Tuition, Education, and Textbook Amounts Certificate – University Outside Canada

Protected B when completed
Year: 20__

- This certificate is used to certify eligibility for the tuition, education, and textbook amounts of a student attending a university outside Canada and to show the maximum tuition, education, and textbook amounts a student can transfer to a designated individual. Do not enter the cost of textbooks on this form. Students calculate the textbook amount based on the number of months indicated in box B or C below.

For more information on claiming the tuition amount, educational programs that qualify for either the full-time or part-time education amount, and the textbook amount, see Guide P105, *Students and Income Tax*, at cra.gc.ca/forms.
