### **LIFE UNIVERSITY PRESIDENT DR. ROB SCOTT TAKES 'LIFE ON TOUR' TO CANADA**

**Marietta, Georgia, May 28, 2019** – Life University (LIFE) President Rob Scott, D.C., Ph.D., one of the foremost leaders in the chiropractic profession, will welcome chiropractors across Canada to engage in a conversation intended to address current healthcare needs and position the chiropractic profession for the future.

Those of you who have chosen a chiropractic career know that the future of the profession depends on you. You also know how to make a difference in your life, the lives of others, your community and the landscape of health care worldwide.

To assist you in your chiropractic pursuits, please take note and attend this inspiring event to learn how to help steward Chiropractic into the future.

Your LIFE On Tour evening will provide you with the opportunity to hear about what is happening at Life University and in its College of Chiropractic as you join friends and colleagues for an evening of information and inspiration.

Whether you are graduate of Life University, a friend of the college or simply interested in a shared conversation of how to position the profession as the provider of choice for natural, drug-free care, then you are invited to join LIFE On Tour at a Canadian city near you.

To register for a spot at one of the five LIFE On Tour Canadian cities with Dr. Scott from June 5 to June 19, 2019, please visit [www.LIFE.edu/LIFE-On-Tour/](http://www.LIFE.edu/LIFE-On-Tour/).

\*\*This event is open to all DCs. Guests are welcome. Have a prospective chiropractic student? Email us their contact information at [Reanna.Untener@LIFE.edu](mailto:Reanna.Untener@LIFE.edu), and we will make sure they are invited to an upcoming student event.

Life University offers 15 undergraduate degrees, including a pre-chiropractic track; four graduate programs, which encompass areas of sport health science, clinical nutrition, positive psychology and athletic training; and the world's largest single campus Doctor of Chiropractic program. Explore all of LIFE's degree offerings at [www.LIFE.edu](http://www.LIFE.edu).
