ANNUAL LIGHTS OF LIFE TO COMMENCE THANKSGIVING EVENING, NOVEMBER 23, ON THE CAMPUS OF LIFE UNIVERSITY

Marietta, Georgia, November 8, 2017 – The 2017 edition of the annual Lights of LIFE on the campus of Life University (LIFE) will commence on Thanksgiving evening, Thursday, November 23 and will run every night, rain or shine, through New Year's Eve, Thursday, December 31.

LIFE introduced the Lights of LIFE in 1989 as a gift to the local community, and it has now grown to be one of the most popular light shows in the Southeast, attracting nearly half a million spectators from the surrounding region. Cars, vans and buses cruise through the spectacularly illuminated campus each year, often stopping along the 1.5-mile drive to enjoy an array of seasonal entertainments.

Costs are \$5 per car Monday-Thursday, \$10 per car on Friday-Sunday, as well as November 23-26 and December 15-31. It is \$20 per bus at any time. Families are encouraged to come during the week to take advantage of the lower price, as well as to avoid the busier weekend traffic. The display opens at dark every night and runs until 9:00 p.m. Sunday through Thursday and 10:00 p.m. on Fridays and Saturdays.

Each year, the display is a little different, making each experience unique. With more than one million LED bulbs, combined with the low cost, Lights of LIFE is the most affordable, quality light display in the metro area.

As in years past, Santa Claus will be visiting on weekends for photographs. Pony rides (\$5 per rider), train rides (\$3 per rider) and the petting zoo (\$3 per person) will also return, as will our concession stand, offering seasonal drinks and snacks for purchase.

The Lights of LIFE is a zero-profit operation. Per-car fees go to offset the cost of electricity and those associated with ongoing operations. Fees for individual goods and services are at the discretion of the vendors.

About Life University

Founded in Marietta, Georgia in 1974, Life University is a health sciences institution most known for its chiropractic program, the largest single campus chiropractic program in the world. Life University is regionally accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award baccalaureate, master's and Doctor of Chiropractic degrees, and also has
