Life University (LIFE) is leading the vital healthcare revolution by shuttering the status quo. By applying vitalistic principles and an agenda of compassion, LIFE works to make a transformative social impact. Our mission isn’t just printed in a handbook somewhere; it’s lived, breathed and acted upon daily – across departments, facilities in every unit.

The Harris Center contains a 23-room living space with group gathering and study areas, as well as a 2-story slide to Lyceum Plaza. Life University is the largest single-campus Gold-Certified facilities.

The CGUS is the home of graduate and professional degree programs, as well as the Student Advocacy and Advisement Center, Financial Aid and Enrollment. The Learning Resource Center houses the One-Stop Student Service Center, the Campus Safety Emergency Line: (770) 426-2911, Student Services: (770) 426-2700, please email Tours@LIFE.edu. To schedule a guided tour, visit www.lifediary.com.

William M. Harris Memorial

Dr. Sidney E. Williams, LIFE’s first President, who was the life, work and defender of chiropractic principle, is memorialized here with an eternal flame.

The NeuroLIFE Institute (NLI) uses the art, science and technology of functional neurology to offer the prospect of relief and improvement for people suffering from a number of neurologic problems, including pain, seizures and migraines.

An armchairs and tables are available for relaxation. A student retreat among the trees, this tranquil area offers the perfect place to escape the hustle and bustle of academic life. The treehouse is a haven for students to study, relax and review, as well as entertain guests.
