

Residents of LIFE's Village Retreat

Please read the entire notice. It contains important information regarding parking on campus.

As we enter the Fall Quarter, several changes in the LVR Parking deck will become apparent. For those of you who have paid for reserve parking, there will be parking on the top two levels of the deck. Reserved spaces are marked as "Reserved" in red. Individual spaces are not assigned; you may park in any space that is marked as "Reserved" in red.

Some of the reserved spaces are under cover and some are not. It is first come, first served for reserved spaces.

Only those with the correct decal may park in spaces that are marked as "Reserved" in red. Any car parked in the yellow lined spaces will be subject to the Life University parking regulations (no overnight parking) and be appropriately ticketed and Barnacled.

All current residents who have reserved parking **MUST** visit Campus Safety to update your decal prior to the end of the first week of classes.

Effective Fall Quarter (October 1, 2018), all current students who were residents of LVR who have a Red Decal that moved off campus must go to Campus Safety and exchange the Red Decal (LVR parking Deck) for a Green Decal.

If you are a resident who did not pay for reserved parking, go to Campus Safety and get a replacement decal (Red for Blue). You will be required to move your car off campus to the Studio Movie Grill lot. You may park your car on campus, other than in reserved New Commons parking spaces, from Friday at 6:00 p.m. until Sunday at 11:00 p.m. We will begin enforcing parking regulations at the beginning of the quarter.

Only those residents who have "Reserved" parking may park on campus **overnight** Monday through Thursday night.

Thank you for complying with our campus parking rules and regulations to help manage parking for all of the constituents of LIFE's campus.

If you have questions, email Parking@LIFE.edu, and we will respond as quickly as we can.
