# The Commons Meal Plans

2018/2019  
Life University

All residents of The New Commons will be required to purchase a meal plan. We have meal plans to match every budget that can be used at The New Commons Dining Hall, Socrates Cafe, Plato II Go and Eagles Landing. Current choices are:

## "The Commons 120" Plan

- 120 meals per quarter and \$350 in eBucks
- Standard - \$1200 per quarter

## "The Eagle 190" Plan

- 190 meals per quarter and \$300 in eBucks
- Premium - \$1600 per quarter

eBucks (formerly Eagle Dollars) are placed on the student's Eagle Card and will be set up as a declining balance to be used in excess of the regular meals. eBucks can be used in any dining facility except the concession stand, vending and laundry machines.

Upon entering the dining facility, students will be able to swipe their Eagle Card and select from the "all you can eat" menu. Dispensed beverages are "all you can drink" if consumed in the dining hall, while bottled beverages (available for individual purchase) are not.
