Student Name _____ Student ID# _____

You indicated on your 2024-2025 Free Application for Federal Student Aid (FAFSA) that you have special circumstances regarding your family situation and therefore you did not provide parental information. Under the Higher Education Opportunity Act (HEOA), effective August 14, 2008, dependent students may be eligible to **receive only Federal Direct Unsubsidized Loans** if the parents have ended financial support and refuse to file the FAFSA.

NOTE: Without parental information on the FAFSA, you will NOT be eligible to receive any Federal Grants, Direct Subsidized Loans, or Federal Work Study and your financial aid award may be less without parents' information.

If you did not provide parental information on the FAFSA due to an abusive family environment, neglect, or abandonment by the parents, please contact your Financial Aid Counselor regarding a potential unusual circumstance override.
