

# QUARTERLY COST OF ATTENDANCE

## 2022-2023

Cost of Attendance (COA) is an estimate of the total amount it may cost you to go to school for an academic period. The COA (or financial aid budget) is not a budget comprised of your personal expenses but are educational expenses that the government considers to be related to the pursuit of a degree or certificate. COA includes tuition and fees, room & board or living expenses, allowances for books & supplies, personal expenses, loan fees and transportation. **The COA is determined by the school using guidelines established by federal regulations.**

### PLAN AND FORECAST THE NUMBERS:

To calculate your tuition and fee charges:

# of credits \_\_\_\_ X \$\_\_\_\_ tuition per credit (by program) = \$\_\_\_\_\_

\$\_\_\_\_\_ + \$497 quarterly fee = \$\_\_\_\_\_ Total tuition/fees for a quarter

Life University is a private institution and has the same tuition per program for all students, whether they have in-state or out-of state residency. All students are charged a quarterly administrative fee of \$497. This fee includes, but is not limited to: information technology, ePrint, parking, campus shuttles, lab fees, graduation, orientation, fitness center, intramural and club activities. **Amounts effective Summer 2022.**
