BILINGUAL ACADEMIC SUPPORT PROFESSIONAL

*Dr. Andrea M. Diaz Rivera
Serves UG, MS & DC students*

My name is Andrea Diaz, DC. I was born and raised in San Juan, Puerto Rico. After completing my BS in Chemistry and working in the pharmaceutical industry, I decided to follow my passion of helping and serving others out of a sense of abundance. In 2012, I decided to start my path at Life U as a DC student and found myself helping my fellow students to reach their fullest potential academically and loved every second of it. Three years later, I graduated with honors with a DC degree, I started my own practice and was offered the opportunity to work at Life U as a Bilingual Academic Support Professional. In this position, I help students to find a sense of belonging and achieve success through their journey.
