# The Commons Meal Plans

2018/2019  
Life University

All residents of The New Commons will be required to purchase a meal plan. We have meal plans to match every budget. Plans can be used at The New Commons, Socrates and a variety of on-campus dining locations. Current choices are:

## Standard Plan

- 120 meals per quarter  
and \$350 Eagle Dollars
- Standard \$1200 per quarter

## Premium Plan

- 190 meals per quarter  
and \$300 Eagle Dollars
- Premium \$1600 per quarter

Eagle Dollars are placed on the student's ID card and will be set up as a declining balance to be used in excess of the regular meals. Eagle Dollars can be used in any dining facility except the concession stand, vending and laundry machines.

When entering the dining facility, students will be able to swipe their cards and obtain all the food they can carry (excluding fountain drinks). Fountain drinks include sweet tea, lemonade, apple juice, orange juice, cranberry juice, water, coffee and hot tea.
