### LIFE UNIVERSITY HOSTS LATEST “THE HIGHWIRE WITH DEL BIGTREE” BROADCAST AT ITS MARIETTA, GEORGIA CAMPUS

**Marietta, Georgia, February 27, 2019** – Life University (LIFE) boasts the latest venue for the broadcast of “The HighWire with Del Bigtree” at its Marietta, Georgia campus Thursday, February 28, 2019. Hosted by Mr. Del Bigtree and featuring an introduction by Life University Vice President of University Advancement, Dr. Gilles LaMarche, the show will concentrate on furthering truth and honesty in health care.

“The HighWire with Del Bigtree” stands separate from mainstream media and provides an unbiased source of factual health information that includes research and statistics about today’s healthcare sphere. While providing an entertaining program, information is relayed, and resource links are provided to help the public make informed decisions about their own health care.

With the launch of “The HighWire,” Bigtree continues a career as a filmmaker, investigative medical journalist and Emmy Award-winning producer of the daytime talk show “The Doctors.” Bigtree is best known for combining visually impactful imagery, raw emotional interviews and unbiased investigative research into stories that push the envelope of daytime television.

“The HighWire” being filmed at Life University – the largest single campus chiropractic college in the world – is a momentous occasion and one that further celebrates the value and importance of the University’s leading-edge, principled health science philosophy and education.

Transmission of the live broadcast will begin at 2:00 p.m. EST/11:00 a.m. PST and can be seen on Bigtree’s YouTube channel “The HighWire with Del Bigtree.”

Along with its doctorate program in Chiropractic, Life University offers 15 specialized undergraduate degrees, with defined pre-professional tracks in the realm of natural and vital health, including an accelerated pre-chiropractic track; four graduate programs in sport health science, clinical nutrition, positive psychology and athletic training.
