Your 2017–2018 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, Life University may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information the verification coordinator will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected.

 - Check here if your 2015 IRS Tax Return Transcript was previously submitted to our office.

If the student's parents filed separate 2015 IRS income tax returns, 2015 IRS Tax Return Transcripts must be provided for both. Verification cannot be completed until the IRS tax return transcript(s) has been submitted.
