### **LIFE UNIVERSITY TO HOST EAGLE MADNESS PREVIEW DAY FOR PROSPECTIVE UNDERGRADUATE AND GRADUATE STUDENTS ON SATURDAY, NOVEMBER 17, 2018**

**Marietta, Georgia, September 25, 2018** – If you are looking to put your college search in high gear, attend Life University’s Eagle Madness Preview Day on Saturday, November 17, 2018 on their Marietta, Georgia campus. Life University (LIFE) hosts Eagle Madness twice a year – in the spring and in the fall – on LIFE’s campus where you will spend the day learning about LIFE’s undergraduate and graduate degree programs, meeting with faculty and current students, and exploring the campus. Representatives from Financial Aid, Admissions and Student Services will be available to answer all your questions. Enjoy lunch with us, compliments of LIFE. We welcome all, including juniors and seniors in high school, as well as counselors, parents and career advisors.

There are a number of unique elements that only happen at Eagle Madness. You will be able to interact with current students and faculty who can answer questions about LIFE’s 14 undergraduate degrees, four graduate degrees and flagship Doctor of Chiropractic degree. You will meet with Department Heads and have an extensive look into the programs offered here at LIFE.

#### **Why LIFE?**

Life University offers leading-edge health science degrees in a community that empowers students to design lives of success and significance. LIFE provides students the vision to fulfill their innate potential, the inspiration to engage in a quest for self-discovery and the ability to apply a principled approach to their future roles as leaders. LIFE instills and practices a set of values, a philosophy, a perspective toward wellness and a deeper meaning of service to humanity.

LIFE offers undergraduate degrees in health sciences, business, nutrition and psychology fields; graduate programs in sport health science, clinical nutrition, positive psychology and athletic training; and is home to the world’s largest single campus College of Chiropractic.

Our students come from every state in the U.S. and more than 25 countries, making LIFE a small school with a wide range of diversity. With an energetic student body, there’s always something happening – from food festivals in Lyceum Park and workout classes in the Wellness Center, to free outdoor concerts and informative seminars with industry leaders. The University supports more than 70 campus organizations that bring students together.

LIFE's campus sits on 110 acres of lush green space with contemporary academic facilities, five miles of wooded jogging and walking paths and beautiful outdoor gathering spaces, including a 300-seat outdoor amphitheater. Our sustainable campus features LEED-certified housing and a preserved 19th century village – both of which nod to our past while looking to our future.

For students who are ready to get away from campus for a bit, Atlanta is right on their doorstep. With world-class concert venues, theaters, museums, sporting events, restaurants and shopping, there is something for everyone.
