understands that his or her disability grievance will be discussed by the members of the Grievance Committee in order to allow the Grievance Committee to determine how best to address the grievance. All members of the Grievance Committee will sign confidentiality agreements prior to reviewing any information.

<u>Process for Forwarding Grievance to Grievance</u> Committee

The Grievance Committee Chair will forward the completed written formal grievance forms to the Grievance Committee. The Grievance Committee will review the completed forms as soon as possible but no later than ten (10) school days after it is forwarded from the Grievance Committee Chair to the Grievance Committee Upon receiving the appropriate information, the Grievance Committee will review all written material and seek additional information pertinent to the case. Other involved parties may also be asked to document any action or decision in writing and present it to the Grievance Committee. After reviewing the material, the Grievance Committee will forward its findings and recommendations concerning the grievance to the Grievance Committee Chair. The Grievance Committee Chair will inform the student in writing of the Grievance Committee's decision as soon as possible, but no later than ten (10) school days after the Grievance Committee Chair receives the Grievance Committee's decision. An appeal of the Grievance Committee's decision can be made to the Provost for either of the following reasons:

- 1. Published process was not followed.
- 2. New information, not previously available to the Grievance Committee, which may have affected the outcome of the Grievance Committee's decision, has become available.

Any appeal of the Grievance Committee's decision must be put in writing and presented to the Provost's office within ten (10) school days of the student having been notified of the decision of the Grievance Committee. The Provost (or their designee) will inform the student in writing of the decision as soon as possible, but no later than 30 days after receiving the appeal. The Provost's (or their designee's) decision on the appeal will be final.

All forms can be obtained by contacting the Grievance Committee Chair or the SSC.

Complaint to Office of Civil Rights (OCR)

A student may file a formal complaint with the Office of Civil Rights (OCR) if the student believes he or she has been denied a reasonable accommodation in violation of the Americans with Disabilities Act, Section 504 of the Rehabilitation Act of 1973 or the ADA Amendments Acts of 2008. That office will determine whether a further investigation is warranted.

Information about how to file a complaint with the Office of Civil Rights can be obtained from:

OCR Main Line: 202-307-0690

Fax: 202-616-9865

TDD/TTY: 202-307-2027OCR E-mail: askOCR@ojp.usdoj.gov

Disability Advisory Committee

The Disability Advisory Committee's (DAC) primary goal is to assist and support the University in carrying out its policies and procedures for ensuring that students with disabilities who are seeking accommodations are treated fairly and reasonably. The DAC also reviews from students with disabilities who are seeking accommodations to ensure that they comply with the University's Technical Standards Policy.

The Director of the Student Success Center (SSC) and/or her designee will work with the DAC to apply the University policies and procedures so that the University will provide equal access for any student seeking accommodations under the Americans with Disabilities Act of 1990 (ADA), the ADA Amendments Act of 2008, and Section 504 of the Rehabilitation Act. Membership of the DAC will include, but is not limited to the following departmental representatives:

- Director of Student Success Center or Designee
- VP of Student Services or Designee
- Dean of the College of Chiropractic or Designee
- Associate Dean of COC or Designee
- Division Chairs of the College of Chiropractic or Designees (Chiropractic Sciences, Clinical Sciences, Basic Sciences)
- Clinics or Designee
- OSCE or Designee
- Dean of the College of Undergraduate and Graduate Studies or Designee
- Associate Dean of College of Graduate and Undergraduate Studies or Designee
- Sports Health Science Department or Designee
- Nutrition Department or Designee
- Psychology Department or Designee
- Financial Aid or Designee
- Human Resources or Designee
- Library or Designee
- Department of Information Technology
- Office of Enrollment Services or Designee
- Physical Plant or Designee
- Grounds or Designee
- Appropriate faculty, staff, and/or administrators as needed or their Designees'
- Off-campus professional (e.g. PhD, MD, etc.)

COLLEGE OF GRADUATE AND UNDERGRADUATE STUDIES: (CGUS)

UNDERGRADUATE ASSEMBLY POLICIES:

All undergraduate students are recommended to attend assemblies scheduled on Tuesdays, 11-1pm, during the quarter

(as your schedule of registered classes permits).

Life University is committed to delivering an education designed around a set of Core Life Proficiencies that advance personal integrity and provide the foundation for professional success, social contribution, and cultural change. These proficiencies distinguish a Life University education.

"The Core Life Proficiencies" (CLP 090) seminar is required in order to graduate and complete a degree program. The CLP seminar is offered at **no charge** (0 credit). Students are required to take and successfully complete CLP 090 before graduation.

The Eight Core LIFE Proficiencies are:

- 1. Integrity and Citizenship
- 2. Leadership and Entrepreneurship
- 3. Learning Theory/Critical Thinking
- 4. Contemporary Scientific Paradigms
- 5. Phil. of Human Existence & Health Care Policy
- 6. Communication and Relationship Theory/Skills
- 7. Belief Systems and Performance
- 8. Integrative Change

All Tuition and Fee rates are subject to change without notice.

Program	Status	Tuition/Credit
Undergraduate	Citizen or International	\$218.00*
	Online Courses (Section DE)	\$327.00
Masters	Citizen or International	\$248.00*
	Online Courses (Section DE)	\$372.00*
DC	Citizen or International	\$329.00*

All Main Campus students are assessed a \$350.00* qtrly student fee

Drop/Add Registration Fee (per Item non refundable). \$25.00

Dis-enrollment Fee...25% of unpaid tuition for current qtr. Upon withdrawal from the University the charges are pro-rated

Other Charged Courses:

Dietetic Internship (DTR 511) Annual (*Student Fee Exempt*) \$8000.00

Stu. Clin. Pract. Elect (CLIN 5700 X0): \$329.00

OP Clin. Pract. Elect (CLIN 5800 X0): \$329.00

SR Clin. Pract. Elect (CLIN 5823 X0): \$329.00

PT Clin. Practicum (PUBH 5545): \$329.00

REMINDER: A student must have at least half-time status in a program of study to qualify for most types of financial aid. Halftime enrollment status at Life University is a minimum of **6 credit hours in either the UG or DC program or 5 credit hours from MS program.** See or call Financial Aid Office if you are unsure of financial aid status.

International Student Tuition Assistance Eligibility Policies & Requirements

General Information

Life University offers tuition assistance to eligible international students in the form or a 20% reduction of quarterly tuition charges. This is provided to international students to assit them with the exchange rates and their ineligibility for U.S. federal student aid. To receive this assistance students must:

- 1. Be on a non-resident student VISA, ineligible for U.S. student aid
- 2. Have a zero student account balance
- 3. Must be enrolled full time at Life University.
- 4. Undergraduate: 12 credit hours or more of Undergraduate classes
- 5. Masters: 9 credit hours or more of Masters graduate classes
- 6. Doctor of Chiropractic: 12 credit hours or more of DC classes

Maintain the following minimum cumulative grade point average:

Undergraduate: 2.00 Masters: 3.00 DC: 2.00

Please note: If an international student applies for permanent resident status and receives a "green card" they will no longer be eligible to receive this tuition assistance. If status changes, international students must check in with the Coordinator of International Programs.

<u>Forms of Identification</u> - As required by the Federal

Government

Student is required to show the following forms of identification:

- 1. Permanent Foreign Address
- 2. Passport or (F1) Visa
- 3. Social Security Card
- 4. Driver's License
- 5. I 94
- 6. I 20

Student Emergency Loan Procedure

- 1. Life University provides emergency student loans under certain emergency situations only (not for employees taking classes).
- 2. Students may receive no more than two emergency loans per fiscal year (fall quarter through the following summer quarter).
- 3. Students may receive no more than \$500 for each emergency loan.
- 4. Approved emergency loan requests received in Student Accounting on or before noon will be processed the same day. Those received after noon will be processed the following day.
- 5. Rent payments (current or past due), utility bills, food and gas do not constitute emergencies.
- 6. Possible emergencies include:
 - Serious illness in family (cost of travel to family's home)
 - Death in the family (cost of travel to funeral)
 - Emergency medical or dental care for student or immediate family members
 - Emergency repair for student's automobile necessary for the car to function
 - Loss of home and/or belongings in fire or other natural disaster
- 7. Students must provide clear concise documentation of the occurrence and associated costs surrounding their emergencies.
- 8. Students must have a clear method of repayment and the loans must be repaid prior to transmittal of financial aid for the following quarter.
- 9. Student Accounts will distribute and receive requests for emergency loans.
- 10. Requests will be considered and approved or denied by the Director.

PAYMENT POLICY

All tuition and fees are **due** and payable upon registration but not later than the **end of the second week** of classes each quarter.

If awarded financial aid falls short of total charges for the quarter, the student is responsible to pay the difference. The financial aid eligible student may wish to contact the Financial Aid Office to determine the possibility of receiving additional financial aid.

Failure to pay all charges due on a student's account will restrict their ability to register for future quarters, receive (order/send) official transcripts and diplomas or be graduated.

If full tuition and fee payments are not made, the student will be dis-enrolled. This will result in the

student not being eligible to continue to participate in classes and/or the clinic in the dis-enrolled quarter. Also, **the student will be assessed a 25% dis-enrollment charge** based upon the remaining unpaid tuition incurred in the dis-enrolled quarter.

PAYMENT DUE INFORMATION TO ALL STUDENTS

For Spring Quarter 2016 Payment is due by April 15, 2016.

Dis-enrollment by the Registrar's office will be effective **April** 18, 2016.

If you have any questions or concerns, contact the Student Accounts office

Payment of "Commons" Rent

Payment for resident's rent at Life University's "Commons" is due and payable on the first day of each month. Failure to pay your rent for more than 5 days will result in the assessment of a \$50.00 late charge.

Acceptable Forms of Payment

Payment in full can be accomplished in one of three ways.

- 1. Confirmed financial aid (loans, grants and scholarships)*
- 2. Cash, check or money order
- 3. Credit Card

"FACTS" Tuition Management Plan (Contact Student Accounts for further information)

Returned (Bad) Check Policy

Any check returned to Life University due to insufficient funds, payment stopped, or a closed account may result in disciplinary action against the student, including possible disenrollment.

The issuer of a returned check is subject to a service charge of \$50.00

<u>For an International Student</u> "out of status" could be considered.

The issuance of a check that is returned may constitute deposit account fraud under Georgia law, which is either a misdemeanor or a felony, depending on the circumstances. Punishment for a misdemeanor conviction may include a fine ranging from \$100 to \$1,000 and imprisonment for a period not to exceed twelve months. Punishment for a felony may include a fine of \$1,000 and imprisonment for a period of one to five years.

Under Georgia law, the University also has the right to file a civil suit against the maker of a returned check for two times the amount of the check, not to exceed \$500. A second offense may subject the offender to dis-enrollment from the University.

Unpaid Balances

Any unpaid balance owed to Life University, will prevent transcripts from being released. You will also be blocked from registration. If you leave Life University with unpaid debts you will be subject to formal collection procedures which will include collection fees, attorney's fees and interest charges.

Neither Your Diploma <u>nor</u> your Transcript will be released until all financial obligations to the University have been met.

SPRING QUARTER FINANCIAL AID DISBURSEMENT PROCEDURES

Direct Deposit

Life University is pleased to provide **direct deposit** for all living expense disbursements.

To have your financial aid **deposited directly** into your U.S. checking account, visit the Student Advocay Desk or visit Student Accounts' website to enroll.

Disbursement Policy

16/SP Qtr. initial disbursements for Direct Loans, Pell and Supplemental Education Opportunity Grants will begin in the first week of classes, i.e. April 4, 2016.

Life University will release living expense refunds to students only after verifying student's attendance status and making sure no financial or academic holds are on their records.

All unpaid tuition/fees and other University debts (such as but not limited to lab fees, institutional charges, and "The Commons" housing) are deducted from students' financial aid before disbursement

Attention Undergraduate Georgia Residents

The disbursement for HOPE Scholarship and Georgia Tuition Equalization Grants (GTEG) for **Spring Quarter 2016** will occur during 1st week of the quarter, provided funds are available from the State of Georgia. Only students who have submitted all the necessary paperwork will have their disbursement available during this time frame.

Please remember that in order to qualify for GTEG you must be enrolled full-time (12 hours or more) as of **April 11, 2016 for WINTER Quarter.** In addition, to qualify for a full-time HOPE award you must be enrolled full-time as of **April 11, 2016**, otherwise, you will receive a part-time HOPE award.

Living Expense Refund

Direct Deposits will be made when all proceeds have been received and all eligibility requirements for Financial Aid programs have been met, and in accordance with Federal Regulations related to Title IV funds which are:

*No later than 14 days after the first day of class if Federal funds are credited on or before the first day of class. - **Or** -

*No later than 14 days after the credit balance occurred if the funds were credited after classes began.

You will receive your living expense refund on or after April 8, 2016:

- If you are making Satisfactory Academic Progress (as defined by the Financial Aid office), and
- Your aid proceeds have been disbursed to Life University.

However, if you receive a living expense refund on **April 4**, **2016** and then drop hours the week of **April 4**, **2016**, you may be over-awarded on your Federal Stafford loans. Federal Regulations require that the Office of Financial Aid notify the Office of Accounting to send back the amount of your aid, if any, you are not eligible to receive, due to the drop in hours. (See Disbursement Policy above)

Your refund may be delayed if:

You filed your Financial Aid forms late, or they are incomplete;

BUDGET WISELY:

Pay ahead on rent, auto insurance, and save money for Boards!

Photo ID Must Be Presented!

Before any check is released, photo identification must be presented. This identification can be either a driver's license or Life University student ID.

<u>Note:</u> Georgia Grants are not available until at least 4 weeks after the end of Registration. Beginning Week 2 of the quarter, direct deposits are processed on Tuesday & Thursday.

Withdrawal from Life University

To withdraw from the University, you must initiate the action sequentially as follows:

- **1.** Obtain "Withdrawal / Hiatus Form" from Registrar's Office.
- 2. Complete, sign and date the form.
- **3.** Take the form to Accounting for signature.
- **4.** Take the form to Financial Aid for signature.
- **5.** Take the signed form back to the Registrar Office. If the "WITHDRAWAL AND HIATUS FORM" is not properly completed and signed by the Registrar's Office, a refund, if applicable, can not be processed.

- **6.** Be aware that all loan agencies, veterans' or other appropriate agencies will be notified of your change of status
- 7. The Accounting Office will receive a copy of your approved withdrawal form and a credit to your account will be made on a pro-rated basis. If you have made full or partial payment on your tuition/fees by check, cash, or credit card and you desire a refund, you must notify the Accounting Office and furnish a mailing address, if necessary.
- **8.** If you have not attended class and withdraw from school, some financial aid received for that quarter may be an over-award. Life University will take steps to collect the over-award from you in the case of campus-based aid. For other educational loans, the lender will be promptly notified.

The procedure to appeal for a higher percentage of credit when a student withdraws from school is to act promptly in writing, by submitting an appeal to the academic dean of the appropriate school. Reasons for submitting request are undue hardship resulting from death of an immediate relative of the student, injury or illness of the student, or other special circumstances.

Withdrawal from all Classes: Refunds and Return of Financial Aid

For students who have followed the withdrawal procedures outlined in the preceding section, the date the student notified the University of their "intent to withdraw" will be the official date of withdrawal.

If a student fails to notify Life University, that they have stopped attending classes, then Life University will determine the student's withdrawal date by checking available attendance records. In the event that the last day of attendance cannot be determined, the mid-point of the quarter will be used.

In accordance with the Higher Education Amendments of 1998, Life University will provide a refund that matches the federal return of Title IV funds, if the student has withdrawn on or before the 60% point of the quarter.

Students receiving federal Title IV financial assistance will be subject to a "Return of Title IV Funds" calculation. This calculation determines the percentage of the quarter completed, the percentage of federal financial aid earned, and the amount of federal financial aid that must be returned by the University and by the student. Depending upon the types and amounts of

financial aid received and the date of withdrawal, the student may be required to repay some of the financial aid previously received. If the official withdrawal date is after the "60%" point of the quarter, no return of Title IV funds will be required. Samples of "Return of Title IV Funds" calculations are available upon request from either the offices of Financial Aid or Student Accounting.

For students enrolled in the full quarter - 11-week classes the after 60% point of quarter is the 46th day (Thursday of the 7th week);

For students enrolled in the 5 week accelerated classes the after 60% point of quarter is the 23rd day (Tuesday of the 4th week - 1st 5 weeks & Thursday of the 9th week- 2nd 5 weeks);

For any MS students enrolled in the summer quarter - 5 week classes the after 60% point of quarter is the 23rd day (Thursday of the 4th week).

Students who earn a grade (other than "W, WF, or WNP") in at least one course in a quarter will not be considered withdrawn but remaining courses will be dropped.

Life University will refund the appropriate amounts according to the specific order of priority as prescribed in the law and regulation.

Refund Withdrawal Priority

Refunds will be made to the source for any student who receives any form of financial aid and totally withdraws, in descending order, and in proportion to the amount paid toward tuition as described below:

- 1.
- 2. DIRECT UNSUB
- 3. DIRECT/SUB
- 4. PERKINS LOANS
- 5. PLUS (Graduate Student)
- 6. PLUS (Parent)
- 7. PELL
- 8. SEOG
- 9. OTHER FEDERAL AID
- 10. HOPE SCHOLARSHIP
- 11. GA TUITION EQUALIZATION GRANT
- 12. OTHER FINANCIAL AID
- 13. STUDENT

Tuition Refund Schedule- For Dropped Classes

Refunds will be granted to students who follow the required procedures for dropping from courses according to the following schedule; minus the associated drop fees (*).

FINANCIAL AID AWARDING POLICY

A student must have at least half-time status in a program of study to apply for financial aid. You cannot combine credits from more than one program to meet the half-time status. If your registration changes from when you were awarded you must contact the Financial Aid Office. See or call the Financial Aid Office if you are unsure of your financial aid status.

Undergraduate students will be awarded based on 15 hours per quarter

Graduate students will be awarded based on 12 hours per quarter

Doctor of Chiropractic Program students will be awarded based on 25 hours per quarter

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

In order to receive approval for any form of Title IV financial assistance, reasonable academic progress must be made toward graduation. To demonstrate progress, a student must comply with the following requirements:

The United States Department of Education and most agencies providing financial assistance require students to maintain satisfactory academic progress (SAP) in their course of study to continue receiving funding. Failure to maintain SAP will result in the loss of Federal Title IV financial aid as well as State and other aid. Federal Title IV financial aid includes Pell Grant, Supplemental Education Opportunity Grant (SEOG), Direct Subsidized Loan, Direct Unsubsidized Loan, Parent PLUS Loan for Undergraduate Students (PLUS), Graduate PLUS loan, and Federal work-study. State aid includes Georgia Tuition Equalization Grant (GTEG), HOPE Scholarship and Leveraging Educational Assistance Partnership Grant (LEAP). The student's entire academic history is evaluated to determine whether or not he/she is maintaining SAP. This evaluation is not affected by whether or not aid was previously received or whether a student has changed programs. The Federal Student Aid program regulations make no provision for the concept of academic amnesty or grade forgiveness.

Doctor of Chiropractic and Undergraduate Program

Doctor of Chiropractic (DC) and Undergraduate (UG) students will be evaluated annually at the end of each spring quarter. Students in the Doctor of Chiropractic and Undergraduate programs are expected to complete at least 67% of all attempted hours with a minimum cumulative grade point average of 2.0. When students are evaluated and are not meeting SAP requirements they will become ineligible for Federal financial aid. Students may regain federal eligibility by enrolling using their own resources or alternative funding sources until they have met a cumulative 2.0 GPA and completed 67% of their courses.

Master's Program

The Master's students (GR) will be evaluated at the end of each quarter. Students in the Graduate (GR) program are expected to complete at least 67% of all attempted hours with a minimum cumulative grade point average of 3.0. Graduate students will be evaluated after their first (and subsequent) quarter in the program because of the short duration of the master's program. Students not meeting SAP will be placed on financial aid warning for one quarter. If at the end of their warning quarter the students are not meeting SAP they will become ineligible. Students may regain federal eligibility by enrolling using their own resources or alternative funding sources until they have met a cumulative 3.0 GPA and completed 67% of their courses.

SAP is measured in three ways:

1. Qualitative Standard (grade point average - GPA):

The cumulative GPA provided by the Registrar's Office, it is listed at the bottom of the student's transcript. DC and UG students must maintain a cumulative GPA of **2.00** or higher. GR students must maintain a cumulative GPA of **3.00** or higher.

2. Quantitative Standard:

All students (UG, GR, DC) are expected to complete at least 67% of all courses attempted.

<u>Attempted</u> courses are defined as those for which one has registered and been charged in which grades of A, B, C, D, F, W, WF, I, P, SP, NP, WNP or IP are given.

<u>Completed</u> courses are defined as those in which grades of A, B, C, D (in some UG courses only) SP, or P are given.

Example of meeting the SAP requirements:

At the end of spring quarter 2015, Kevin Smith, an UG student, has attempted 45 credit hours.

He has earned grades of "C" in all 45 hours. He has met the qualitative standard because his cumulative GPA is 2.00.

He has successfully completed all of the courses he attempted. He has met the quantitative standard because his completion rate is 100%.

Example of not meeting the SAP requirements:

At the end of spring quarter 2015, Susan Moore, a DC student, has attempted 95 credit hours and completed 70 of those 95 credits.

Her cumulative GPA is a 1.90, she did not meet the qualitative standard since her GPA is below a 2.00.

She met the quantitative standard because her completion rate is 73%.

3. Time Frame

All students (UG, GR, and DC) are expected to finish their degrees after having attempted coursework not to exceed 150% of their program requirements (measured in credit hours attempted).

UG: Students seeking an associate degree may not receive financial aid after having attempted 147 credit hours. Students seeking a bachelor's degree may not receive financial aid after having attempted 282 credit hours.

GR: Students seeking a master's degree may not receive financial aid after having attempted 78 credit hours.

DC: Students seeking a doctor of chiropractic degree may not receive financial aid after having attempted 525 credit hours.

Warnings:

It is an academic policy of the University that DC students have a maximum of eight calendar years to complete their programs. Please be advised that, should DC students average less than 12 earned hours per quarter, they will be unable to complete the program in 8 calendar years.

Full time DC students are eligible to borrow no more than \$224,000 in Federal Direct Loans. Please be advised that, should DC students average less than 19 earned hours per quarter while receiving the maximum Federal Direct loans for all quarters, they will exhaust their Federal Direct Loan eligibility prior to completion of the program.

4. Repeating Courses

Students who receive an "F", "W", "WF", "WNP", "NP" or an "SP" for any given course(s) that is required toward graduation, must repeat this / these course(s).

The College of Chiropractic requires that this / these course(s) be repeated the student's next quarter of attendance in which it is offered.

Students in the Undergraduate Program (and College of Chiropractic prior winter 2006) who repeat courses will have their grade from their "last attempt" calculated toward their cumulative GPA.

A prior grade is not removed from the permanent record when the course is repeated, but the prior grade is removed from the calculated cumulative average. Specifically, a grade of "F", "W", "WF", "WNP", or "NP" is not removed from the permanent record when the course is repeated, but the previous "F" and "WF" will be removed from the cumulative average calculation. (This applies only those students as described above, but not to any new College of Chiropractic nor to any College of Graduate Studies and Research Program students).

All College of Chiropractic and Graduate Program students whom repeat courses will have their all grades attempted calculated toward their cumulative GPA.

Appeals

If there are extenuating circumstances beyond their control, students have the right to appeal their SAP determination. The appeal must be directly relatable to the academic period for which the student is being evaluated and cannot have been previously submitted for review. Appeals must be submitted in writing using the SAP appeal form obtained by speaking with the Financial Aid Counselor and MUST include supporting third party documentation. Appeals without supporting documentation will not be accepted. Students are required to submit a statement regarding why the student failed to make SAP, and what has changed in the student's situation that would allow the student to demonstrate satisfactory academic progress at the next evaluation.

Submitting an appeal does not guarantee approval and if the appeal is denied students will be responsible for paying the Institution any balance owed without Federal funds. The Financial Aid Appeals Committee (FAAC) will consider each appeal on its own merits and the decision of the FAAC committee is final.

During the FAAC review it will be determined if the student can or cannot meet SAP after the next quarter of enrollment. This will be done by looking at the student's current transcript of completed classes and GPA for all guarters attended at Life University in the appropriate program. Any student who has their SAP decision successfully appealed and cannot meet SAP after the next quarter of enrollment will receive an Academic plan and be placed on Financial Aid probation. The Academic plan will be individualized and specific to each student in order to put the student on track to successful academic progress in no more than 4 quarters. If at any time during an Academic Plan students do not meet the terms of their plan they will lose their federal aid and will not be eligible to appeal. If, when presented with the Academic plan, the student chooses not to accept it, the student will need to pay using other resources until meeting the minimum requirements for SAP.

Students who choose not to appeal or have their appeal denied may regain their eligibility for financial aid by enrolling using their own resources or alternative non-federal funding and bringing their academic performance into compliance with this policy.

Students who separate from the Institution without appealing when not meeting SAP, lose their right to appeal the decision. If students return to the Institution and are not meeting SAP upon return they will be responsible for using their own resources or using Private loans. Once the students are meeting SAP, they must self-identify to the Financial Aid Office and request to be reevaluated for Federal aid.

<u>Financial Aid Probation</u>: A status assigned to a student who has successfully appealed and has had eligibility for aid reinstated. Probation can only be granted if the school determines the student should be able to meet the school's SAP standards by the end of the subsequent quarter. A student on financial aid probation may receive Title IV funds for one quarter.

<u>Financial Aid Warning (GR only)</u>: Is a status assigned to a student who fails to make satisfactory academic progress and has their academic progress evaluated at the end of each payment period, and chooses to allow students who fail its progress standards to continue to receive aid. (At LIFE this status only applies to graduate students, i.e. masters'.)

Obtaining a Second Degree at LIFE: For SAP purposes, students who have earned one degree at LIFE and wish to work toward a second degree will start over again, just as if they were new students.

<u>Transfer Courses</u>: For SAP purposes, transfer courses accepted as credit toward the Life University degree will be

counted in the quantitative standard, but not the qualitative standard.

SCHOLARSHIPS

Information Is Available on the Financial Aid website. www. LIFE.edu/financialaid

GRANTS, LOANS, AND WORK-STUDY:

These funds are available to assist Life University students with their educational expenses. To apply for this assistance a student must annually submit:

Free Application for Federal Student Aid Form (FAFSA).

If verification is requested on the SAR then you may be required to submit additional documentation. You will be notified by email what information is required.

Undergraduate Status: If a student has earned a 4 year degree, there is no eligibility for the Federal Pell Grant or the Federal Supplemental Educational Opportunity Grant. Any student, who is in the Undergraduate program regardless of any previous degrees earned, may still qualify for other types of financial aid.

Graduate Status: Any student in the Graduate program or any student in the Doctor of Chiropractic with at least 135 quarter hours and/or 4 year degree may qualify for loans, scholarships and/or work study.

The following is a brief description of the various Financial Aid programs: (further details should be obtained from the Office of Financial Aid).

Grants available include (for first degree undergraduate students only)

<u>Federal Pell Grant</u> is awarded only to the neediest students, using Congressional system of need analysis.

Federal Supplemental Educational Opportunity

Grant: (SEOG) Priority is given to Pell Grant recipients. These grants are awarded by the college, from funds given annually by the Federal government. Funds are limited and are awarded to the earliest, highest need applicants.

H.O.P.E. Scholarship: Georgia residents in a UG program must have graduated high school with a B average or have maintained a B average in college. Additional eligibility requirements apply. (See Financial Aid Office)

Georgia Tuition Equalization Grant: (GTEG) Georgia residents in UG program at a Private Institution and full-time status.

Zell Miller Scholarship

Georgia residents in a UG program must have graduated high school with a 3.70 or higher GPA and received a minimum score of 1200 combind critical reading and math on the SAT or scored a 26 on the ACT, or graduated high school being named the Valedictorian or Salutatorian.

LOANS AVAILABLE INCLUDE

William D Ford Federal Direct Loan program

Provides loans to student and parent borrowers directly through the U.S. Department of Education rather than through a bank or other lender

Federal Direct Subsidized loan Only UG students

These loans are non-need based loans and provide additional funding to students. Borrower is responsible for interest while in school. 4.29% fixed interest rate (Undergraduate). Origination fees for Direct Subsidized loans are 1.068 as of October 1, 2015.

Federal Unsubsidized Direct Loan

These loans are non-need based loans and provide additional funding to students. Borrower is responsible for interest while in school. 4.29% fixed interest rate (Undergraduate) and 5.84% fixed interest rate (Graduate and Professional). Origination fees for Direct Unsubsidized loans are 1.068 as of October 1, 2015.

REPAYMENT TERMS:

Repayment generally begins 6 months after graduation or after dropping below half-time status. The minimum monthly payment is \$50 per month. However, the standard loan repayment term is 10 years; therefore, your monthly payment may be higher. The repayment term can be longer depending on the repayment type chosen. Both principal and interest payments will be deferred while you are in school at least half-time. You do have the option to pay your interest while in school. This option will reduce your overall debt by eliminating the accrued interest.

Federal Direct Loans

Annual Subsidized Loans Limits

for Dependent Students

\$5,500 - first year students \$6,500 - second year students \$7,500 - other undergraduates

for Independent Students

\$9,500 - first year students \$10,500 - second year students \$12,500 - other undergraduates

\$20,500 - graduate or part time professional (DC)

\$33,000 - Full time professional (DC)

Aggregate Loan Limits

\$31,000 - undergraduates (dependent) \$57,500 - undergraduates (independent)

\$138,500 - graduate or part-time professional (DC)

\$224,000 – full-time professional (DC)

Federal Direct Parent Loan for Undergraduate Students (PLUS) These loans are available to parents of undergraduate students.

The maximum amount on this program is the cost of education minus estimated financial aid. Borrowers (parents or guardians) must meet established credit criteria. There is an origination fee of 4.272% and will be deducted proportionately from the loan proceeds. The interest is fixed for new loans disbursed on or after July 1, 2015. The fixed interest is 6.84%.

Repayment Terms

Repayment of principal and interest begins within 60 days after the loan is fully disbursed. Parents have the option to request a deferment on payments based on the student's enrollment status of at least half-time. Interest charges begin when the check is produced. The interest is fixed for new loans disbursed on or after July 1, 2015. The fixed interest is 7.21%.

Federal Direct Graduate PLUS loan (Grad PLUS) – Graduate/Professional Students will be allowed to borrow additional federal funds that do not affect the aggregate limit (\$224,000 DC). Students are not allowed to borrow over their Cost of Attendance (COA) or student budget.

The maximum amount on this program is the cost of education minus estimated financial aid. Borrowers must meet established credit criteria. Students must have applied for their annual loan maximum eligibility under the Federal Subsidized and Unsubsidized Direct Loan Program before applying for a Graduate/Professional PLUS loan. There is an origination fee of 4.272% as of October 1, 2015 and will be deducted proportionately from the loan proceeds. The interest is fixed for new loans disbursed on or after July 1, 2015. The fixed interest is 6.84%.

Repayment Terms

Repayment of principal and interest begins within 60 days after the loan is fully disbursed. (Interest charges begin when the check is produced). Students maintaining 6 or more credit hours will qualify for an "in-school" deferment.

Georgia Student Access Loan (SAL)

The Georgia Student Access Loan (SAL) is a limited resource loan program that is designed to assist undergraduate students who have a gap in meeting their educational costs. The program is also designed to provide interest rate and repayment incentives to those who complete their program of study within the designed program length, work in select public service sectors or STEM fields.

In order to receive the Student Access Loan, students must:

Be considered Georgia residents and United States citizens or eligible non-citizens. Complete a valid Free Application for Federal Student Aid (FAFSA) in order to apply for this program. Maintain Satisfactory Academic Progress (SAP) in accordance with the SAP policy at your college or university. Have first applied for and exhausted all other student financial aid programs including federal and state student loans, scholarship, and grant programs. Be randomly selected to participate in the program (Note: Selection does not guarantee approval and applicants may or may not be selected each application year). Meet all eligibility requirements.

Private/Alternative Loans

Private educational loans may be an important funding source for students who need more loan funds than the federal programs can provide. Terms of private loans vary significantly. These loans can be more expensive than federal loans because the federal government does not guarantee them. They require a credit check and/or debt-to-income ratio on the borrower and/or co-borrower. A co-borrower may be required; lower interest rates may be available to students who choose to have a co-borrower. Each time a student wishes to borrow a private loan, a new loan application is required by the lender.

Before a dependent, undergraduate student borrows a private loan, parents should consider applying for a PLUS loan. Payments on a PLUS loan, like some private loans, may be deferred until a student graduates. Some restrictions could apply. Please check with your lender for specific details.

Private Educational Loan Application Process:

You must initiate the loan application process by selecting a private student loan lender of your choice. You may choose to use any of the private loan lenders listed below. Apply online at the lender's website, or contact the lender by phone. It is a good idea to apply early as processing may take several weeks. However, keep in mind that credit approvals are only good for 90 to 150 days.

Once the borrower and/or co-borrower's credit is approved, Life University will receive a request from the lender to certify the loan. We will certify the loan for the lesser of the amount you

request on your application or the maximum amount allowed by your financial aid budget (total cost minus other financial aid).

Funds received at Life University will be applied first to your student account, and in the event of a credit balance, refunded to you by Student Accounts.

Life University Private Loan Lenders

In an effort to assist students and families in choosing a lender, the Office of Financial Aid has compiled a list of institutions we consider to offer competitive products, solid customer service, electronic payment of loan funds and a variety of savings programs during loan repayment. Reasons for selecting a particular lender will vary from person to person, so this list should only be used as a guide or starting point for analysis. Some choose a lender based on name recognition, immediate benefit of lower origination fees, or the long-term advantage of repayment savings programs, like an interest rate reduction as a reward for making payments on time.

Please note that you are not required to use any of these lenders – the choice of lender is yours.

The Office of Financial Aid will process your loan with any lender you choose. Further, the list of lenders is not in any order of preference. Choose your lender carefully with the intent that you will remain with that lender throughout your studies at Life University.

These loans from Private lenders are for graduate and undergraduate students who qualify based on credit. A co-borrower is required if you are a freshman, a foreign student, have no credit history or have a low credit score. Interest rates and fees are variable. Students apply directly to a lender of their choosing once approved the lender will contact the school for processing.

Emergency Loans

Offered to provide short term assistance to students in crisis situations. Documentation is required. Contact the Office of Student Accounts.

Federal Work Study

Students may be eligible for part-time, on-campus and off-campus (community service) employment. Students can work up to 20 hours per week. Limited funding is available. Submission of the FAFSA by the priority deadline is required to be reviewed for eligibility.

Financial Aid Budget Increase Policy

In compliance with federal guidelines, the Office of Financial Aid has determined a cost of attendance that includes tuition, fees, books and supplies, living expenses, personal expenses, loan fees and transportation. While you may submit a budget adjustment request to increase your cost of attendance beyond standard allowances, the decision to approve or deny the adjustment is guided by professional judgment and federal guidelines.

Budget adjustments are for special and unusual expenses that differentiate the student from other students. Submitting a request does not automatically ensure that your budget will be increased. Each submission is reviewed on a case-by-case basis. The Office of Financial Aid reserves the right to deny any and all budget increases. A denial of some or all future types of budget adjustment requests may be made on a blanket basis based upon a student's individual circumstances.

This policy is for the purpose of documenting unusual, nondiscretionary expenses that are directly related to your education. The institution will take into account whether these expenses are special circumstances that differentiate you from the other students enrolled in the program. If approved, a revision to your budget will not result in additional gift assistance but will increase your eligibility for loans. An increase to your established student budget means you will be borrowing additional funds to cover the approved expenses. The loans borrowed would be in the form of additional Grad PLUS or private educational loans above the standard cost of attendance taking into account the special circumstances minus other estimated financial assistance. These are credit based loans and must be approved by the Department of Education or a private lender before Life University can process your request.

There are two types of budget adjustment requests:

Exceptional Circumstance Costs of at least \$600.00. [reviewed by committee made up of Financial Aid Director and 2 counselors, not the requestor's counselor]

Emergency health care costs (medical, dental, psychological)

Emergency automobile repair costs

Psychological testing and disability accommodations

Other costs not included in the standard cost of attendance of at least \$600.00 except in the case of board costs, which may be less than \$600.00 [reviewed by Financial Aid Director]

- Dependent care costs
- Board examination costs
- One-time cost to purchase a computer

Required for all budget adjustment requests:

- A narrative statement regarding the reason for the request.
- Receipts and documentation showing a paid expense incurred with the students' name
- Copies of last 3 months' bank statements
- Detailed monthly budget
- Budget Adjustment Request Form
- Attendance at a one-hour debt counseling webinar.
- If you have private educational loans, statement(s) from your lender showing current balance(s)

Additional documentation required:

1. Dependent care costs:

Signed letter on dependent care center letterhead indicating dependent's name(s), the parent's name and receipt showing the amount paid per month per child

For a private provider, copies of most recent 3 months' paid receipts from provider or 3 cancelled checks made out to provider. Letter from provider listing the name(s) of the dependents and that they are enrolled. Letter must be signed with the provider's name and telephone number and it must be notarized.

2. Board costs:

Copy of National Board receipt, certified check or money order made out to NBCE. Amounts allowed are equal to the actual costs of each part. Retakes are not allowed.

3. Emergency auto repair costs:

Emergency Auto repairs allowed on one student vehicle only, the vehicle must be in the student's name. Requests for routine or standard maintenance in order for the car to continue to run in working condition are not accepted. A statement or bill detailing the work performed the costs of the repairs and the amount paid. The statement/bill must have the student's name as the customer; spouse's names are not acceptable. If the repair is the result of an accident, then the student must submit information on how much of the costs will be covered by insurance. Receipts showing cash payment will not be accepted unless the receipt has been signed by the company performing the work and is notarized.

4. Health Care Costs:

Emergency out of pocket expenses for medical, dental, vision and prescriptions costs not covered by insurance.

This category is not meant to supplement a student who does not carry insurance or a health condition that is on-going. Normal pregnancy, birth control and related expenses are not covered under this policy. Cosmetic, diagnostic and elective procedures are not covered under this policy. Contacts and glasses are not covered under this policy. Routine medical/dental visits are not included

Medical/dental receipt(s) detailing emergency procedure with the amount the student paid and the date the service was received. Receipts showing cash payment will not be accepted unless the receipt has been signed by the Doctor or Hospital and is notarized.

5. Psychological Testing/Disability Accommodations:

Cost of special services, personal assistance, transportation, equipment and supplies whose need is documented by a disability professional that are not provided by other agencies. Written documentation of disability and/or need for equipment, assistance, testing or supplies provided by disability professional.

6. Computer Purchase

A one time purchase of a computer is allowed while attending Life University. The University has developed a standard reasonable cost for such purchase. Related items such as IPODs, computer software and warranties are not covered. A receipt including the student's name, the items purchased, date of expense and the amount paid.

Requests can be submitted week 2 of each quarter through the end of week 10. Requests submitted before week 2 or after week 10 will not be accepted.

SUSPENSION OF FEDERAL/STATE AID ELIGIBILITY FOR DRUG RELATED OFFENSES

A student who has been convicted of any offense under Federal or State law involving the possession or sale of a controlled substance is ineligible to receive any grant, loan, or work assistance during the period beginning on the date of such conviction and ending after the interval specified in the following table:

Possession of illegal drugs/Sale of illegal Drugs

1st Offense	1 year from date of	2 years from
	conviction	date of
		conviction
2 nd Offense	2 years from date of	Indefinite
	conviction	period
3 rd Offense	Indefinite period	Indefinite
		Period

Convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving Title IV aid. They do not count if the offense was not during such a period. A conviction that was reversed, set aside, or removed from the student's record does not count, nor does one received when he/she was a juvenile, unless he/she was tried as an adult

A student whose eligibility has been suspended can resume eligibility if at least one of the following has been met:

The student satisfactorily completes a drug rehabilitation program. The student successfully passes two unannounced drug tests conducted by a drug rehabilitation program. The conviction is reversed, set aside, or removed from a student's record

For additional information regarding this policy, students may reference the Federal Student Handbook (2008-2009) Volume 1, 1-12 at www.ifap.ed.gov or contact The Office of Financial Aid

REGISTRAR'S OFFICE POLICIES AND PROCEDURES

ACADEMIC RECORDS CHANGE

Student records maintained by the Office of the Registrar are official documents with permanent State, Federal, SACS and CCE legal significance. They are subject to review or audit at any time by an authorized agency or individual. Records may be changed or amended only under specific circumstances. No grades will be changed after the period for changing grades has passed.

Failed courses can not be removed from a transcript unless there is a successful repeat. When a course is repeated successfully, the failed grade is not factored into the student's GPA, except for the Master's program (all grades are factored for MS).

However, to reflect an accurate record of the student's academic history, all courses that the student has attempted in each program of study will remain on the transcript.

If you have a name change or social security number change, please come to the Student Advocacy Center with documentation to support the change. Students who have questions regarding their records may to bring them to the attention of the Registrar.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Under the Family Educational Rights and Privacy Act (FERPA), the student has the right:

- To inspect and review education records pertaining to the student.
- To request an amendment to the student's record.
- To request a hearing (if the request for an amendment is denied) to challenge the contents of the education records, on the grounds that the records are inaccurate, misleading, or violate the rights of the student.
- To file a complaint if the student feels the institution has failed to comply with FERPA.

Life University's Policy (under FERPA) gives the student the right:

To inspect his/her records. All requests for inspection must be submitted in writing. The University has up to 45 days to respond. (Every effort will be made to fill the request in a timely manner.)

- a. All students must give written permission for a third party to obtain any information from their files. The person(s) and/or organization's name, date and purpose of the file review will remain logged in the student's file. Also, the person and department who authorized the review will be noted.
- b. If a student is dependent, the parent may review the student's file without written permission. Check with the specific department for age requirements determining dependent status. Neither parents nor spouses of our students can obtain *Grade or Registration* information without the written consent of the student, on file in the Registrar's Office.

To amend a record he/she believes is inaccurate. The student must write the University official responsible for the record, identify that part of the record he/she wants changed, and specify why it is inaccurate. The University will notify the student of the decision within 45 days and advise the student of the right to a hearing if the record was not amended to the student's request.

To request a hearing. The student will be notified within 45 days of the request with the time, place and procedure of the hearing. The department which has authority for the change request will provide the committee and the procedures for the hearing.

To file a complaint. The student has a right to file a complaint if he/she feels the institution failed to comply with FERPA. To file a complaint contact: The Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave., SW, Washington, DC 20202-8520

Directory information is defined as

Information not generally considered harmful or an invasion of privacy if disclosed. It includes, but is not limited to:

name, address, telephone number weight and height of athletes date and place of birth dates of attendance field of study degrees and awards most recent previous school attended participation in officially recognized activities and sports

Students who wish to be omitted from the directory or any other student publication must inform the Student Advocacy Center in writing. The option may be changed once a year only.

GRADE AVAILABILITY - WebAdvisor only

End-of-Quarter Official Grade Reports are available the Wednesday after classes end (12th week) each quarter. Grades and cumulative GPAs will be available by WebAdvisor for Winter 2016 beginning March 28, 2016 and Spring Quarter 2016 beginning June 20, 2016 (For more information see IT section for accessing WebAdvisor - page 3). Follow the procedure outlined on page 3 to obtain information and grades by WebAdvisor:

Grade Change Policy

Any grade or attendance dispute must be resolved no later than the last class of the quarter. Although the three-day period before each new quarter begins is considered time for faculty professional development, Faculty should be available to listen to student appeals for grade changes. Students have until the second day of the first week of classes in the immediately following quarter to initiate a grade change appeal. If the change is granted, instructors should submit a completed grade change form to the Registrar before the end of the first week of classes of the immediately following quarter. After this date, no changes will be processed without approval of the dean of the appropriate college.

GRADUATION INFORMATION:

The upcoming DCP graduation ceremony is Thursday, March 24, 2016 at 2:30pm (for Winter 2016) and Friday, June 17, 2016 (for Spring 2016) at 1:30pm.

The upcoming UG and MS graduation ceremony is **Friday**, **June 17, 2016**, at 10:00am.

Commencement Ceremony Participation Requirements

Students earn the right and the privilege to participate in commencement ceremonies. In addition to the tremendous hard work and the enormous effort of earning your degree, the following requirements must also be met.

All prospective graduates must:

- File a petition to graduate with the Registrar's office
- Complete the mandatory record review (the current review must have been within the last six months)
- Be academically complete or registered for all remaining academic degree requirements with a minimum satisfactory cumulative
- GPA (For DCP students this includes Clinic Practicum)
- DCP and UG degrees require a minimum 2.0 cumulative GPA
- BSD (Bachelor in Dietetics) requires a minimum 2.5 cumulative GPA
- MS requires a minimum 3.0 cumulative GPA
- Complete exit interviews with the offices of:
- Career Placement (through Student Services and is required for all UG degrees)
- Exit Exam (required for business degrees only)
- Financial Aid
- Student Accounts Perkins Exit

GRADUATION PARTICIPATION POLICIES:

DCP students may participate in the graduation ceremonies if you have already completed or are **scheduled to complete** your requirements in the quarter in which they are graduating. (*Ceremonies are to be held four times a year*)

Undergraduate students may participate in the graduation ceremonies if you have already completed or are scheduled to complete your requirements in the quarter in which they are graduating. (Ceremonies are to be held twice a year, June & December only)

Graduate students must meet the eligibility requirements as set by the Graduate faculty. A graduate student will be eligible to participate in the graduation ceremony during the quarter in which he/she is registered and takes the comprehensive exam, or completes the thesis defense.

(Ceremonies are to be held twice a year, June & December only)

The University reserves the right to alter the minimum requirements to participate in the graduation ceremonies.

A student's inclusion in a "graduation program" and/or participation in a commencement ceremony does **not** mean a degree has been conferred. A student will not be considered a graduate until all requirements and obligations to Life University have been met.

Graduate Record Review (for prospective graduates)

- DCP 12th Quarter and Above Students
- Senior Undergraduate Students (having completed 155 hrs.+ in your designated degree program)
- Second Year Graduate Students (upon recommendation of your advisor & eligible or planning to take the Comprehensive Exam within the graduating qtr.)

Mandatory Graduate Record Review appointments for June 2016 and September 2016 and December 2016 prospective graduates will start Monday, April, 11 2016 and end Friday, April 29, 2016 (Weeks 2-4). Additional appointments are available week 7 (week of March 16) on Tuesday and Thursday, March 17 & 19, 2016 is the last available day for June 2016 prospective graduates.

To schedule a Graduate Record Review appointment go to lattiss.com and enter Anitha Green in the "find" search box to sign up for your appointment. When scheduling your appointment you **must** indicate your academic program and anticipated graduation date.

Graduate Record Review appointments last approximately 10-15 minutes. Please arrive 5 minutes early. You **must** bring your student ID to your record review appointment. Prospective graduates **must** schedule a graduate record review appointment and petition for graduation. All prospective students for **Level III Clinic** (Peak, Outreach, International Clinic) are required to complete a record review before being allowed to enter Level III Clinic.

No diploma will be ordered without a signed petition to graduate on file. No final official transcript or diploma will be issued until the Registrar's office has determined all requirements and obligations to Life University have been met.

TRANSCRIPTS AND TRANSCRIPT RELEASE:

An Official Transcript is based on course grade information available at the time a transcript is requested. The request is processed as soon as possible and is not held until the end of the quarter.

If you require transcripts to be sent reflective of the most current academic term to state boards or other institutions, please request "Final" or "Graduate" official transcripts.

Final official transcript requests are held until the current quarters grades are processed then mailed to the requested destination.

Graduate Final official transcripts are held until a student clears all academic and financial obligations to the University and the student record reflects an official graduation date.

GRADUATION DOCUMENTS RELEASE:

After you complete your degree, we would joyously like to give you your graduation documents (i.e. diploma etc.) and wish you well in life "After LIFE." However, no graduation document package will be ordered unless you have: 1) petitioned to graduate and 2) completed the required graduate record review.

Failure to complete these requirements may delay the issue of your graduation documents up to twelve weeks.

Graduation documentation packages and diplomas will be released to the graduate beginning six (6) weeks after the end of the graduate's final quarter and upon fulfillment of all obligations to the University.

Requests for graduation documents to be mailed must be submitted in writing. The graduate may either fill out the appropriate form or provide a signed request.

OFFICIAL DOCUMENT HOLDS:

Transcripts and/or graduation documents will not be issued if a student or graduate has a "hold" placed on his/her student record. Holds include (but are not limited to):

Academic Actions Pending:

There is pending academic or disciplinary action.

Accounting Hold:

For any unpaid balance owed to Life University

Graduate Document Hold:

For academically cleared graduates who still have financial obligation to the University n official transcript or graduate documents will be released to the graduate or to other institutions.

International Student Hold:

For failing to maintain INS class load requirements

Library Hold:

For overdue books/unpaid fines

Registrar's Hold:

Other special circumstances

ENROLLMENT STATUS

Enrollment Status Verification for Life University can be obtained from Student Advocacy Center upon request.

Full-time status:

CUGS	UG	12-20 hours
DI		12-20 hours
CGUS	MS	9-16 hours
COC	DC	12+ hours

Half-time status:

CGUS	UG	6-11 hours
DI		6-11 hours
CGUS	MS	5-8 hours
COC	DC	6-11 hours

College of Chiropractic Enrollment Status Notes All DC students are expected to maintain full-time status unless under special contract or academic restriction.

DC students have a maximum of eight (8) calendar years to complete the program. Students not completing an average twelve (12) credit hours per quarter may not be able to meet this deadline.

In an effort for students to be able to complete the DC program requirements in less than 14 quarters, the maximum hours a DCP student may take has been raised to 31 hours (additional tuition per credit costs will apply). This applies to any good academic standing DCP student who is 2nd quarter (completed as least 19 credits) or above and has at least an institutional cumulative GPA of 3.00 or above and has no classes/clinic that is being/needed to be repeated. Each student must maintain good academic standing plus standards defined as above in order to be able, in succeeding quarters, to continue to attempt 31 hours.

Dual enrollment

Dual enrollment is when a student is concurrently enrolled in more than one academic program and level. It should be noted that the program level in which the student has full-time status governs financial aid

matters. (This is not the same as dual major which is concurrent enrollment within the same program level).

ENROLLMENT STATUS AND FINANCIAL AID

Qualifying for most types of Financial Aid depends on your primary program. You must be enrolled a minimum of 6 credit hours in either; the UG, DI or DC program or 5 credit hours from MS program.

REGISTRATION AND PROCEDURES: DEFINITIONS

Application of the correct process below influences which additional charges and/or refund calculations can be applied to your account.

Add: At least one or more courses are registered (during the latter part of 1st week) for one's schedule; a \$25.00 per course charge is levied for these classes.

Delete: To remove at least one or more courses from one's proposed schedule during (pre) registration. No charge is levied for these classes.

Dis-enrollment: To be removed from some or all registered classes, due to administrative request or an unpaid balance of tuition, for the quarter.

Drop: To remove at least one but not all proposed (during the latter part of 1st week)/contracted (beginning 2nd week of a quarter) courses from one's schedule. A \$25.00 per course charge is levied for these classes and beginning the 2nd week of the quarter tuition forfeiture.

Hiatus To remove all contracted courses from one's schedule for the rest of the current quarter. Student plans to return to the University within a specified time. (i.e. next qtr., after Fall, within 2 qtrs.)

(No additional fee is charged but qtrly tuition and fees are forfeited based on date of the qtr. relative pro-rated percentage of use. The unused portion is refunded.)

Withdraw To remove all contracted courses from one's schedule for the rest of the current quarter. (No additional fee is charged but qtrly tuition and fees are forfeited based on date of the qtr. relative pro-rated percentage of use. The unused portion is refunded.) Student does not plan to return to the University within a specified time

PROCEDURES:

Pre-registration Begins the eighth (8th) week for DC and ninth (9th) weekfor UG, of the previous quarter

Registration Begins twelfth (12th) week Wednesday after all grades have been submitted & transcribed (prior to and including Tuesday (UG) and Wednesday (COC & MS) of first (1st) week of next quarter's classes. Registration for 2nd 5 wk classes ends sixth (6th) week Wednesday.

Add From midnight Tuesday until Thursday (UG). From midnight Wednesday (COC & MS) until Friday (COC & MS) of first (1st) week of classes. Add for 2nd 5 wk classes ends sixth (6th) week Friday.

Add/Drop fee \$25.00 per action

Note: Switching a lab is actually both an add, and a drop so two fees will be charged.

Drop Last day to drop class(es) with a grade of W, Friday of the third (3rd) wk. 1st 5 wk. qtr class. Friday of the sixth (6th) week full qtr class. Friday of the ninth (9th) wk 2nd 5 wk. qtr class.

Last day to drop full qtr class(es) is Monday of the eighth (8th) wk. but a grade of WNP or WF is assigned.

Withdrawal / Last day to withdraw from all classes is

Hiatus Monday of the tenth (10th) wk. full qtr. Class but it is with a grade of WNP or WF.

REGISTRATION HOLDS:

A student will be denied unsupervised registration if a **hold** has been placed on that student's records. Holds include (but not limited to):

Academic Actions Pending: (Must clear through Student Services)

There is pending academic or disciplinary action.

Accounting Hold: (Must clear through Student Accounts)

For any unpaid balance owed to Life University.

Academic Restriction Hold:

Academic status is not in good standing/not achieving satisfactory academic progress within student's program of study.

Address Hold: Must update address via Web or Student Advocacy Center

Mail to the student is returned undeliverable.

Advisor Hold: (See respective UG or DC Advisor)

Entering 2nd qtr UG or DC required advisement

Clinic Retest Hold: (See COC Dean's Advisor)

A returning or re-admitted student who has been out of clinic for one or more quarters will not be allowed to practice in any clinic.

Failed Courses Hold: (See Student Advocacy desk or COC Dean's Advisor)

Requires supervised registration because DC student did not repeat failed clinics/courses immediately the following quarter.

Failed Twice Hold: (See COC Dean's Advisor)

DC students who have failed the same course or Clinic twice or more. All registrations are held until grades for the quarter are processed and qualification for registration is verified.

Note: Second failure results in a performance contract, Third failure could result in Academic Suspension, Academic Dismissal, or Academic Termination.

International Student Hold: (Must clear through International Student. Advisor)

For failing to maintain INS class load requirements.

Library Hold: (Must clear through Library)

For overdue books/unpaid fines.

Low GPA Hold: (See Respective UG or COC Dean's Advisor)

Students whose Cumulative GPA is less than 2.0. All registration is held until grades for the quarter are processed and qualification for registration is verified.

Note: Low GPA results in a performance contract, Not maintaining a qtrly GPA of 2.0 could result in Academic Suspension, Academic Dismissal, or Academic Termination.

PASS Advisor Hold: (See PASS Advisor/Student Advocacy)

Entering or end of 1st qtr UG or DC required advisement

Performance Contract Hold: (See COC Dean's Advisor)

Unfulfilled admission or academic restriction contracts or incomplete admission documentation.

Registrar's Hold:

Other special circumstances

GUIDELINES FOR REGISTRATION:

Remember: You are responsible for your registration and your education. Register at your assigned time only.

Pre-Registration begins Monday of Week 8. To ensure you have the best registration experience we encourage you to register during your scheduled time. **Please note:** You will not be able to register before your designated time. If you try to register before your designated time you will receive an error message.

DCP students should register for an assembly every quarter.

Web registration times for COC & UG in good academic standing only. Please do not try and register before your assigned time.

Registration Times

You may register at the date and time designated for your DCP quarter classification (e.g., 8th quarter, etc.) and/or at the time assigned for UG, which is by number of credit hours.

Unresolved Financial Obligations

The Web-registration system will not allow students with unresolved financial obligations to register (See Accounting and/or Library Holds above).

If you have an outstanding balance you must contact the Student Accounting Office and resolve your financial obligation (including Library fines) before you will be allowed to register

Multiple Clinics

Double clinics are not available for interns until they have completely passed 12th quarter clinic, OSCE II. Requests are handled through the Executive Director of Level III Programs and the Dean of Clinics. Unapproved Multiple Clinics will be deleted for those in noncompliance.

Multiple Assemblies

DC student who needs more than one assembly can be seen in the Student Advocacy Center if;

- The student is in eleventh quarter or above or for students finding it necessary to "catch up" in order to graduate on time.
- or see NBCE Preparation Assemblies above)
- Otherwise must see COC Dean's Advisor

Dual Degree Program

A student is eligible to enroll in two programs if they have been admitted to more than one program. After they register for their DCP classes, dual COC, CUS,

and/or CGSR students must register with their respective UG or MS advisor for their remaining, other than DCP, classes.

Time Conflicts

You are not allowed to remain registered for courses which meet at conflicting times without the Dean's Office written approval.

Change in Registration for Chiropractic Assemblies

Life University takes pride in the many speakers and invaluable information that students receive during assemblies. It has come to the University's attention that some students forget to register for them or register for the wrong assembly and do not realize the error until the point where add/drop fees are assessed. Since assembly is a graduation requirement, we would like to keep this event positive as well as non-punitive. As a result, we have decided, effective immediately, to allow for "extended" registration for the following courses: CPAP 1104, CPAP 1207, CPAP 1308, CPAP 1500, CPAP 2109, and CPAP 3214. This means students who are capable of registering themselves via WebAdvisor will be able to register for the courses listed above beginning with pre-registration through the end of week 1 of the quarter for which they are registered. From week 2- 9 you can register via the Student Advocacy (or the COC Dean's Advisor). You will not be charged an add/drop fee for adding or dropping these courses during that time frame. For example, if you are enrolled in the DC program for Fall Quarter you may register for the appropriate assembly beginning eighth week of Spring Quarter and ending ninth week of Fall Quarter without incurring any add/drop fees. While this policy is intended to reduce the economic stresses of adding and dropping courses, we would remind and encourage you to register during the appropriate time frames to avoid unnecessary confusion. Those students who are not able to register themselves via WebAdvisor will have to complete the add/drop process at the Student Advocacy Center.

Independent Study

A student needing an independent study course can be seen by the Student Advocacy Center to qualify the UG student eligibility or COC Dean's Advisor for DC eligibility, or has been accepted into the DCP "Research Tract" and the independent study is part of the Research Tract Plan and/or has written permission from their respective Dean's Office.

Overload Registration

CGUS Students must go to their respective Dean's Office and then come to the Student Advocacy Center, after their assigned pre-registration **time** if they will exceed the maximum hours for their primary program.

COC Students may come to the Student Advocacy Center first, if they are in "academic good standing" and cumulative GPA meet the current policy for Overload, otherwise the student must go to the COC Dean's Advisor Office after their assigned preregistration time.

The normal maximum load for students of good, academic standing is 26.50 credits (except for 4th qtr. which is 27.50 credits).

Students who wish to take more credits **must have a GPA of 3.0 or above.** Students not in compliance will be removed from the excess hours and notified by email week 2.

Auditing Courses – Policy and Procedure

Students wishing to "audit" classes must come to the Student Advocacy Center. (Except All COC students who must see the designated advisor in the COC Dean's Office)

Financial Aid monies are not available for audited classes nor can audited classes be used toward "Satisfactory Academic Progress" (SAP).

Individuals wishing to audit classes at Life University may pre-register at any time. (Except COC students who must see the designated advisor in the Dean's Office during preregistration) Paperwork is held and processed the 2nd Monday of each quarter. Auditing placement is based upon seating availability. Proper paper work obtained from the Student Advocacy Center must be filed before the quarter begins. Students should attend planned classes while waiting for the paperwork to be processed. Accepted students' names should appear on the official class roster of the courses audited. The courses being audited should also appear on the student's approved schedule of courses. Should seating be unavailable, the Student Advocacy Center will attempt to notify the student as soon as possible after the 2nd Tuesday.

No degree credit is granted for courses scheduled on an auditing basis, and students are not permitted to change to or from an auditing status except through the regular procedures for schedule change. The grade for auditing is AU (Audited). The grade of AU will have no effect upon the student's grade point average, and students will not be permitted to have the audit grade changed at any future date.

Full-time UG students may audit a course in addition to their 20-hour limit, and dual degree DC students may audit a course in addition to their 31 hours. Auditing is available to students, staff and faculty as well as interested persons from the general public. Students who audit an entire course will be charged \$100.00 per course or students who audit portions of a course(s) will be charged \$100.00, in units, per 30 course hours.

Students on academic restrictions are encouraged or may be required to make use of this opportunity. Priority will be given to regular students over an auditor for a filled class. **Students who are auditing are not allowed to take tests.**

The policies may be modified under the terms of a "performance contract" including registration priority and/or testing privileges and/or terms of requirement.

Prerequisites

The WebAdvisor registration system should not permit students to pre-register for courses for which they lack prerequisites unless the student is currently enrolled in the prerequisite course(s). Students who later fail the prerequisite course(s) should adjust their schedules during the registration period or, at the very latest, during add/drop. Students who do not adjust their schedules to meet prerequisite requirements may be dropped from any course for which the prerequisite has not been met. This will be done around the 2nd week of classes, and you may be charged a fee of \$25 per course.

If such action is taken, e-mail notices are sent to the student via blackboard immediately during the same week.

Life University's recent technology upgrade for academic records will allow the College of Chiropractic to track students who are enrolled for courses without completing their required prerequisites. Prerequisites for courses will be strictly enforced to the extent that class roles will be checked during the quarter and any student who has not completed the prerequisites will be dropped from the course without warning and too late in the quarter to add another course. A decrease in credit hours caused by a drop in course load could change your Financial Aid status and result in unnecessary tuition expense.

Please check your prerequisites carefully!

Readmitting Students

Readmitting students are those who have not attended classes for one or more quarters. These students must report to the Student Advocacy Center to obtain permission to readmit and may then register at the Student Advocacy Center any time before 5:00 p.m. the day after their class does. Deadline for readmission is the first day of classes.

Reapplying Students

Reapplying students are those who have been inactive/withdrawn/dismissed for three (3) quarters or more. These students must reapply through Enrollment Management. Upon reacceptance and permission to readmit, the reapplying student may then register at the Student Advocacy Center any time before 5:00 p.m. the day after their class does. Deadline for reapplying is thirty (30) days before the first day of classes.

Clinic Re-entry Requirement

DCP students, who have been inactive in clinic for one (1) quarter or more, or are transferring from another school into LIFE's clinic experience, must be processed for clinic re-entry by registering for CLIN 5600—Clinic Re-Entry Exam (\$30.00 fee—Pass/No Pass). A No Pass in CLIN 5600 requires reregistration for another CLIN 5600 at additional fee... (See Clinic Info and/or Blackboard listing for more details).

Dry Labs

If you are authorized to pre-register for a dry lab, be sure to register using dry lab schedule listing, Section "Q". After the first week's Wednesday, you can only register at the Student Advocacy Center and you must bring a memo from the Student Success Center

Student Schedules

It is recommended that you print a copy of your academic schedule at your convenience. Schedules can be printed in the library for a fee.

Student Success Center

Students who require special assistance in the registration process should contact the Student Success Center (770) 426-2725 for accommodation.

Add/Drop Reminder

Students may make changes to their schedules by web during the listed Add/Drop posted dates for a \$25.00 per item fee. (Prior to Add/Drop dates, changes may be made to schedules without charge.)

WEB PRE-REGISTRATION INFORMATION

All current UG and DC students, in good standing, should register by WebAdvisor. Times are based on your class status classification at the end of the preceding quarter. You can find

your class status classification on that quarter's grade report or your current schedule.

Note- You must know your password to login and register with WebAdvisor

PRE-REGISTRATION TIME SUMMARY

DC students: Assigned pre-registration starts **Monday, February 29, 2016**.

14th	qtr	&	a	bo	ve
------	-----	---	---	----	----

	Mon.	02/29	3:00 p.m.
13th qtr	Mon.	02/29	5:00 p.m.
12th qtr	Mon.	02/29	7:00 p.m.
11th qtr	Mon.	02/29	8:00 p.m.
10th qtr	Mon.	02/29	9:00/10:00 p.m.
9th qtr	Tue.	03/01	5:00/6:30 p.m.
8th qtr	Tue.	03/01	8:00/9:30 p.m.

1st qtr	Fri.	03/04	8:00/9:30 p.m.

Undergraduate students: Pre-registration begins **Monday, March 7, 2016** at your UG advisor's office.

MS students: There is no Graduate (MS) Student Web registration access but students may pre-register with their MS advisor's signed approval at the SHS Dept. beginning Monday, February 29, 2016.

HOW TO BEGIN REGISTATION BY WEB ADVISOR

NOTE: Registration will be available; only by Web access (WebAdvisor), at the Student Advocacy Center (if you have a registration hold), and/or with DCP, UG & MS Advisors

Step 1—Fill out your Registration Worksheet:

- Use the *Academic Quarterly* to obtain the course code for each course you selected.
- Include all the leading zeros in the course codes
- Write down any conflicting or closed classes in order to keep track, and prepare alternate course selections in case of conflicting or closed classes.

If this is your first encounter with WebAdvisor, continue as below otherwise if you have used WebAdvisor before Skip to Step 5.

Step 2—Find your LU email address

What's My LU email address? (or another member of the Life University Community):

- Go to the Life University webpagehttp://www.LIFE.edu
- Click on "Quick Links" > "Current Students" > "Directory"
- Type in your last name find official LU email address

Step 3—Check your email

- Go to the Life University webpagehttp://www.LIFE.edu
- Click on "Quick Links" > "Current Students" find the group for "Course & Study Resources", find "Student Email"

(http://webmail.student.LIFE.edu)

- **USER NAME:** is the first part of your email address. So, everything before the @ sign.
- New Student Defult Password: Is the first initial of your first name and the first initial of your last name and the last 4 digits of your Student ID) with two exclamation points. For example: John Doe's Student ID is 0001234, his password would be jd1234!! to change before logging in.

Step 4—Open and read the email in your mailbox named Life University WebAdvisor

 Write down your WebAdvisor Login and Temporary Password

WebAdvisor is how you register, view your grades, track your financial aid, and review your account balance.

Step 5—To get into WebAdvisor

- Go to the Life University webpagehttp://www.LIFE.edu
- Point on "Quick Links" a drop down menu will appear, click "Current Students" choose "WebAdvisor" under Student Resources group.
- Click on Login
- USERNAME: get from email sent to you, or click on "What's My User ID?"

New Student Default Password: Is the first initial of your first name and the first initial of your last name and the last 4 digits of your Student ID) with two exclamation points. For example: John Doe's Student ID is 0001234, his password would be jd1234!! to change before logging in. You can change this temporary password on website https://pwd.LIFE.edu, please see password requirements in the next step. If you forget it in the future, go to https://pwd.LIFE.edu for creating a profile to retrieve password in the future. If you know your old password, you

can reset password on this https://pwd.LIFE.edu page as well. All passwords are set to expire at the end of every 90 days. Example: If you change your password today, your password will expire 90 days from today. Passwords must meet the following minimum requirements: Not contain the user's account name or parts of the user's full name. Be at least eight characters in length Contain characters from three of the following four categories:

- English uppercase characters (A- Z)
- English lowercase characters (a z)
- Base 10 digits (0 9)
- Non-alphabetic characters (for example, !, \$, #, %)
- During registration at Life University, the registration links are replaced with a Splash page labeled "Registration and Academic Information". Your Life University login credentials are used to access the Splash page. You must complete Splash page by updating your personal information to move on to Web Advisor. After you finish Splash page, you will find the Registration links are now available to use on Web Advisor Student page. If you are redirected to the Life University home page after completing, you will need to contact Registrar Department at 770-426-2780. You've either have a HOLD or do not have a registration time available in the system.

Instructions for Web Registration

Step 7—Register for classes

After logging into WebAdvisor click on Register for Sections

Next, click on Search and Register for Sections. If you do not have Register for Sections link, please see above for steps to enable link.

Select the appropriate term (Fall, Winter, Spring, Summer)

- Search for Subject or if you know the 4-letter Subject Name, Course Number, and Section Number, you can enter them
- Click Submit
- Check the *Select* box for all classes for which you plan to register
- Click Submit
- When prompted in "Action" click *Register*
- Click *Submit* to register (if there are no conflicts). **Note:** Your new schedule will be displayed to confirm your successful registration.

PRE-REGISTRATION SCHEDULE SPRING 2016

Date Monday, February 29, 2016	Time 10:00 AM		By Initial of Last Name Student Success Center
Monday, February 29, 2016	3:00 PM	15-14	All

Friday, March 4, 2016	6:30 PM	2	A-K
Friday, March 4, 2016	8:00 PM	1	L-Z
Friday, March 4, 2016	9:30 PM	1	A-K

UNDERGRADUATE PRE-REGISTRATION SCHEDULE

Date	Time	Clas	S	Credit
Monday, March 7, 2016	8:00 AM	SR	136 +	Hrs Completed
Tuesday, March 8, 2016	8:00 AM	JR	91-135	Hrs Completed
Wednesday, March 9, 2016	8:00 AM	SO	46-90	Hrs Completed
Thursday, March 10, 2016	8:00 AM	FR	0-45	Hrs Completed

Tuesday, March 29, 2019 11:59 PM Pre-registration Ends ADDITIONAL PRE-REGISTRATION REMINDERS AND INFORMATION Listed below are the DCP rules of hours completed that is the basis for your quarterly class status and assigned pre-registration time:

QUARTER	HOURS COMPLETED
FIRST	0.00 - 18.00
SECOND	19.00 - 43.00
THIRD	44.00 - 68.00
FOURTH	69.00 - 93.00
FIFTH	94.00 - 118.00
SIXTH	119.00 - 143.00
SEVENTH	144.00 - 168.00
EIGHTH	169.00 - 193.00
NINTH	194.00 - 218.00
TENTH	219.00 - 243.00
ELEVENTH	244.00 - 264.00
TWELFTH	265.00 - 289.00
THIRTEENTH	290.00 - 314.00
FOURTEENTH	315.00 - 333.00
FIFTEENTH	334.00 - 999.00

Minimum 341-342 Hours Are Needed To Graduate.

If You Have Any Questions Regarding Your Current Quarter Status Check Your Last Grade Report.

The maximum hours a DCP student may take is 31 hours

(with additional tuition per credit costs applying).

This applies to any good academic standing DCP student who is 2nd quarter or above (completed as least 19 credits), has a minimum "Institutional Cumulative" GPA of 3.000 or above and has no current unresolved failed classes/clinic.

Each student must maintain good academic standing plus standards defined as above in order to be able, in succeeding quarters, to continue to attempt 31 hours.

For CGUS - Masters Students

There is NO (pre) registration via the web. (Pre) registration can be done at your MS Advisor's office

Academic Restrictions

Most students with academic restrictions cannot preregister but must wait until the quarter's grades are available. (Restrict via various registration holds) An academically restricted student must coordinate desired pre-registration, registration and "Adds" through their respective Dean's office or their designate until achieving "Good Academic Standing."

REGISTRATION INFORMATION Registration Quarterly Calendar

CIM 101-DE Courses

Students attempting to take the online format of CIM101-DE must possess their own computer meeting certain hardware and software standards. A Computer Verification Form is available at BUSINESS.LIFE.EDU which provides the requirements. This form MUST be submitted at a Day 1 Orientation Meeting in Room 234, at 3PM in order to be eligible for registration which will be on a "first come; first serve" basis. No late registrations will be allowed. This meeting and form does NOT apply to students taking the traditional in-seat format of CIM101 in the labs.

REGISTRATION INFORMATION

Registration Quarterly Calendar

REGISTRATION (After Grade Reports Processed)

Start Time/End Time

Wednesday, March 30, 2016	12:01 A		Registration for all returning students - (by Web COC & UG ONLY)
Wednesday, March 30, 2016	1:00 P		Transfer Student DC Advisement and Registration **
Wednesday, March 30, 2016	1:00 P		PASS Advisor Registration; from Pre-DC (UG) to DC*
Thursday, March 31, 2016	1:00 P		New Student Web Registration, E-mail & Blackboard Orientation
Thursday, March 31, 2016	1:00 P		New DC PASS Advisor WEB Registration **
Tuesday, April 5, 2016		11:59P	Registration ends for 1st 5 Wk UG (converts to add/drop mode)
Wednesday, April 6, 2016		11:59 P	Registration ends for COC, 10 wk UG & MS
			(converts to add/drop mode)
Wednesday, April 20, 2016		5:00 P	Last day to Switch from 1st 5 wk to 10 wk classes (No Charge)
Wednesday, May 11, 2016	1:00 P		Registration ends 2nd- 5 Week

NEW STUDENT ADVISING & REGISTRATION

Thursday, March 31, 2016 By Appointment (see Orientation Schedule) Friday, April 1, 2016 By Appointment (see Orientation Schedule)

- *- Students moving from Life University's Undergraduate Program into the Doctor of Chiropractic Program will have to attend a Week 7 meeting during the previous quarter at which time they will have selected courses. Registration for this population will be done by PASS advisors during the week of March 28, 2016 through April 1, 2016. Students can then view their schedules via WebAdvisor beginning April 1, 2016.
- ** New students can check for general Orientation information on the Life University website and will receive a schedule via email once they have been accepted.

ADD / DROP Start Time/End Time

Wednesday, April 6, 2016	12:01 M	11:59P	5 wk UG students with \$25.00 per item charge
Thursday, April 7, 2016	12:01 A		begins for all COC, 10 wk UG & MS students / programs, with \$25.00 per item charge
Friday, April 8, 2016		11:59P	Ends all adding of UG, DC & MS classes
Tuesday, April 11, 2016	12:01 A		Begins drops with tuition forfeiture
Tuesday, April 11, 2016	12:01 A		Begins drops and withdrawals with grade "W"
Wednesday, April 20, 2016		5:00 P	Last day to switch from 1st 5 wk to 10 wk classes (No Charge)
Friday, April 22, 2016		5:00 P	Last day to drop or withdraw CUS 1st 5 wk with grade "W"
Friday, April 22, 2016		5:00 P	Last day to sign up for Written Comp Exams MS
Monday, April 25, 2016	7:00 A		Begins CUS - UG 1st 5 wk drops and withdrawals with grade "WF" or "WNP"
Monday, May 2, 2016		5:00P	Last day to drop 1st 5 wk classes
Friday, May 13, 2016		5:00P	Last day to drop or withdraw COC & CUS - UG 10 wk with grade "W"
Monday, May 16, 2016	7:00 A		Begins COC & CUS - UG 10 wk drops and withdrawals with grade "WF" or "WNP"
Monday, May 23, 2016		5:00 P	Last day to drop 10wk class: UG, MS, and DC
Wednesday, May 27, 2016		5:00 P	Last day to drop or withdraw CUS 2nd 5 wk with grade "W"
Monday, May 30, 2016	ALL DAY		Memorial Day Holiday
Tuesday, May 31, 2016	7:00 A		Begins CUS - UG 2nd 5 wk drops and withdrawals with grade "WF" or "WNP"
Monday, June 6, 2016	5:00 P		Last day to withdraw from all classes and / or drop 2nd 5wk classes

^{**}After any changes to your registration (including pre-registration and drop/add), you should view a new copy of your schedule for verification via WebAdvisor**

Advisement

Life University recognizes the role of advisement in the educational process and the responsibility of both our PASS Advisors and our faculty in providing effective advisement. Advisement does not focus exclusively on the students' course scheduling but represents an opportunity for PASS Advisors, faculty advisors, and the University to express a special interest in both the personal and academic welfare of the student.

Academic involvement in student advising includes advisement in the area of academic preparation and mentoring to students. Advisors provide individual advisement to students, serve as club advisors, and mentor students in career path choices and other areas as needed.

Advisement and registration for students in the <u>College of Graduate and Undergraduate Studies</u> is coordinated by the Coordinator of University Advisement along with the Dean and respective department heads. (*See a list of advisors below*)

$\Delta \alpha$	vise	men	t d	atec

Advisement for returning students is available throughout the quarter. Pre-registration advising appointments begin Week 7 and continue through the end of each quarter. All Students who entered Fall 2009 or later must see their advisor (PASS or faculty) prior to pre-registration in order to be cleared for WebAdvisor pre-registration. Students may be advised by their PASS Advisor or faculty advisor.

Please remember these advisors are there only to expedite and Under absolutely no circumstances are their recommendations valid if they contravene existing, published University policy.

You are responsible for your schedule and your education.

SHS Elective (ex SHS 322 Intro to Public	
SHS 410 ECG & Exercise Stress Testing Social Science Elective	5 cr.
	5 cr.
Humanities Elective	5 cr.
Total after 7th quarter:	136
(Note: 135 quarter hours needed for De	(admission)

Please note that this is based on matriculating in the Fall and attending school in the Summer. Other start dates may require modification of this schedule.

The Pre-chiropractic program and the degree-seeking BS in Exercise Science program will satisfy all admissions requirements to enter the Doctor of Chiropractic program.

There are 37 credits that can be transferred down from the DC curriculum that can be applied to the BS in Exercise Science program. These include:

BIO 201 Anatomy and Physiology I	5 credits
BIO 203 Anatomy and Physiology II	5 credits
SHS 412 Biochemistry of Exercise	5 credits

Science electives (up to 17 DC credits can substitute for SHS electives) and 5 credits of free electives. These classes can be satisfied by completing first and second quarter DC.

An additional 15 credits are needed to obtain the BS degree. These can be earned simultaneously while the student is in the DC program. Missing classes include:

SHS 428 Clinical Exercise Physiology	5 credits
SHS 480 Research Methods	5 credits
SHS Electives	5 credits

The BS in Exercise Science is an excellent way to prepare for entrance into the Doctor of Chiropractic academic program. Students are given an overview of physiology and biochemistry as it is applied to exercise. In addition, upon completion of the degree, students should be able to find a job in the fitness/wellness/exercise field to help support their chiropractic education.

All students considering a degree in Exercise Science should come by the Sport Health Science Department (bottom floor of the Sport Health Science Building) to meet an undergraduate advisor (Room 150).

Undergraduate Degree Offerings, B.S. in Biology Advisement, Pre-Chiropractic Advisement

Free Electives	5 cr.				
7 th Quarter	(15 credits)				
BIO 316 – Principles of Genetics	5 cr.				
Free Electives	10 cr.				

Total of 135 quarter hours of Undergraduate coursework is required to enter the chiropractic program (DC program). Students can transfer down 53 credit hours from the Chiropractic program into the Undergraduate program in order to fulfill Biology requirements, Biology electives, and free electives to complete a BS in Biology.

Credits taken in an Undergraduate program cannot be given advanced standing toward a DC Degree, based on the following from the CCE Standards.

"Credits considered for transfer must have been awarded for courses taken in a DCP accredited by the CCE or in a program accredited as a first professional degree in one of the health sciences by another nationally recognized accrediting agency, or in a graduate program in an academic discipline closely related to the health sciences offered by an institution which is recognized by a national accrediting agency."

BACHELOR OF SCIENCE DEGREE IN **BIOLOGY/PRE-DC STUDENTS**

The following required/elective courses for the B.S. in Biology will credit down from the DC program. Therefore, these classes should **not** be taken by students planning to enter the DC program.

BIO 302	Embryology
BIO 303	Histology
BIO 410	Neurophysiology
BIO 425	Visceral Physiology
BIO 431	Microbiology I
BIO 433	Microbiology II
BIO 435	Physiology Lab
BIO 437	Immunology & Disease Pattern
BIO 441	Pathology I
BIO 442	Pathology II
BIO 445	Endocrinology

May not take DC version unless DC Student; UG Version only

CHM 315-Biochemistry I - See advisor CHM 316-Biochemistry II - See advisor

BACHELOR OF SCIENCE DEGREE IN **EXERCISE SCIENCE, NUTRITION,** PSYCHOLOGY OR BIOPSYCHOLOGY/ PRE-DC **STUDENTS**

Students can also fulfill their pre-DC-requisites, completing the 135 quarter hours entrance requirements while pursuing these degrees. Students should see the individual department's advisors for information on which DC classes will transfer down and be applied towards the abovementioned degrees.

Summer 2015 Pre -Chiropractic Advisor Admission Worksheet Based on CCE 2014 Standard)

All matriculants must furnish proof of having earned a minimum of 135 quarter* hour credits of appropriate preprofessional education courses at an institution or institutions accredited by a nationally recognized agency. Included in these credits must be a minimum of 66 quarter* hour credits in, (specific seven areas of distribution) listed course areas. In addition, all matriculants must have earned a cumulative grade point average of at least 3.00 on a scale of 4.00 for the required 135* quarter hours. In situations in which one or more courses have been repeated with equivalent courses, the most recent grade(s) may be used for grade point average computation and the earlier grade(s) may be disregarded. A minimum of 30 quarter credits of General Studies (including College Algebra, Social Science and English) and 36 quarter credits of Sciences (including Biology, General Chemistry and others) are required. In each of the seven distribution areas, no grades below 2.00 on a 4.00 scale may be accepted. (*Quarter hour credits have been converted from equivalent semester hour credits).

Lec Mon, Tue, Wed, Thu 11am - 1pm	Lec- Mon, Tues, Wed, Thu 11am - 1pm
Lab- Tues, Thurs 9am - 11am	Lab- Tues, Thurs 9am - 11am

REGISTRATION FOR 2ND 5 WEEKS WILL CONTINUE AND END AT 1pm ON WEDNESDAY
MAY 11, 2016
PRE-REQUISITES MAY APPLY TO SOME COURSES

COLLEGE OF GRADUATE AND UNDERGRADUATE STUDIES SCHEDULING

With the exception of those classes "cross-listed" with the DC program, all classes in Undergraduate program are now numbered / patterned as follows: All 10 wk and accelerated 5 wk courses with the same course title will be numbered the same. Differentiation between 5 & 10 wk lab courses will be done by section. All standard (10 wk) class sections with a lab section will start with a 1 (i.e. 1A, 1B, etc.) All accelerated (5 wk) class sections will start with a 5 (i.e. 5A, 5B, etc.) All lecture class numbering will follow a similar pattern but, 51 is used for 1st 5 wk, 52 for 2nd 5 wk, or 10, 11 for 10 wk. classes.

COLLEGE OF GRADUATE AND UNDERGRADUATE STUDIES FINAL EXAMS

Business Exit Exam session most approximate to his/her graduation ceremony. Failure to sit for the Exit Exam will preclude the student from graduation until the exam is taken at the next bi-annual Exit Exam session. Under absolutely no circumstances will the Exit Exam be given on an individual basis, remotely, or outside the normally scheduled bi-annual Exit Exam sessions in Fall and Spring terms.

SCHEDULING NOTES

- 1) ** Indicates this course is offered in an accelerated 5 week format;
- 2) ⁺ These courses are Pass/No Pass only (MSHS 690, MSHS 692, MSHS 698, MSHS 699);
- 3) All Spring Quarter MS classes begin on Monday, April 4, 2016;
- 4) All candidates for comprehensive exams must complete the application during week 10 for the upcoming quarter;
- 5) Final exams, for **Spring Quarter 2016,** will be given the week of **June 15th** for 10 wk. courses; and
- 6) Written Comprehensive Exam, for **Spring Quarter 2016**, will be administered on **Friday, April 29th**, **2016**.

<u>Registration for MS Student only:</u> *NO WEB ACCESS.* All registration is to be done with your advisor. Written **approval** from the instructor/MS advisor must be obtained prior to registration or adding MS classes.

Registration for MS Student only: NO WEB ACCESS. All registration is to be done with your advisor or at the Student Advocacy Center. Written approval from the instructor/MS advisor must be obtained prior to registration or adding MS classes.

<u>Registration for DC/MS Students:</u> (Except PT Classes) In the Student Advocacy Center, as above, after completing your DC Registration

Alternate and/or Prerequisites: Exempted only with written permission of the Instructor and SHS Dept. Head.

NOTE: Registration for MSHS 686 - Individual Study, MSHS 690 - Practicum, MSHS 692 - Internship MSHS 698 - Thesis & MSHS 699 MS Written Comp. Exam; requires that you fill out all forms in advance at the SHS Dept.

Clinic Course and Practicum Information

COLLEGE OF COLLEGE OF CHIROPRACTIC CLINIC COURSE ANNOUNCEMENTS

CPR REQUIREMENT FOR CLINIC

Effective Spring 2008 CPR has been removed from the active DCP curriculum, however, an active CPR card is still required to pass CLIN 3507 and subsequently enter CLIN 3608 (Prerequisite for CLIN 3608) in FALL 2008 and thereafter.

Life University no longer offers CPR training in the curriculum. In order to register for CLIN 3608, each student must show proof of a current 2-year CPR certification that includes training on the adult, child, infant, and the automatic external defibrillator (AED).

Please note that these classes fill up very quickly so plan accordingly.

See below some available training sites in the area:

Well Star Health Place, 330 Kennestone Hospital Blvd., Marietta, GA 30060

2 years certification through American Heart Association 1 class per month held on Saturday @ \$60 per student Call 770-956-7827 for registration with Credit or Debit Card

Executive CPR

2 year certification classes taken at their sites in Smyrna, Marietta, Woodstock, Peachtree City, Doraville and Augusta

1 class per week (5 a month) @ \$50 per student and \$15/manual Call 770-565-2996 or www.northgacpr.com for registration

Heartland

2 Year certification classes taken at their Buford site Go online for class registration and times \$55 for the class and \$15 for the book 3 hour class AED (adult, child and infant) Call 404-550-1654 or www.hlscpr.com for registration

GACPR: 4758 Hammer Mill Rd., Tucker, GA 2 year certification through American Heart Association No student manual Card given the same day of course \$50/person

Call Ben Karp for registration 678-362-7094; will need credit or debit card

CLINIC PRACTICUM ANNOUNCEMENTS:

BLACKBOARD FOR CLINIC:

All clinic courses are managed through Blackboard. Each intern is responsible for reviewing the course syllabi, and completing any required assignments.

CLIN 1501

Lecture meets the first Tuesday of each quarter and attendance is mandatory.

CLIN COURSES

All Clinic practicum courses are accessible through the Clinic Systems Blackboard site. CLIN 3608 and 3609 share the Level I clinic Blackboard site. CLIN 3710, 4711 and 4712 share the Level II clinic Blackboard site. CLIN 4813 and 4814 share the Level III clinic Blackboard site. These Blackboard sites will serve as a venue to acquire clinic information. It will be updated on a regular basis with useful and necessary information.

Clinic Electives Student and/or Outpatient

If you do not pass OSCE; and are ineligible for outpatient CLIN 3710, but have passed CLIN 3609, or passed CLIN 4712 but not eligible for CLIN 4813, you can continue in clinic and avoid the need for a clinic re-entry exam. You may enroll in the appropriate student/outpatient clinic elective 5700 (9th)/ CLIN5800 (12th) the following quarter to continue patient care while you are-attempting OSCE. See OSCE information below or refer to the OSCE Blackboard site for all other information regarding OSCE.

Clinic Elective for PEAK or Outreach

With permission and upon successful completion of 12th qtr. clinic (CLIN4712) and passing OSCE CLIN 4801, you may register for a Performance: Excellence, Art, and Knowledge (PEAK) or Outreach Clinic elective; designated CLIN 5823.

When registering for a Clinic Elective, either CLIN 5700, CLIN 5800, or CLIN 5823 be aware that there is a course fee of \$329.00, which is equal to one credit tuition, although each course carries no credit and can be taken in addition to a normal full time academic credit load.

*Beginning Winter quarter 2012 to be considered "Active" in the clinic electives (CLIN 5700, CLIN 5800, or CLIN 5823) you must complete 10 spinal adjustments, 1 physical and 1 x-ray.

PUBH 5545 - PT Clinical Practicum

This is a zero credit class course that specifically includes 30 patient PT procedure office visits through the Clinic's Functional Kinesiology Facilities. There is a \$329.00 tuition billing charge (equal 1 credit of prevailing applicable DC tuition rate - see page 1) (This course is required for licensure eligibility in California.)

Clinic Practicum

For those interns who are registering for Clinic Practicums this quarter, please note. You are required to select a Clinic Practicum listed in the schedules that represents your next clinic level. Each selection presupposes the following conditions are applicable;

- 1. Your choice is within compliance with the prerequisites for that level of Clinic Practicum. (You have completed or in the process of completing prerequisites)
- You have not attempted this Clinic previously and received a "P." (You cannot pass the same Clinic practicum twice)
- As of Spring 2007 PEAK Clinic has a different registration section than the main clinic. In Summer 2007 Outreach and International (as available) will be provided separate section designations.

Course Presentation for Level II

You are required to review the clinic presentation on Blackboard at the Level II clinic site. After completion of the presentation, you must complete the assessment, and the clinic agreement policy found under the assignment tab. All three items must be completed by Saturday at 1pm 3rd week of the quarter. If the clinic presentation, assessment, and agreement are not completed by Saturday at 1pm 3rd week of the quarter, the intern will no longer be able to participate in patient care in the clinic or accumulate quantitative requirements. Failure to comply will result in a NP for the Level II Junior Clinic Outpatient Practicum in which you are registered. Any issues with completing the assignments before or by the deadline please contact the C-HOP Director, immediately at mark.ferdarko@life.edu.

Outpatient Clinic Hours

Center for Health and Optimum Performance (C-HOP)

Monday through Friday: 8:00a.m. -7:30 pm; No patients will be seen before 8:00 a.m. nor from 1:30 p.m.-3:00 p.m. on Monday through Friday. Interns may request files at 7:45 a.m. and at 2:45 p.m. on Monday, Tuesday, Thursday & Friday.

Saturday Hours: 8:00 a.m.- 1:00 p.m.

Clinic Course and Practicum Information (cont.)

Student Clinic Hours

Campus Center for Health and Optimum Performance (CC-HOP) Monday 8:30 am to 7 pm, Tuesday 8 am to 7 pm, Wednesday 9 am to 1pm, Clinic closed from 1 pm to 5 pm, re-opens 5pm to 7 pm, Thursday 8am to 7pm and Friday 8:30am to 7pm.

Patient Care During Break: IMPORTANT!!!

All interns <u>must be enrolled</u> (registered for following quarter) in a clinic practicum during break to administer patient care. You WILL NOT be allowed to see patients if you are not registered.

Clinic Handbooks

Please review the Clinic Intern Handbook(s) and the clinic site on Blackboard for updated clinic, radiology and patient categorization procedures.

The Clinic Intern Handbook, Clinic Radiology Handbook and Outreach Handbook can be found on Blackboard: Course: CLIN 411.

Level III Handbook as well as PEAK, Outreach, and International are posted on Blackboard in the Level III Clinic area.

Please refer to this site for questions concerning general clinic guidelines and rules.

Log Sheets

Interns are required to keep a current Patient Case Management Log and have it available during advisement. It is the Intern's responsibility to keep an up to date Log of Patient Services. Interns are required to show proof of services rendered when discrepancies occur.

Practicum Grading

Pass (P) or No Pass (NP) are the only grades given for clinic courses. Refer to the intern handbook for clinic competency details. All work MUST BE COMPLETED by the end of business on Saturday, 11th week to receive a "P." All work completed during "breaks" will be counted toward the next quarter's milestones.

***Note:** To view the "Exception to the Practicum Grading Policy" for CLIN's 3710, 4711, and 4712 go to the class syllabi posted on Blackboard under Level II Clinic.

DOUBLE CLINIC IS AVAILABLE

Multiple & Double Clinics

Double clinics are not available for interns until they have completely passed 12th quarter clinic, OSCE II. Requests are handled through the Executive Director of Level III.

Double clinic will remain an option ONLY for those students who were enrolled and successfully completed RADD 4820 (Advanced Imaging) two qtrs. and passed completely CLIN 4801 & CLIN 4712 one qtr. prior before attempted double clinic.

NEW policy regarding double Level III clinic and additional courses.

The new policy states that interns, registering for double Level III Clinic be allowed to register for additional course work, up to 6 additional credit hours for Double Level III Clinic OR up to 4 additional credit hours for Double Level III Clinic with Immersion, provided they have submitted a schedule that demonstrates they can meet the class schedule and the Level III Clinic schedule successfully and this proposed schedule has been approved by the Level III Clinic doctor and the PEAK Director or the Outreach Director, as appropriate.

In addition, students doing "late start Level III Clinic" due to OSCE remediation, may NOT do double Level III Clinic.

Any exception to this must be approved by the PEAK Director and the Associate/Assistant Dean of Clinic.

Unapproved Multiple Clinics will be deleted for those in noncompliance.

REQUIRED COURSE for 12th Quarter

* CLIN 4812 will be the new Level III Prep course. It is the required pathway to the Level III program. This course will prepare the intern for their Level III experience.

Level I and II Clinics

- All Life University students will be seen at the CC-HOP for student credit (including Masters students)
- Student family members will be counted as outpatient credit
- Student family members can be seen at the CC-HOP at no charge or the C-HOP for fees (50% reduction to normal patient fees)
- Students enrolled in CLIN 3710, CLIN 4711 and CLIN 4712 are to complete at least one case each quarter as part of the requirements to successfully complete the quarter (quarterly and cumulative requirements still apply)

International Clinic Program Eligibility

To be eligible for participation in the International Clinic Program, students must:

- Not be on academic probation at the time of application to the program
- Have a minimum GPA of 2.5
- Submit one letter of recommendation from a Life University Faculty Clinician
- Not have any unresolved honor code issues
- Be approved/cleared by the Coordinator of Clinic Programs
 Must have a zero tuition balance prior to departure

CLINIC REQUIREMENT REPORTING

An Intern Quantitative Summary report will be sent out to you each week on your student email address. If you have problems accessing your student email account, please contact the IT Department.

Clinic Awards

Clinic faculty and administration recognize the importance of clinical excellence demonstrated by interns and have transformed the previous "Clinic Proficiency" and "Clinic Excellence" awards to better reflect overall excellence in performance.

Beginning winter quarter 2008, the Life Clinics offer a new program to recognize and award excellence to student interns. This program incorporates achievement with the Eight Core Proficiencies and input from fellow students, faculty, staff, and patients, within a structured nomination process.

The Clinic Excellence Award may be presented to a deserving student at a Life University graduation event who has repeatedly demonstrated, throughout their clinic career, the power of the chiropractic adjustment. The recipients have achieved the worthy goal of touching and changing many lives by allowing the innate intelligence inside each of them to be expressed more freely through chiropractic care, and have done this with great enthusiasm and persistence.

The Award represents outstanding achievement in service and academic performance related to the clinics, its patients, and the University.

Criteria for the Clinic Excellence Award will be published in the Intern Handbook for student's review.

Complete program information and necessary forms are at CLIN 411 on Blackboard. Please direct any questions to Dr. Bernadette Lavender, chair of the committee.

Effective Fall 2008 in the Campus Center for Health and Optimum Performance and the Center for Health and Optimum Performance.

Clinic Course and Practicum Information (cont.)

Clinic Attendance:

Clinic attendance procedures are as follows:

- Student interns are expected to be in clinic at least three times per week for weeks 1-11 each quarter.
- Student interns doing any work in the clinic must be in clinic attire (refer to intern handbook).
- Attendance sign-in sheets will be in each faculty clinician's office.
 Student interns will be expected to sign-in at their assigned faculty clinician's office by initialing the sign-in sheet at least three times per week

LEVEL III CLINIC PRACTICUMS

All 13th quarter students will complete their clinical education in a Level III Clinic Practicum Program. The options will include: *Performance: Excellence, Art, and Knowledge* (PEAK), Outreach, and International. Most will be placed in a PEAK office. Due to limited space some will not be admitted to their preferred program. Prior approval is required for all Level III courses and options.

Clinic Elective for PEAK or Outreach

With permission and upon successful completion of 12h qtr. clinic (CLIN4712) and passing OSCE CLIN 4801 you may register for a Performance: Excellence, Art, and Knowledge (PEAK) or Outreach Clinic elective; designated CLIN 5823

The 14th qtr program options are the same as 13th qtr. The process begins during Week 1 of the 12th or 13th quarter to declare your preferences for your 13th or 14th quarters. Level III Registration forms are available on Blackboard and in the PEAK Office and are due **by week 2** of the 12th or 13th quarter. Failure to submit the PEAK registration form by this date will prohibit participation in the PEAK program the following quarter.

You will discuss the transition of your C-HOP practice and complete advisement with your Faculty Clinician. During the 12th quarter your Level III placement will be determined. 13th quarter students need to submit a Registration form by **week 2** for their 14th quarter course.

All interns preparing to enter PEAK or Outreach must complete a Graduation Audit during 12th quarter in order to be registered for any 13th quarter clinic course. This must be scheduled with the Registrars office and most easily done during weeks 3 and 4.

Passing CLIN 4801 will be a requirement before you can participate in Level III clinic. If CLIN 4801 - OSCE II remediation is needed you will still be allowed to continue preparing for Level III as if you had successfully completed CLIN 4801 until the final grade is determined. If OSCE II Remediation is not successful, at that point you will be removed from the Level III program processing and advised by the OSCE Administrator of your options.

Requirements for Enrolling in Level III Clinic Practicums

- 1. Pass CLIN 4801 OSCE II
- Combined Student and Outpatient Credit Minimums of: 140 adjustments, 15 Exams and 20 X-rays.
- 3. Be in 13th or 14th quarter.
- 4. No outstanding C.A.R.P.'s
- 5. Pass CLIN 4812 Level III Clin. Exp. Orient.

Course Numbers

CLIN 4813 - 13th Qtr. - CLIN 4814 - 14th Qtr. - 7 credits CLIN 4834 - 14th Qtr. - CLIN 5833 -- 13th Qtr. - 12 credits CLIN 5854 -- Elective - International Clinic - 7-12 credits

Students planning to enter Level III Clinic in (13th Quarter) **Sumer 2014 or after must have completed CLIN 4812. CLIN 4812** will be the new Level III Clinic Experience Orientation course. It is a required pathway to the Level III program. This course will prepare the intern for their Level III experience.

Find More Information on Blackboard under Level III Clinic.

Double PEAK

A student may request to take a double clinic in Level III when filing the Registration Form with the Executive Director of Level III Clinic Programs. All classwork needs to be completed in order to qualify for this option.

PEAK COURSE WEEKLY HOURS REQUIREMENT/OPTIONS

Single PEAK - 15 hours per week
Double PEAK - 31 hours per week

Single PEAK with **Immersion** - 26 hours per week
Double PEAK with **Immersion** - 42 hours per week

LEVEL III IMMERSION PRACTICUM

Immersion is a way to earn elective credit hours during your PEAK experience. The term immersion signifies that you are more fully "immersed" / integrated in the PEAK experience by spending more time in the office. An immersion course is 12 credits; covers 6 clinic credits, 1 assembly and a **maximum** of 6 elective credits.

** Although students/interns may register for more than one 12 credit Clinic Courses listed above, the "up to 6 clinic elective credits" can be used only once toward the total 18 credits of elective required toward graduation.

Immersion does not increase the number of x-rays, adjustments or physical examinations to reach your clinic practicum milestones. The extra hours you will spend in the PEAK office will allow for a richer and diverse experience.

Students may qualify for Double PEAK if they have 6 credits or less of coursework remaining.

Students may qualify for Double PEAK with Immersion if they have 4 credits or less of coursework remaining.

This does not necessarily mean the office needs to be open 31 / 42 hours per week (many offices are not) but that the PEAK doctor will agree to supervise and direct your learning opportunities for that amount of time per week.

Red Line Clinic Clearances

All **12**th **quarter interns** must see your clinic advisors concerning 12th quarter red line prior to entering Level III and to receive a passing grade for 12th quarter clinic. Go to Level II clinic on Blackboard for instructions. (This also includes interns in CLIN 5800)

All 14th quarter interns must complete a clinic clearance /redline prior to graduation (with the Director of Clinic Advisement) to receive a passing grade for 14th quarter clinic.

PROGRAM DESCRIPTIONS

P.E.A.K.:

This clinical experience focuses on the opportunity to work under the direct supervision of Life University Extension Faculty, providing chiropractic care in the doctor's private office. The office may be located in GA or in an approved state or in one of the International offices.

All PEAK options require prior approval before registration is allowed.

OUTREACH:

The Outreach option is an 11-week clinical experience that encourages community participation with a service oriented mind set. This is a special opportunity to serve the underemployed, unemployed or otherwise disadvantaged population. Under the direct supervision of Life University clinic faculty, your clinical knowledge and skills will be enhanced by a challenging and complex patient base. This is an awesome and fulfilling learning experience.

INTERNATIONAL CLINIC:

This clinical and cultural experience will offer learning experiences with both patients and citizens of the chosen international destination. Interns will work under the direct supervision of Life University Extension Faculty members providing chiropractic care in a private office.

Clinic Course and Practicum Information (cont.)

Current destinations include: Argentina, Ghana, Peru, Singapore, Sweden, and New Zealand. Participation is limited, so interested students should contact Dr. John Markham at john.markham@life.edu

UNDERGRADUATE STUDENT POLICY:

All undergraduate students currently enrolled at Life University and their families may utilize the Student Clinic. The undergraduate students and their families will receive care at no charge in the Campus C-HOP (Student Clinic).

CLINIC GRADUATION REQUIREMENTS

In keeping with the Standards for Doctor of Chiropractic Programs by the Council on Chiropractic Education, the following will be effective for interns who enter the Life's College of Chiropractic clinic system (8th quarter interns), as approved by the Clinic Council Fall 2006: See Graduation Summary chart below.

For a complete review of the Council on Chiropractic Education Standards, please see their website at: www.cce-usa.org

SUMMARY OF GRADUATION REQUIREMENTS Beginning With 8th Quarter CLIN 3608

	ST	OP	Total
Spinal Adjustment	0-50	200+	250
Case History	0-9	16+	25
Examination	0-9	16+	25
Diagnosis	0-9	16+	25
X-rays	0-6	24+	30
Patient Cases	0-4	8+	12
OSCE	9th qtr.	12 th qtr.	2

Adjustments:

As a fundamental element in the direct delivery of patient care, quantitative requirements must include a minimum of: 250 spinal chiropractic adjustments, provided during 250 separate encounters (200 must be non-student* patients).

History:

A total of 25 case histories must be performed on at least 20 different patients. Of the 20 different patients, 16 or more case histories must be performed on non-student* patients.

Examination:

A total of 25 physical examinations must be performed on at least 20 different patients. Of the 20 different patients, 16 or more physical examinations must be performed on non-student* patients. <u>All examinations must have a CMR, even if the credit has been pulled</u>

Diagnosis

A diagnosis on 25 patients, each with defined case management plans must be performed on at least 20 different patients. Of the 20 different patients, 16 or more diagnosis must be performed on non-student* patients.

Radiographic Studies

30 radiographic procedures; 20 of which must be accomplished through direct patient care and the remaining 10 may be attained through accessory credit.

Evaluation and Management:

Evaluating and managing 35 cases, which, due to their complexity, require a higher order of clinical thinking and integration of data. This would include cases, which demand the application of imaging, lab procedures or other ancillary studies in determining a course of care, or cases in which multiple conditions, risk factors, or psychosocial factors have to be considered.

Patient Case Definition

Interns, who entered the clinic system starting (8th quarter interns) in the winter quarter of 2005 and/or thereafter, are required to complete 12 live cases.

A minimum of 12 cases must be live-patient cases (8 of which must be non-student* patients and 2 of which may be categorized as wellness patients)

At least 10 of these live cases must demand the application of imaging, lab procedures or other ancillary studies in determining a course of care, or have multiple conditions, risk factors, or psychosocial factors that have to be considered and no more than 2 others may be categorized as wellness patients.

In order to receive credit for a live patient case, the following completed procedures will be required

- 1. History
- 2. Physical examination
- 3. CMR (Case Management Review)
- 4. At least one subsequent adjustment

AND/OR

5. Appropriate, documented follow-up

Non-Student definition:

Of the 12 live cases required, 8 cases must be non-students.

A non-student patient is a patient other than a student enrolled in a Life University program or the DCP from other colleges/universities.

Refer to the Intern Handbook on Blackboard CLIN Level I, II, III for complete requirements.

Clinic Re-Entry Information For Students/Interns

Students who have not been active in the Life University clinic system for 1 quarter or more must complete a Clinic re-entry exam. Each student will be evaluated for competency before returning to "Intern status" and being permitted to administer patient care.

A student who is not enrolled in a clinic class (regular or elective) but is registered to take the 9th or 12 quarter OSCE in the same quarter may, if they fully pass that OSCE, utilize that score as proof of their clinical skill in lieu of taking the clinic reentry examinations (additional Re-entry testing for non OSCE accessed areas will still be required) during the following quarter to continue on to the next regular clinic class.

To be considered "Active" in the clinic electives (CLIN 5700 and CLIN 5800) you must complete 10 spinal adjustments, 1 physical and 1 x-ray.

Students needing to take the Clinic Re-entry exam should, upon returning, go to the Registrar's Office and be enroll in CLIN 5600.

The clinical re-entry areas to be evaluated include:

- 1. Life University Clinic Policies & Procedures, including development of a diagnostic impression;
- 2. Physical Examinations: Ortho/Neuro/Visceral /Vitals;
- 3. Technique: MoPal, Toggle, and Full Spine;
- 4. Radiology: Patient Positioning, Hard and Soft tissue.
- Elective Techniques are optional, but must be re-evaluated for competency in order to be used in the clinic.

Highly recommended to returning interns is enrollment in CLIN 5700 (Student Clinic elective) or CLIN5800, (OP Clinic Elective) their first quarter back. Upon successful completion of the re-entry exam, an intern can be allowed time to acquire patients and begin patient care without being held to an adjustment quota.

Updated information regarding re-entry exam dates and times can be found on the **Blackboard site CLIN 5600**.

Clinical graduation requirements for re-entry students will be determined by clinic administration. This will be based on the quarter an intern entered Clinic and the quarter they returned to complete their requirements. Each intern will be advised regarding his or her specific situation.

FUNCTIONAL KINESIOLOGY

Interns must successfully complete both PUBH 5541 and PUBH 5543 to administer patient care in the Functional Kinesiology Facility (Prerequisite: CLIN 3608).

For PT/Rehab state licensure, PUBH 5545 & PUBH 5850 practicums permit interns complete a minimum of 30 documented PT/Rehab visits PUBH 5850 also requires 150 hours of practicum for state's consideration. It is the responsibility of the intern to check the state requirements necessary to acquire a PT license.

Clinic Course and Practicum Information (cont.)

HIPAA

Any student participating in patient care or observation must have completed HIPAA training. Contact Dr. Tim Guest (tim.guest@life.edu) if you have any questions.

STUDENT SUCCESS CENTER (SSC) IMPORTANT NOTICE:

Interns seeking academic accommodations for specific disabilities are required to submit documentation to the Student Success Center (SSC) from a qualified licensed professional (Must verify eligibility according to ADA guidelines).

Interns must submit the proper paperwork to the SSC for each written and lab exam at least 72 hours prior to the scheduled exam and lab exams by week 2. Please see disability services requirements for full details (page 10)

Students enrolled in classes that have timed individually scheduled lab practicals, must inform their faculty members by the end of the second week of classes so that exams can be scheduled and any approved accommodations can be provided. Forms may be requested from your assigned clinic. (Annex C, 770-426-2725)

CLINIC ADMINISTRATION

Dr. Leslie King, Dean of College of Chiropractic Dr. Mark R. Maiyer Director of Clinic Support Services Dr. Michael Pryor, Director of Clinical Education Dr. Bernadette Lavender, Assistant Dean for Clinics, Dr. Timothy Guest Quality Assurance Officer Dr. Susan Sharkey Director, Campus Center for Health and Optimum Performance Dr. John Markham, Executive Director of Level III Clinic Programs Dr. Mark Ferdarko, Director, Center for Health and Optimum Coordinator of College Programs Performance Clinic Administrators and Clinic Faculty can be contacted via e-mail or Dr. Steve Mirtschink, Director of Outreach 770-426-2851 phone. Addresses and phone numbers are listed in the Directory at Dr. Frank Schwitz, Director of Clinic Advisement

College of Chiropractic Announcements - OSCE

COLLEGE OF CHIROPRACTIC ACADEMIC ANNOUNCEMENTS

1

OBJECTIVE STRUCTURED COMPETENCY EXAM

OSCE ALERT -The OSCE's will be held on Tuesday & Wednesday of Week four. The day & time for each OSCE will be announced during CLIN 3701 & CLIN 4801 Week 1 Orientation & will be posted in the individual course syllabus.

CLIN 3701 Orientation, Exam, Additional Information and Remediation Schedule

Orientation Schedule

Location: Room C1 Day: Tuesday

Week one

11:00 - 12:00 Review of OSCE and exam process

Weeks two

11:00 - 12:50 Technique, Case History, Physical exam

Week three

11:00 - 12:50 X-ray review

CLIN 3701 OSCE Exam Week Four

Date: Tuesday or Wednesday of Week Four

Location and time: TBA check CLIN 3701 BB site for more information

Weeks five - ten = Class Meeting, Remediation and Re-testing – See BB week 4

Additional items of importance:

- Check that you have completed ALL pre-requisite courses. *See page 78* for a complete list of CLIN 3701 pre-requisites.
- You are officially enrolled with the Registrar's office for CLIN 3701.
- Update all personal information on BB including phone and email information.
- Review ALL information posted on BB
- Please contact Dr. Rubin, in the Student Success Center, by Friday Week <u>One</u> if you are requesting accommodations under the ADA guidelines
- Complete BB course agreement document by 3:00 pm Tuesday Week 2

Remediation Schedule:

Check CLIN 3701 BB site for detailed information

Weeks five - ten = Class Meeting, Remediation and Re-testing – See BB week 4

Tuesday 11:00 – 1:00 and as posted on CLIN 3701 BB site Check remediation schedule for specific dates and times of CH, Physical Exam, X-ray and Technique remediation sessions and re-test dates.

PLEASE NOTE:

Multi-Failure policies will be applied to CLIN 3701.

Questions can be emailed to krista.boline@life.edu, include CLIN 3701, last name in the subject line.

CLIN 4801 Prerequisite Exemption

A student may meet with Dr. Boline to request to be concurrently enroll in CLIN 4801 OSCE and PUBH 4747 Obstetrics/Gynecology/Proctology.

To qualify for the PUBH 474, CLIN 4801 Pre-requisite, exemption, - A student must have the following; a cumulative GPA of 3.25 or greater,

CLIN 4801 Orientation, Exam, Additional Information and Remediation Schedule

Orientation Schedule

Location: Room C125 Day: Tuesday

Week one

12:00-12:50 X-ray Review

Attendance Optional

Week two

12:00 - 12:50 Review of OSCE and exam process

Attendance Optional

Week three

11:00 - 12:50 **TESTING:** X-Ray and written Critical

Thought portions of exam

CLIN 4801 OSCE Exam Week Four

<u>Tuesday or Wednesday Week Four</u> = Case Management and Critical Thought portion of exam. Location and time determined by group assignments as posted on BB

Weeks five - ten = Class Meeting, Remediation and Re-testing - See BB week 4

Location: Annex C TBA Time: 11:00 - 1:00

Additional items of importance:

- Check that you have completed ALL pre-requisite courses

 See page 78 for complete list of prerequisites required for CLIN 4801
- You are officially enrolled with the Registrar's office for CLIN 4801.
- Verify and update all personal information on BB including phone and email information.
- Review ALL information posted on BB
- Please contact Dr. Rubin, in the Student Success Center, by Friday Week <u>One</u> if you are requesting accommodations under the ADA guidelines
- Complete BB course agreement document by 3:00 pm, Tuesday Week Two.

Remediation Schedule:

Check CLIN 4801 BB site for detailed information

Weeks five - ten = Class Meeting, Remediation and Re-testing - See BB week 4

Check remediation schedule for specific dates and times of CH, Physical Exam, Critical Thought and X-ray remediation and re-testing

PLEASE NOTE:

Multi-Failure policies will be applied to CLIN 4801.

Questions can be emailed to krista.boline@life.edu, include CLIN 4801, last name in the subject line.

CLIN 3601 Clinical Knowledge Competency Test

CLIN 3601 Knowledge COC Assembly

The Clinical Knowledge Competency Test (CKCT) is a requirement of **CLIN 3601** and must be completed with a grade of 70% or greater. The grade for this test will be a "pass", "no pass" exam with 70% or better equaling a "pass". **ALL students must sit this exam and pass it with a minimum of 70% in order to continue on to CLIN 3608.**

- The exam will take place on the Fourth Tuesday (OSCE week) of the quarter at 11 AM in room C125. (Class meets Week 3, Tests week 4)
- Please follow SSC guidelines if you are requesting accommodations under the ADA guidelines for the initial exam Week Four AND the re-test Week Eight.
- If a student receives less than 70% on this test, they will be given one
 opportunity to re-test on Tuesday Week Eight at 11:00 AM. Please
 check blackboard for room assignment.

In order to be eligible to sit for the re-test, a student receiving less than 70% MUST contact Dr. Dahl-Gonsalves at adahl@life.edu to schedule a time to review their exam which must be completed no later than 3:00 pm Friday Week Four.

If a student fails the first administration of this test and does not attend the scheduled review sessions (Week 5-7) they **WILL NOT** be eligible to sit for the re-test and a grade of "NP" for the course will be assigned.

• This test assesses minimum knowledge competency that a Chiropractic student should have up to this point in the curriculum. Content of the exam includes: General Anatomy, Spinal Anatomy, Physiology, Chemistry, Pathology and Microbiology. For more information, see the National Board of Chiropractic Examiners National Board Part I test outline at http://www.nbce.org/written/plans.html#part1. The Clinical Knowledge Competency Test follows this outline with the same approximate percentage breakdown.

Examples of questions include:

1. The lateral portion of the distal articular surface of the humerus consists of a smooth, rounded eminence known as the _____

a. condyleb. trochleac. olecranond. capitulum

2. The anconeus muscle produces what motion of the forearm?

a. extensionb. pronationc. supinationd. flexion

3. Which of the following hormones inhibits uterine contractions?

a. Estrogen b. Progesterone

c. Oxytocin d. Prostaglandins F 2 alpha

4. Which of these lipids is an essential nutrient?

a. lecithinb. cholesterolc. stearic acidd. linoleic acid

All questions regarding this exam should be directed only to Dr. Joseph Forese (Division Chair - Basic Sciences)) at joseph.forese@life.edu. Please put the following in the subject line: CLIN 3601 Knowledge Competency Test - Your last name, First Name and Stu.ID#.

GRADUATION REQUIREMENT – CHIROPRACTIC ASSEMBLY All students in the COC must complete fourteen (14) quarters of Chiropractic Assembly to graduate.

In order to graduate, you must have successfully completed 14 quarters of Chiropractic Assembly. Chiropractic Assembly is designated CPAP 1500. Each quarter, three Chiropractic Assemblies are held in the Main Gym on Thursdays of Weeks 2, 4 and 6 (subject to change). You are required to attend all three (3) Chiropractic Assemblies offered each quarter in order to earn a passing grade in Assembly for that quarter.

There is **no charge to register** for Chiropractic Assembly, and Chiropractic Assembly **does not count** for any credit hours. Consequently, your grade in Chiropractic Assembly **has no impact** on your quarterly or cumulative GPA.

All DC students expected to register for Chiropractic Assembly (CPAP1500) each and every quarter.

Attention! If you attend three Chiropractic Assemblies during a quarter, but are **not registered** for it (CPAP1500) on your quarterly registration form, your grade cannot be entered at the end of the quarter and you will not receive credit for that quarter's Assembly attendance. If you realize, sometime during the quarter, that you haven't yet registered for Chiropractic Assembly, you can register at the Registrar's Office at that time.

All Chiropractic Assembly attendance is posted on Blackboard by the Monday after an Assembly on Thursday.

If you have to miss a scheduled Chiropractic Assembly, you will be required to make it up by viewing the Assembly you missed in the Library, writing a short review of it, and turning in the written review to the Librarian.

Several other courses also count toward the fourteen (14) quarters of Chiropractic Assembly required for graduation. These include the following:

- One (and only one) quarter of an "Immersion Clinic" (either CLIN 4834, CLIN 5833, or CLIN 5854) can be used to count toward an assembly credit (Effective for Winter 2009 Graduates and thereafter)
- If you took Doctor Patient Relationship (CPAP 2311) under the old curriculum, it counts as one (1) of your fourteen (14) required Chiropractic Assemblies
- Completion of three (3) sessions of NBCE Prep Assembly (see below) counts as one (1) of your fourteen (14) required Chiropractic Assemblies: Reg 1 Crse
- Completion of six (6) sessions of NBCE Prep Assembly (see below) counts as two (2) of your fourteen (14) required Chiropractic Assemblies Reg 2 Crses
- Exemptions due to Research Tract participation & graduation plannig

Students should register for only one assembly course in any one quarter.

To register for an additional Chiropractic Assembly (CPAP 3214 – Make-up Assembly), a student must:

- Be in eleventh quarter or above, or need to complete additional quarters of Chiropractic Assembly in order to "catch up" from earlier missed Assemblies, and
- Consult with the Chiropractic Assembly Program Coordinator (Dr. Koch 770-426-2709 or dkoch@life.edu).

You must register for additional Assemblies at the COC Associate Dean's Office via Drs. Roche or Sheres.

Any Assembly Questions?

- Use your online access on Blackboard where the Assembly syllabus, schedule and attendance records are posted.
- Check the Chiropractic Assembly Quarterly Schedule on the bulletin boards outside of the Chiropractic Sciences Division office, the College of Chiropractic offices, and the Library.
- Any grade changes must be submitted by Friday, 5:00 p.m. of Week 10f the following quarter. No grade changes will be considered after this date.
- Any other questions—please contact the Chiropractic Assembly Program Coordinator (Dr. Koch – 770-426-2709 or dkoch@life.edu .

National Board (Cont.), National Board Assembly

GRADUATION RESEARCH TRACK IN DCP *AMENDED SPRING 2013*

Within the graduation requirements for the Doctor of Chiropractic there is now a new opportunity for those students who are interested in or develop an interest in doing research while completing their Doctor of Chiropractic degree. In addition to doing research is the opportunity for additional graduation acknowledgement by completing "Research Track" academic requirements.

The requirements for graduating and documenting the DCP "Research Track" begins by connecting with Dr. Matt McCoy, and making an application for acceptance into the "Track." This opportunity for application can normally be made after the completion of the first six quarters of the DCP.

All individuals accepted for participation must complete a minimum 21 credit hours of research. In addition to the required (for all DCP students) research classes, other research course hours will be substituted for the following;

1. Up to 12 cr. hours from 21 electives hours

2. 4 credits from the PPBM Business classes as follows:

a. PPBM 4511 Principles of Marketing	(2 crs.)
b. PPBM 4520 Small Business Management	(2 crs.)

Therefore, the Research Track consists of the following:

Research Academics required for all students DC degree:

1.	RSCH 2501	Introduction to Research	2 cr.
2.		Research Methods & Design	2 cr.
		quired for most students who start prior to 2006, I be needed from either #4 or #5 below)	
3.	RSCH 4801	Sr. Research Presentation	1 cr.

Additional requirements required for "Track" = 16 cr.

4. RSCH 5686 Indiv. Research Study minimum 8 cr.

5. RSCH 5701 Adv. Research Study minimum 8 cr.

Total Credits for DCP Research Track; min. 21 cr.

Upon acceptance into the "Research Track," a research track graduation plan will be created, approved and signed before the plan is forwarded to the official files stored in the Registrar's Office. Part of the plan will include courses (other than Research courses) that can be taken as independent study so that additional (other than the contracted/registered research courses) "release time" in each quarter is available for pursuing research. Once placed into Research Tract assemblies are exempted (providing the student graduates with the Research Tract) (see Research Tract Handbook page 19 for information)

For further information contact (preferably e-mail) Dr. Matt McCoy, at mmccoy@life.edu.

NATIONAL BOARD INFORMATION (NBCE)

Entire application process is electronic via NBCE website at http://mynbce.org/ Click on "My Account". Then either click to setup an account or log In to your previously used account.

Life University qualifying eligibility for National Boards rules allows applicant/examinees to be enrolled in one final qualifying course at the time of application for either Parts 1, 2, and/or 3. The other qualifications for "certification-of-eligibility" by the Life University Registrar's Office are listed below.

Requirements/Rules for Certification of Eligibility

See Life's Web site: www.life.edu/info/info-basic/info-basic-nbce-for
NBCE Board Eligibility Document of specific courses

To take Part 1

You must have successfully completed all basic sciences and related courses through sixth (6th) quarter.

To take Part 2

All courses must be satisfactorily completed through either;

- 1. ninth quarter, and have at least a 3.25 cumulative GPA (with no F's) or
- 2. tenth quarter

Assembly, clinic practicums, research & electives currently are not considered. It is strongly recommended that students be registered for or completed the appropriate, recommended, board related, 11th quarter classes.

To Take Part 3: EFFECTIVE FALL 2010

NBCE <u>requires</u> that you must have passed **all** of **Part 1** of the Boards before applying and that you be within nine months of graduation <u>at examination time</u>.

Life University will certify you if, in addition, you have satisfactorily completed all classes through tenth quarter, and qualify by either eligibility option 1 or 2 below. (To qualify for a March Exam = Graduation must be by September of the same year; for a September Exam = Graduation upcoming must be by March of the upcoming year)

Eligibility Option 1: - Standard Graduation Plan
Registered (with prereqs done) or have passed CLIN 4801 (12th OSCE)

Eligibility Option 2: - Utilizing a plan with double clinic

- 1. Will be able to qualify for a double clinic the QTR AFTER NEXT. (either CLIN 4813 and CLIN 4814 or CLIN 4834(5854)
- *The options are based on NBCE's required "within 9 months" and the DCP new double clinic policy.

To Take PT Exam: (NBCE Requires)

Applicants must have passed and completed a minimum 120 hrs. PT Coursework. (Hrs. must be certified by Course sponsor, i.e. Life University)

Life University certifies eligibility if the following courses PUBH 3684, PUBH 5541, & PUBH 5543 (or the MSHS equivalents) has all been completed successfully

(The course is only considered "successfully completed" when a passing grade is earned.)

To Take Part 4:

NBCE Requires successful completion of all parts of Part I and the applicant is within 6 months of graduation prior to taking the test. Life University requires the candidate to be Part 3 eligible at the time of application. (For this November Part 4 testing, you must be able to graduate by or before the upcoming March; for this May Part 4 testing you must be able to graduate by or before this September)

National Board (Cont.), National Board Assembly

IMPORTANT DATE REMINDERS: Upcoming Part 1, 2, 3, & PT Exams

Spring 2016 Exam:	5/13-15/2016
Fall 2016 Application Deadline:	8/16/2016
Fall 2016 Exam:	11/11-13/2016

^{*}Life University deadlines may be earlier than NBCE to allow for processing

National Board Applicant Alerts

National Board Applications that are to be certified for eligibility by the Registrar's Office must be submitted prior to the posted **NBCE deadline** date. Any application presented after stated normal deadline will be treated accordingly.

(Only Retaking Exam(s) does not need to be re-certified)

Applications submitted after the Life University deadline and prior to the Tuesday's NBCE postmarked, deadline date, may still be evaluated for certification by the Registrar's Office. Be aware that you need to save enough time from Life's eligibility certification to allow for payhment and photo upload electronically to NBCE by NBCE Deadline.

Applicants who are deemed not eligible for part of the requested exams will have their applications adjusted or denied.

Please be advised: The Registrar's Office will no longer take any applications that are mailed in to their office. Therefore, if you intend to apply do so online with the NBCE website.

NBCE Parts 1, 2, and 3 required in all states and US territories including the District of Columbia, the Virgin Islands, and Puerto Rico (2009) toward Chiropractic License eligibility.

NBCE Part 4 is accepted/required in all US territories **including Michigan**, the District of Columbia, the Virgin Islands, and Puerto Rico and all states **except Illinois** toward Chiropractic License eligibility.

Some Chiropractic Board's license eligibility are based upon required higherthan-minimum NBCE passing scores Always check with each State's and/or territory's board for updates. (See examples below)

Special Assemblies – "Preparing for National Board Exams"

During Winter and Summer quarters only, The College of Chiropractic offers special assemblies for registered National Board examinees discussing general test-taking and study strategies for Parts 1 & 2 including their respective component exams.

There will be offered at least six –eight sessions each for both Parts 1 and 2. A student can earn up to two quarters of assembly credit by attending all of the sessions that correspond to the part of the Board they are preparing for.

A schedule of locations, dates and times will be posted on the NB 101 Blackboard Website Week 1 of Summer and Winter Quarters.

- 1. Registration for the special assemblies is permitted for registered board applicants.
- 2. Registration in the courses below & appropriate attendance will count toward graduation assembly credits.
- 3. You should register and attend for both of either, 1A & 1B (for part 1) or 2A & 2B (for part 2).
- 4. You need to attend at least 6 (weeks 2-7) to get credit for both NBCE Preps assemblies for the quarter.
- 5. Attendance of 3 but less than 6 will give only a pass for one assembly (based on which of weeks were attended)
- 6. Non-registered attendees are welcomed, but graduation assembly credit will be granted only to those whom are registered.

We encourage all students who are taking National Board Examinations to attend.

State Board Contact Information

STATE BOARD INFORMATION:

If you have any questions regarding the requirements for a particular State Board including Physio-Therapeutics, you will need to contact that State's licensing board office for more information. The Registrar's Office, and Library, have current telephone and fax numbers as well as addresses for each State Board.

CALIFORNIA STATE BOARD ALERT!

This State requires lab assessment time toward GYN and Proctological Exams. *Take PUBH 4208 or PUBH 4747*

To satisfy PT. requirements, completion of PUBH 3684, 5541, 5543, &5545 is required. Or MSHS equivalents (6/30/01 Cal. Brd. ruling)

MARYLAND STATE BOARD ALERT!

Effective 1/6/14 Licensure requires 120 hours* of PT & National Board scores to Part 3 and PT = 438 & for Part 1, 2, and 4 = 375. *the 270 hour; requiring additional 150 hours, is no longer required.

MICHIGAN STATE BOARD ALERT!

Graduates are required to have passed all parts of NBCE (Parts1-4) for License eligibility.

NEVADA STATE BOARD ALERT!

Licensure requires National Board scores to be 75% for Part 3 (438) & 4 (375).

NORTH CAROLINA STATE BOARD ALERT!

Licensure requires National Board scores to be for Part 4 (475).

OHIO STATE BOARD ALERT!

Graduates 1/1/00 or after are required to have passed all parts of NBCE (1-4 & PT) for Ohio License eligibility.

To satisfy PT. requirements, completion of PUBH 3684, 5541, 5543, are required. Or MSHS equivalents

OREGON STATE BOARD ALERT!

The Oregon State Board requires 36 hours of instruction in minor surgery/proctology. Western States Chiropractic College offers an approved 36 hr. continuing education course to meet licensure eligibility. WSCC offers this also as Distance Learning Course. Call (503) 251-5717.

PUERTO RICO BOARD ALERT

Starting 2006, Requiring Part 1-4 of NBCE.

TENNESSEE STATE BOARD ALERT!

Licensing requires Nat. Boards successful completion of parts 1-4 & PT, then an interview & a State Jurisprudence Test Effective 1/1/99.

WEST VIRGINIA STATE BOARD ALERT!

Licensure requires NBCE scores to be for Part 4 (min. 475).

WISCONSIN STATE BOARD ALERT!

Licensure requires National Board scores to be for Part 3 (min. 438) and Part 4 (min. 475). See "Instructions to Applicants" #3c

US BOARDS REQUIRING BACHELOR'S DEGREE:

Per FCLB Directory

Alabama

Beginning January 2010, applicants will be required to have a four-year degree prior to licensure. **NEW**

Florida

Students matriculating after July 1, 1990 require a 4 year Bachelor's Degree. Effective July 1, 2000 3 yr. Pre-chiropractic education and Bachelor's Degree required prior to License.

DC Degree cannot include undergraduate advance standing credit.

Kansas

Requires students matriculating after January 1, 1999 to have a Bachelor's Degree. <u>Degree must be obtained prior to entry.</u>

Louisiana

Beginning January 2011, applicants will be required to have a four-year degree prior to licensure. **NEW**

Maryland

Students matriculating after July 1, 1991 are required to have a Bachelor's Degree. Degree must be earned prior to entry; however, Maryland is proposing a change.

Montana

Students matriculating on or after October 1, 1995 are required to have a Bachelor's Degree prior to licensure.

New Jersey

2 yrs. of pre-chiropractic but also must obtain a pre-chiropractic education certificate from NJ Department of Education

North Carolina

Beginning July 1, 1993 students must have B.S. or B.A. prior to sitting exam.

Ohio

Effective June 30, 2010, Applicants are required to have a bachelor, master or doctorate degree prior to licensure

Rhode Island

Requires 4 year pre-Chiropractic Bachelor's Degree.

South Dakota

Minimum requirements for licensure for graduates on or after January 1, 2011 will include a baccalaureate degree in addition to a Doctor of Chiropractic degree. **NEW**

Tennessee

Students matriculating after the year 2000 requires a 4 year Bachelor's Degree prior to licensure.

West Virginia

Beginning July 1, 2005 students must have B.S. or B.A. prior to matriculation.

Wisconsin

After 07/01/98 a 4 year degree is required prior to licensure.

Puerto Rico

Starting 2006 a 4 year degree is required.

Virgin Islands

4 year B.S. required.

COLLEGE OF CHIROPRACTIC State Board Contact Information

British Columbia, Canada

Saskatchewan, Canada

Effective 1/1/97 3 year toward B.S. or B.A. required.

Effective 1/1/97 3 year toward B.S. or B.A. required.

Final Exam Center Rules and Procedures

FINAL EXAM CENTER RULES AND PROCEDURES:

- Students should be prepared to enter exam center 10 minutes prior to the scheduled start of a given exam.
- Students must wear/present their I.D. badges or have their driver's license with a picture so that they may enter the test center. (no photo ID, no entry)
- Unauthorized or unidentified persons will not be allowed in the final exam center. Children or babies will not be permitted to enter the exam center.
- Student will be permitted to bring only yellow #2 pencils into the test center.
- 5. The following items will not be permitted in the final exam center: Hats, caps, purses/pocketbooks, brief cases, pouches, knapsacks, books, notes, or papers of any kind, cell phones, PDAs (or like devices), radios, earphones or headsets, and/or any recording devices, etc. Calculators may be an exception if so designated by the lead instructor of a specific examination.
- Upon entry to the final exam center, find an appropriate row for your exam and seat yourself. Be prepared to listen to final exam center instructions.
- Photo ID badges or driver's licenses are to be displayed on the desktop throughout the examination period.
- Students will not be permitted to enter the test center after the doors have been closed and the distributions of tests have begun.
- Once the examinations have begun, students will not be allowed to ask
 questions. Any comments the student may have should be written on
 the front or back of the test booklet. (Replacement Scantrons and
 extra pencils may be obtained from the nearest proctor).
- 10. After finishing the exam, take your exam materials and ID, and quietly proceed toward the exam center exit. Before exiting, place your exam booklet and scantron in the box that corresponds to the row letter of your exam. Failure to do so may result in a failing grade for the exam and for the course.
- 11. Students are not allowed to remove exam materials; test booklets, scantrons sheets or scratch paper from the exam center.
- 12. Exit the testing area immediately. There is to be no talking to anyone. There will be absolutely no loitering in the halls, near the entrance, or the exit to the exam center while exams are in session.

Please Note:

You must resolve any prior class assignments, grades and/or attendance disputes or matters no later than the last day of class. When you take the final exam, no grades can be initiated for any reason that existed prior to taking the final exam.

If at any time students violate honesty and integrity or test-taking behavior expectations during an examination, they will be subject to the disciplinary action procedures described in the Life University's *Student Code of Conduct*.

Instructions for those students who are scheduled for two examinations during the same testing period:

- Students with more than one examination scheduled at the same time will report to the testing center at their regularly scheduled test time.
- The student will take the first exam of their choice and complete the exam before taking the next one.
- The student will turn in their first examination to the appropriate instructor.
- 4. The student will notify the lead instructor for the second examination scheduled of the need to take that examination.
- 5. Prior to taking the second examination, the Testing Center Supervisor must secure the starting and stopping time for each student taking the second examination. This information will be entered on a special form at the front of the Testing Center.
- The student will have the regulation time (one hour and fifteen minutes) to complete the second exam.

Posting of Final Grades by Instructors (Unofficial)

Instructors are requested to post final grades on *Blackboard* within 24 hours of the end of their final exam.

Submission and availability of Official Final Quarterly Course Grades

Grading errors, miscalculations or disputes should be corrected before the official final grade roster for each course is returned to the Registrar's Office.

Official final grades are due in the Registrar's Office 48 hours after the final exam is given.

Transcripted final grades will be available, to students, Web Advisor, the Wednesday after the quarter (Week 12) has ended.

Final Examination Attendance:

All exams and course work must be completed as scheduled unless PRIOR approval is granted or unless certain bona fide emergencies arise. (See acceptable excuses below)

Acceptable Excuses: Acceptable excuses include death of family member, personal sickness, and imminent death of immediate family member.

Excuses for missed final exams due to health must be signed and documented with letterhead, address, and phone number of the licensed health care provider, and must contain the following statement: "The patient was confined to his house or admitted to the hospital from (time) on (date) through (time) on (date) for sickness or injury."

Confinement is defined as the inability to leave the house except to obtain health care or engage in prescribed activities which are primarily therapeutic and not social, recreational, business, or educational in nature.

Excuses for missed final exams due to death of an immediate family member must be signed and documented with letterhead, address, and telephone number of clergyman or with obituary.

Such documentation MUST be presented to the instructor(s) within the first week upon return to class(es), with an information copy furnished to the dean of the respective college. Failure to do this within the specified time will result in the student's absence being charged as an unexcused absence and will result in the assignment of a failing grade for the final exam and may result in the assignment of a failing grade for the course.

The acceptable excuses listed above for cuts are the only acceptable excuses for make-up exams. It is the responsibility of the student requesting a **bona fide** make-up to contact the instructor within one week of their return to campus to request arrangements for make-up testing. Failure to make-up missed exams will result in a zero for that exam.

Calculation of grades missing the final exam may result in a student receiving a grade "I".

Calculation of grades with the final exam and missing other required coursework made-up and/or submitted may result in a student receiving a grade "F"

COLLEGE OF CHIROPRACTIC ADVISEMENT

Advisement, List of Advisors, DCP Course Offerings by Qtr.

FIRST QUARTER

ANAT 1502 Embryology

Advisement

Life University recognizes the role of advisement in the educational process and the responsibility of both our PASS Advisors and faculty in providing effective advisement. Advisement does not focus exclusively on the student's course scheduling but represents an opportunity for PASS Advisors, faculty advisors, and the University to express a special interest in both the personal and academic welfare of the student.

Academic involvement in student advising includes advisement in the area of academic preparation and mentoring to students. Advisors provide individual advisement to students, serve as club advisors, and mentor students in career path choices and other areas as needed.

In order to improve the efficiency of advisement for the <u>College of Chiropractic</u> PASS Advisors have been introduced and a central office is established to provide student advisement. Student advisement is coordinated through the Dean's Office by Dr. Deborah Roche and the Director of Student Advocacy and Advisement, Tameka Glass.

Dr. Deborah Roche will coordinate advisement and refer students to appropriate student services/faculty as needed. Selected faculty and the Technical Resource Advisor, Dr. Brian Sheres, will also assist with advisement. These will include advisement and registration for first quarter DCP students and advisement of students with advisement/registration problems.

Advisement dates

Advisement for returning students is available throughout the quarter. Pre-registration advising appointments begin Week 7 and continue through the end of each quarter. Students who entered Fall 2009 or later must see their advisor (PASS or faculty) prior to pre-registration in order to be cleared for Web Advisor pre-registration. Students may be advised by their PASS advisor or faculty advisor.

PASS and Student Advisors will be available for advisement week 6 through week 11 each qtr.

Please remember these advisors are there only to expedite and assist. Under absolutely no circumstances are their recommendations valid if it contravenes existing, published University policy.

You are responsible for your schedule and your education.

COLLEGE OF CHIROPRACTIC STUDENT ADVISORS

Advisor	<u>:</u>	Department
Dr.	Roche	COC Advisement Office
Dr.	Sheres	COC Advisement Office
Ms.	Casey	COC Advisement Office
Dr.	Numeroff (AAT Advisor	c) COC Dean's Office
Dr.	Afsharpour	Basic Sciences
Dr.	Mayne	Basic Sciences
Dr.	Ravikumar	Basic Sciences
Dr.	Kinard	Chiropractic Sciences
Dr.	Krothe	Chiropractic Sciences
Dr.	Oppenheim	Chiropractic Sciences
Dr.	Strong	Chiropractic Sciences
Dr.	Capes	Clinical Sciences

Textbooks for all Courses:

Textbook Information for required and supplemental materials for all courses can be found at the University bookstore link: <u>LIFE.Textbookx.com</u> and within each course's syllabus on the respective course's Blackboard site.

EFFECTIVE SPRING 2016

New Changes/Additions Are Listed In Bold & Yellow.

All required classes are offered every quarter. (Unless otherwise indicated) Classes with prerequisites are those courses that have a "P" next to the credits. You may wish to use this curriculum sheet to help monitor your academic progress.

DCP Prerequisites Policy

Prerequisite Policy

Life University's recent technology upgrade for academic records will allow the College of Chiropractic to track students who are enrolled for courses without completing their required prerequisites. Prerequisites for courses will be strictly enforced to the extent that class rosters will be checked during the quarter and any student who has not completed prerequisites will be dropped (no tuition forfeiture but \$25.00 drop fee) from the course without warning and too late in the quarter to add another course. A decrease in credit hours caused by this type of drop in course load could change your financial aid status (will effect "frozen hours as calculated by financial aid) and result in unnecessary tuition expense. Please check your prerequisites carefully- especially if you have recently failed a course!

COLLEGE OF CHIROPRACTIC – DCP SCHEDULING

Special Announcements and Modified Schedule Lecture Grids - For Spring 2016

Special Announcements / Current Alerts for College of Chiropractic

- 2. You may now <u>delete</u> weekend or 2nd 5 week courses up to start date of the class by Friday at 5pm and receive a full tuition refund. Please be advised deleting a course may affect your current quarter's financial aid status if this lowers your credits hours attempted below key financial aid thresholds and you may want to consult with your financial aid adviser prior to deleting a course. After Friday at 5pm of the course's start date you can still <u>drop</u> the course (minus \$25.00 drop charge and tuition forfeiture according to drop course refund chart) and you will receive a grade "W" or "WNP" based upon the date of the drop (this "drop" does not impact the current quarter's financial aid status).
- 3. DCP Modified Schedule plans are again available.
- 4. Effective Spring 2015: Please make sure that you have taken either of the following 5 credit options prior to graduation:
 - a. CPAP 3625 (Introduction to Wellness) = 3 credits and PUBH 1515 (Basic Public Health) or PUBH 3515 (Environmental Health) 2 credits
 - b. CPAP 3625 (Wellness and Spinal Hygiene) 2 credits and CPAP 1525 (Lifestyles for Health: Intro to Wellness) 1 credit = 3 credits and PUBH 1515 (Basic Public Health) or PUBH 3515 (Environmental Health) 2 credits
- 5. Effective Spring 2015: Double Peak has new qualifications see page 70.
- 6. ***NEW Prerequisite for PSYC 3505 Human Development now requires CLIN 2506 Effective Fall 2014***
- 7. New Beginning Spring 2014 all Interns going into Level III (PEAK or otherwise) must completed CLIN 4812 Level III Clinic Experience Orientation
- 8. Maryland now only requires 120 hours of PT & PT NBCE (no longer need 270 hours (Effective 1/6/14)
- 9. CLIN 3507 has been changed from 1 credit to 2 credits effective Fall 2105. Total Grad credits from @341 to @342
- 10. CLIN 3601 Clinical Knowledge Competency Test has been created for Fall 2013 (Split test from CLET 3757)
- 11. Clinic Re-Entry Information for Students/Interns Students who have not been active in the Life University clinic system for 1 quarter or more must complete a Clinic re-entry exam or OSCE. See page 73 for more information
- 12. New PEAK / Outreach Elective CLIN 5823 being offered after completion or CLIN 4812 & CLIN 4801or CLIN 4813 (or 5833)
- 13. Life University Qualifications implemented for NBCE Part 3 & 4 Must be able to graduate;
 - a. by next March for upcoming Sept Part 3 / November Part 4 testing OR
 - b. by next Sept for upcoming March Part 3 / May Part 4 testing
- 14. New minimum DCP GPA to take an Overload Policy (Effective Winter 2011) -

A Cumulative GPA of 3.0 will now be required to take more than 26.5 credits (4th qtr. 27.50) in one qtr. The Maximum is still 31. Student in non-compliance will be put into compliance by being removed from courses. A \$25.00 drop fee may be applied.

Future Schedule Planning Information

Only one section of lectures is indicated here, if a second is created it will be as needed for a specific qtr. and not useful for long range planning or annual

It should be noted that room designations are not always listed on these grids because from quarter to quarter the rooms may change.

Reference the current Lab offerings on the previous pages. It is anticipated, for future planning, the Labs designate A-E will not change times, days nor rooms from quarter to quarter.

Lab schedules beginning with the letter "F" and higher will also stay reasonably the same but will be dependent on class size and need in each future quarter.
