

# Quarterly Cost of Attendance 2023-2024

Cost of Attendance (COA) is an *estimate* of the total amount it may cost you to go to school for an academic period. The COA (or financial aid budget) is not a budget comprised of your personal expenses but are educational expenses that the government considers to be related to the pursuit of a degree or certificate. COA includes tuition, fees, living expenses, books & supplies, personal expenses, federal loan fees, transportation expenses, and professional license costs. **The COA is determined by the school using guidelines established by federal regulations.** Amounts effective Summer 2023–Spring 2024.
