

# Your Time is Valuable

The Student Accounts Department has implemented an easier way for students to manage their bank account information to receive direct deposits from Life University. Our new electronic process is as easy as 1-2-3. You can now add, delete or make changes to your bank account information on line! Direct Deposit

Enrollment forms will no longer be necessary or accepted. Students will now be responsible for managing all bank account information via our **new online portal, EagleNet.**

New students don't delay! Please enter your bank account information to receive your direct deposit in a timely manner.
