

PLAN HIGHLIGHTS

Life University, Inc. 401(k) Savings Plan

Your employer-sponsored retirement plan is a powerful way to save for the future. Learn more about the benefits of your plan, and get the answers to any questions you have.

How can I contribute to my retirement plan?

You can control your contributions in the following ways:

- Your employer will automatically enroll you in the plan at a 4% pretax contribution rate unless you have opted out of automatic enrollment or made an affirmative election during the designated administrative timeframe.
 - This applies to all participants who have not made a salary deferral election under the plan.
- You can contribute up to 100% of your salary to your retirement savings, not to exceed the maximum allowed by the IRS.
- You can increase or decrease your contribution rate at any time.
- You can discontinue contributions to your retirement savings plan at any time. The effective date of the changes occurs as soon as administratively possible.
- You can enroll by logging in to LincolnFinancial.com/Retirement.

Will my employer contribute to my retirement savings plan?

Your employer will contribute to your retirement savings through:

- A discretionary matching contribution: Each year, your employer may match some or all of your contributions.

When am I fully vested in my retirement plan?

"Fully vested" means you have 100% ownership of the assets in your retirement account (your plan).

- You always have 100% ownership of any money you contribute to the plan, including any earnings and/or assets consolidated from another retirement plan.
- You will have 100% ownership of your employer's discretionary matching contributions, including any earnings, according to the following schedule:

Less than 2 years of service	0%
2 years of service	25%
3 years of service	50%
4 years of service	75%
5 years of service	100%

WELCOME

What are my investment options?

You can choose from a wide variety of investment options to meet your retirement savings goal.

- **MAKE AN ALL-IN-ONE CHOICE** if you want one diversified portfolio managed for you.
- **MANAGE IT YOURSELF** and select your own portfolio of investments.
You may use a **Self-Directed Brokerage Account (SDBA)** and choose from thousands of investment options. Fees may apply.
- **STILL UNDECIDED?** If you participate in the plan without selecting investment options, your money will be directed to the Qualified Default Investment Alternative (QDIA) selected by your employer.

Can I consolidate accounts from my previous retirement plans?

You can consolidate assets from one or more previous retirement plans. When determining whether consolidation is right for you, consider:

- Investment options in the old and new plans
- Investment expense within the old and new plans
- Services available to you within the old and new plans

Contact your financial representative for assistance in determining the course of action appropriate to your situation.

Can I access balances in my retirement savings account prior to retirement?

Your retirement plan will have the greatest potential to grow if you stay invested for the long term, rather than withdrawing money from it. For that reason, the IRS limits what you can do with your account prior to retirement by imposing certain penalties for early distributions. However, you do have access to your savings—and may avoid penalties—under certain circumstances.

Loans

You can take a loan from certain account balances for:

- General purposes
- Purchase a primary residence

Check with your financial professional for information about loan fees, repayment, and the pros and cons of borrowing from your retirement plan.

Withdrawals of pretax balances

You may take a distribution from **certain available accounts** upon:

- Severance from employment
- Financial hardship
(Distribution may be subject to the premature 10% distribution penalty if taken prior to age 59 ½.)
- RMDs (Required Minimum Distributions)

Consult with your tax advisor before withdrawing any money from your account. You may wish to consult with your plan sponsor or review your plan's Summary Plan Description (SPD) to determine the distributions that are available under your plan.

How can I access my account?

You can access and manage your retirement account any time:
