

Eagle Express Shuttle Schedule & Best Practices

**route colors listed as they appear in Transloc® app*

For the safety of all passengers, please show your LIFE Eagle Card when boarding.

The AM/PM shuttle will depart C-HOP at 6am, M-F and loop the route until 8am, then begin rotating Routes A, B & C. At 8am, a second shuttle will begin a second rotation of Routes A, B & C. At 10am, our 3rd shuttle starts a third rotation of Routes A, B & C. At 5:30pm, the AM/PM Route is begins looping again until 7pm.

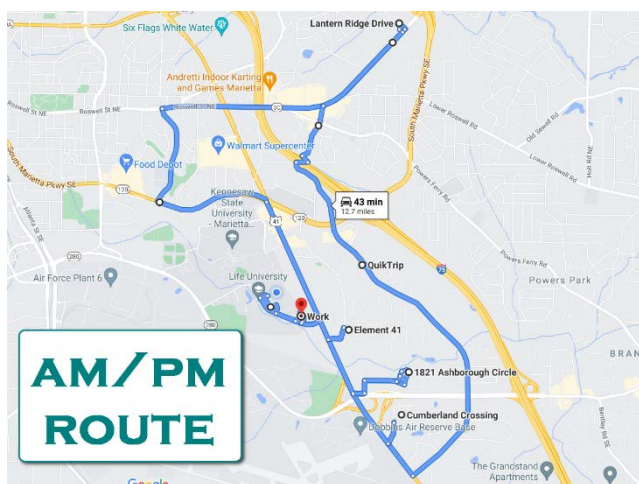

If you do not see an actively moving vehicle on a given route, it is currently “out of service” – which could mean the driver is on lunch/dinner break or off for the day. Stationary shuttle icons indicate the shuttle is simply paused at a given stop, the driver is stretching their legs or that they are filling up the gas tank. Service announcements detailing extended periods of non-service will be shown in the app.

Each route begins at C-HOP, passes by the CCE Plaza (Safety Pin), Lot M (LRC/Lyceum Park), LVR (rear turnaround), the Commons (outside Lyceum Dining Hall) and Lot K (across from Campus Safety). As it departs Barclay Circle it stops at the stairs to Lot G (clocktower crosswalk), the bridge entrance to the Sports Complex and then the entrance to Lupo Family Field (C-HOP crosswalk). Each route has a trip time of approximately 35 minutes but can fluctuate based on traffic.

Use the [Transloc®](#) app or a [browser](#) to see routes, service announcements and active shuttle locations. While there are no “campus only” routes, all routes except the AM/PM Route do travel the main campus areas.

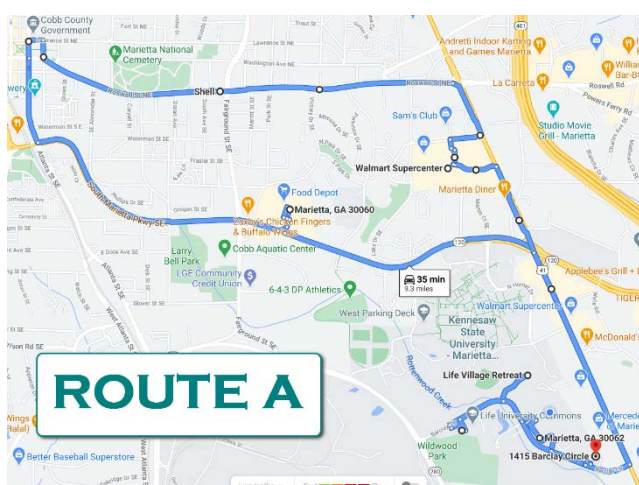

Please send your feedback to Shuttles@LIFE.edu. Thank you for your support.
