Spring 2021 Fitness Class Schedule

CLASSES BEGIN April 12 AND END May 31

Life Center for Seniors and Life University's Fitness Center have partnered together to provide an opportunity for our LCS members to take part in fitness classes. These classes are not only a wonderful wellness tool but provide an opportunity for fun, stress relief, and socialization.

If you are a current LCS member, you are eligible to enroll in the Wellness Center's fitness classes. Class fees are \$15 per class, per quarter. You are required to present your scannable LCS name badge for Fitness Center access and for participation in any LCS activity.

FUN IS FITNESS - This is a minimal impact fitness class using hand weights and flexibility exercises. Based on research conducted at Tufts University, participants will note positive outcomes such as increased strength, improved balance and range of motion, as well as prevention/reversal of osteoporosis. Studies indicate also that stronger people increase activity levels and are less prone to falls. Stronger muscles also prevent injuries to joints. Spinal health is implicit to all stretching movements. LCS provides 3 lb. weights and above. Join us for fun and improved fitness.
