Submit your own Eagle Card ID Photo

If you are a new Online Learning student or employee working a non-daytime shift, please use these instructions to submit your photo for your official Eagle ID card. If a suitable photo is successfully submitted, your ID card will be printed and waiting for you when you arrive on campus or mailed if you are an online student. The Eagle Card provides access to housing, dining facilities, the library, print services and more.

The Fotomation Passport Photo Generator is our app of choice and will guide you thru the photo capture/submission process. Download the Passport Photo ID Generator app using one of the QR code links at the bottom of the page and follow these app instructions using a smooth white background:
