LIFE UNIVERSITY'S DR. GILLES LAMARCHE SELECTED TO LEADERSHIP COBB'S CLASS OF 2020

Marietta, Georgia, July 11, 2019 – Leadership Cobb has selected 50 new participants for the 2019-2020 class, and Life University Vice President of University Advancement Dr. Gilles LaMarche is among the group chosen.

Leadership Cobb is a leadership development program focused on personal and professional growth through awareness, community resources and the social, political and economic needs of the community at large. Life University President Dr. Rob Scott is himself an alumnus of the Leadership Cobb program.

Class members have been selected from various industries, community organizations, government entities, religious organizations, volunteer programs and other organizations in Cobb County. Throughout the next year, the 50 selected participants will train and study the art of effective leadership through lectures, dialogues and retreats. The goal of their time with Leadership Cobb is to push their own self-discovery, expand upon their own pre-existing talents and skills, and to take their leadership abilities from potential to powerful.

“The application is a very competitive process, and I am honored to have been selected to the Class of 2020,” notes Dr. Gilles LaMarche. “The program offers experience in a variety of Cobb County initiatives and will certainly serve to enhance Life University’s visibility and our willingness to be a supportive partner in our community.”

About Life University

Founded in Marietta, Georgia in 1974, Life University is a health sciences institution most known for its chiropractic program, the largest single campus chiropractic program in the world. Life University is regionally accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award baccalaureate, master’s and Doctor of Chiropractic degrees, and also has programmatic accreditation through the Council on Chiropractic Education (CCE), the Accreditation Council for Education in Nutrition and Dietetics (ACEND) and the Commission on Accreditation of Athletic Training Education (CAATE). The mission of Life University is to empower students with the education, skills and values necessary for career success and life fulfillment, based on a vitalistic philosophy.
