

# Life University Dietetic Internship Open House

## Join us for open house!

You are cordially invited to attend Life University's Dietetic Internship Open House. Our DI Open House will provide you with the opportunity to explore our internship program and Master of Science degree in Clinical Nutrition, which can be completed concurrently with the internship program, and speak with current dietetic interns. The Master of Science degree is not required, but an option for those seeking a clinical nutrition degree.

Please **RVSP** to Ms. Lakeeva Lawrence at [lakeeva.lawrence@life.edu](mailto:lakeeva.lawrence@life.edu) **no later than January 14, 2019.**

Open house will be on Life University's campus in the College of Graduate and Undergraduate Studies Building (CGUS) in Room 119.
